THE THIRD EYE—The Mystery of Sri Sri Ramakrishna's Visions Dr. Siddhartha Ganguli,2024-11-21 The 19th century Hindu super saint Avatar Sri Sri Ramakrishna descended on earth as a God incarnate to bring about harmony between different religions some of those believing in gods without forms and a few having faith on gods and goddesses with forms He was an evangelist of spirituality rather than a religious missionary His every step every move was based on his clear visions of the far and near pasts as well as the proximal and distant futures This was possible because of the mystical powers of his open and active third eye The author who is until now the only Ramakrishna scholar who has been studying him deeply bio behaviourally explains with adequate authentic supportive data that the third eye is not an imaginary concept of a creative thinker It is very much a power of the human brain s Pineal Gland It is the only sensory organ that the subtle bodied soul carries to the post death world after leaving the two biological eyes in the lifeless mortal body The book includes a list of all third eye powers that have been discovered until now and also talks about the astha siddhis the eight very special powers that the yogis acquire through sadhana There is a brief discussion also on the seven planes of existence and the post death realms where the souls move once we die **Goddess Kali, God Thoughts, Sri Sri Ramakrishna and A Few Slices of**

Sri Sri Ramakrishna's Soul (Introducing 'SoulOlogy') Dr. Siddhartha Ganguli, 2024-05-11 Hinduism is a polytheistic religion For the Hindus Goddess Kali is the only austere down to earth deity who believes in absolute simplicity and openness She does not hide her body she is naked with her private parts covered by a garland of severed hands of demons slain by her Her mind is overt as she sticks out her tongue representing her thirst for the blood of evil people whom she is determined to overpower and also her feeling of shame Her soul yearns for pure and authentic love She is unlike other Hindu goddesses who are opulently dressed and majestically ornamented Kali's child God incarnate Sri Sri Ramakrishna like his mother goddess is casual not only about his dress but also about his worshipping habits This book looks at Ramakrishna his method of devotion his yearning for the goddess and his value system and entire philosophy It analyses the Hindu Saint's soul and its slices that he had shared and still continues to share even today long after he left this planet with those who understand him thoroughly and are meant to propagate his message The author's method of analysis and treatment of the subject are unique as no other Kali or Ramakrishna scholar had used for their probes earlier *Love as Common Ground* Paul S. Fiddes, 2021-09-23 This book explores the way in which the study and practice of love creates a common ground for different faiths and different traditions within the same faith For the contributors common ground in this context is not a minimal core of belief or a lowest common denominator of faith but a space or area in which to live together consider together the meaning of the love to which various faiths witness and work together to enable human flourishing Such a space the contributors believe is possible because it is the place of encounter with the divine This book is the fruit of a Project for the Study of Love in Religion which aims to create this space in which different traditions of love converge from Islam Judaism and the Christianity of both East and West Tools employed by the contributors in exploring this space of love include exegesis of ancient texts theology accounts of mystical experience philosophy and evolutionary science of the human Insights about human and divine love that emerge include its nature as a form of knowing its sacrificial and erotic dimensions its inclination towards beauty its making of community and its importance for a just political and economic life **Awakening Kings and Princes Volume I** John Shelton Jones, 2016-08-31 Awakening Kings and Princes AWKP is self help and spiritual growth book on systematic knowledge of information on discovering the awakening of an individual in depth personage addressing the prowess of the mentality to awakening emunah faith truth stability fidelity within ourselves A way of framework addressed to elevating destiny and noetic abilities to consciously pro create positive hypnosis and distinguish the contempt and evil morals of this world by re evaluating the conscience to nurture the prowess AWKP is about training the mind to stop grounding the mind worthlessly but to become Truth within while disregarding the negative social constructions of this world Focuses of AWKP is the empirical substance and realism to create better wisdom without the falsifying ideologies that burdens the mind AWKP gives clarity to soulful union with Yahawah God and Yahawashi Christ to harvest direction to the covenant without the feeling of contempt and provides the essence of faith prayer and fellowship AWKP unfolds the realism of Loveology with
