Works of Love Robert L. Perkins, 1999 To claim that Works of Love is an important philosophical essay is to assume hazardous burden of proof The book's title is an allusion to the Bible's injunction that we should love our neighbor as we love ourselves a far cry far instance from Diotima's ladder of erotic desire up which we climb from the love of bodies until we catch a vision of that single sea of beauty beauty itself Plato Symposium This contrast given that some of some of our neighbors may not be particularly likable or one may even be a determined enemy suggests immediately to some that a book with such an obviously religious title must be excessively moralistic and at best full of sermon helps for the harried clergy or at worst laden with rules for the unlearned laity A casual perusal of a few paragraphs however shows these put down views of the book to be unfounded Love and Work Marcus Buckingham, 2022-04-05 A Wall Street Journal bestseller World renowned researcher and New York Times bestselling author Marcus Buckingham helps us discover where we're at our best both at work and in life You've long been told to Do what you love Sounds simple but the real challenge is how to do this in a world not set up to help you Most of us actually don't know the real truth of what we love what engages us and makes us thrive and our workplaces jobs schools even our parents are focused instead on making us conform Sadly no person or system is dedicated to discovering the crucial intersection between what you love to do and how you contribute it to others In this eye opening uplifting book Buckingham shows you how to break free from this conformity how to decode your own loves turn them into their most powerful expression and do the same for those you lead and those you love How can you use love to reveal your unique gifts How can you pinpoint what makes you stand out from anyone else How can you choose roles in which you'll excel Love and Work unlocks answers to these questions and others so you can Choose the right role on the team Describe yourself compellingly in job interviews Mold your existing role so that it calls upon the very best of you Position yourself as a leader in such a way that your followers quickly come to trust in you Make lasting change for your team your company your family or your students Love the most powerful of human emotions the source of all creativity collaboration insight and excellence has been systematically drained from our lives our work teams and classrooms It's time we brought love back in Love and Work shows you how *Mary's call to her loving children; or, Devotion to the dying Mary* (the virgin.), 1880 **Gu Mingyuan's Educational Thought** Yingjie Wang, 2025-04-01 This book systematically reviews the educational thought of Mr Gu Mingyuan one of the most prestigious educationists in contemporary China and details the

*An Infinite Journey* Dr. Andrew M. Davis,2014-01-09 After we ve come to faith in Christ God leaves us in this world for a very clear purpose his own glory But how are we to glorify God for the rest of our lives The Bible reveals that God has laid before every Christian two infinite journeys which we are to travel every day the internal journey of growth into Christlike maturity and the external journey of worldwide evangelism and missions This book is a road

map for the internal journey laying out how we are to grow in four major areas knowledge faith character and action In this book we ll learn how God grows us in knowledge faith character and action We ll also discover that spiritual knowledge constantly feeds our growing faith faith will transform our character our transformed character will result in an array of actions more and more glorifying to God and our actions will feed our spiritual knowledge This upward spiral will lead us to become more and more like Jesus Christ in holiness And not only will this book help us understand Christian growth in detail it will also give us a passion to grow every day for his glory     The Healing Tree Ellen Jones,2014-05 Whom and how we love is an important decision in our lives Choices we make in love will be choices that affect us for a lifetime Our love should reflect the personal commitment we have for the other knowing that this love is a reflection of God s love for us The puzzle of life is to find the path that can fill our hearts with love not only for another person but for God Lily and Jared find that choosing to love each other is easy but searching for the path to God s love is a challenge They need to determine the right decisions to maneuver through their human frailties to embrace God s love Each will need to use what they experienced in the past to make the proper choice for a joyful and hope filled future     **The Freedom of God for Us** Brian D.

Asbill,2014-12-18 This volume provides an analysis of divine aseity in Karl Barth s thought and appreciates the vital role that this doctrine can play in contemporary theology Brian D Asbill begins by setting the general theological context first through a broad sketch of the development of Barth s understanding of the relationship between the life of God pro nobis pronobeity and a se aseity and secondly through the examination of the basic theological convictions that guide his approach to the divine being in Church Dogmatics II 1 The second section The Love and Freedom of God turns to the dialectical pairings which guide Barth s accounts of the divine reality in his earliest dogmatic cycle The G ttingen Dogmatics 16 7 as well as in his most mature treatment Church Dogmatics 28 31 Particular attention is given to how these themes arise from revelation and relate to one another In the final section The Aseity of God Asbill identifies this doctrine s basic features and primary functions Divine aseity is characterized as the self demonstration and self movement of God s life a trinitarian and entirely unique reality a primarily positive and dynamic concept and the manner and readiness of God s love for creatures Divine aseity is said to indicate God s lordship in the act of self binding God s uniqueness in the act of self revelation and God s sufficiency in the act of self giving     *Seven Steps on the Writer's Path* Nancy Pickard,Lynn Lott,2007-12-18 The blank page

**Thinking Deeply** Steve Wilkens, 2024-05-06 The big questions of Christian theology have intersected with those of philosophy since the beginning of the church. In 50 brief meditations, this book outlines some of the key ideas of philosophy and offers suggestions for how Christians might benefit from wrestling with some of these important ideas. Food for a full day's thought in a five-minute read

**Entrepreneurial Selves** Carla Freeman, 2015-02-15 *Entrepreneurial Selves* is an ethnography of neoliberalism. Bridging political economy and affect studies, Carla Freeman turns a spotlight on the entrepreneur, a figure saluted across the globe as the very embodiment of neoliberalism. Steeped in more than a decade of ethnography on the emergent entrepreneurial middle class of Barbados, she finds dramatic reworkings of selfhood, intimacy, labor, and life amid the rumbling effects of political-economic restructuring. She shows us that the *disjuncture* of neoliberalism, the global hailing of entrepreneurial flexibility and its concomitant project of self-making, can only be grasped through the thickness of cultural specificity where its costs and pleasures are unevenly felt. Freeman theorizes postcolonial neoliberalism by reimagining the Caribbean cultural model of reputation, respectability. This remarkable book will allow readers to see how the material social practices formerly associated with resistance to capitalism, reputation, are being mobilized in ways that sustain neoliberal precepts and in so doing re-map class, race, and gender through a new emotional economy

**God Has Come, He Is King** The Church of Almighty God, Almighty God Christ of the last days has expressed a variety of truths, uncovered every truth and mystery in the Bible and revealed to mankind the inside story of the three stages of God's work: the mystery of God becoming flesh and God's work of judgment in the last days, etc. This testifies that Almighty God is the return of the Lord Jesus and that He is the appearance of God in the last days

**Love and Organization** Michael Pirson, 2022-06-30 Organizations are not human, but they are made up of people. Examining the organization functioning, growing, and developing and moving together as one unit, the well-being and success of that organization depends on the well-being of people that make it up. Love, in its various forms, is the energy that motivates and fuels creativity, care, innovation, progress, and well-being. Traditionally, organizational structures have been set up to support compliance and command and control, which often discourages love and creates policies against love at the workplace. The result has been reduced growth, productivity, and retention of businesses, as well as reduced well-being for employees. This reduced connectivity between individuals has also, at a higher level, adversely affected society. Without love, people are working and performing with reduced energy and at reduced capacity. While prior research has been focused on love at the workplace from the viewpoint of psychologists, this book explores the impact of love within organizational contexts from various viewpoints, including management psychology and philosophy. It explores love in the organizational context by looking at how it affects meaning, purpose, well-being, motivation, faith, care, spiritual development, and how the identity and well-being of each person in the organization positively affects retention and the growth and success of that organization. It

will be of interest to researchers academics and advanced students in the fields of organizational studies leadership and management
