

A person is silhouetted against a night sky, standing on a dark, grassy hill. The person is looking up at a vast, starry sky. A prominent purple and pink nebula is visible in the upper center of the frame. The lower part of the sky is a warm orange-brown color, suggesting a sunset or sunrise. The overall mood is contemplative and serene.

People feel at home with
low moral standards. It is
scruples that put them off.

Benuzzi,Alexa Huber,2024-04-25 **Readings in Health Care Ethics - Second Edition** Elisabeth (Boetzkes)

Gedge,Wilfrid J. Waluchow,2012-03-14 Readings in Health Care Ethics provides a wide ranging selection of important and engaging contributions to the field of health care ethics The second edition adds a chapter on health care in Canada and the introduction has been expanded to include discussion of a new direction in feminist naturalized ethics The book presupposes no prior knowledge only an interest in the bioethical issues that are shaping our world **Social Connectionism** Frank Van

Overwalle,2013-03-07 Many of our thoughts and decisions occur without us being conscious of them taking place connectionism attempts to reveal the internal hidden dynamics that drive the thoughts and actions of both individuals and groups Connectionist modeling is a radically innovative approach to theorising in psychology and more recently in the field of social psychology The connectionist perspective interprets human cognition as a dynamic and adaptive system that learns from its own direct experiences or through indirect communication from others Social Connectionism offers an overview of the most recent theoretical developments of connectionist models in social psychology The volume is divided into four sections beginning with an introduction and overview of social connectionism This is followed by chapters on causal attribution person and group impression formation and attitudes Each chapter is followed by simulation exercises that can be carried out using the FIT simulation program these guided exercises allow the reader to reproduce published results Social Connectionism will be invaluable to graduate students and researchers primarily in the field of social psychology but also in cognitive psychology and connectionist modeling Counter-Cultural Paradigmatic Leadership Gary K. G.

Choong,2011-06-03 In Counter Cultural Paradigmatic Leadership Gary Choong challenges the reader to consider the mind set motive and manner of leadership in any Asian setting that is suffused with contemporary practices of paternalistic authority It provides a counter cultural paradigm shift for the Christian leader who desires to honor God with mind and heart based on a biblical moral foundation and to lead with character biblical core values and a commitment to further the cause of Christ The counter cultural paradigms and practices of integrity humility and empowerment address the ills of contemporary paternalistic authority such as didactic leadership guarding and building of reputation protection of dominance autocratic control nepotism cronyism ambivalence lack of accountability overstaying one s effectiveness and underestimating one s subordinates This counter cultural paradigmatic Christian leadership deals first with the Christian leader s character and spiritual formation over a lifetime second it seeks to influence and impact team members toward biblical coherence and congruence in discipleship team ministry and leadership development third it encourages the leader to consider ways to address organizational behavioral dysfunctions and hence organizational coherence congruence and effectiveness

particularly with a view toward leadership succession and organizational significance

Kantian Business Ethics Denis Gordon Arnold, Jared D. Harris, 2012-01-01 In this original collection of essays a group of distinguished scholars critically examine the ethical dimensions of business using the Kantian themed business ethics of Norman E Bowie as a jumping off point the authors engage Bowie s influential body of scholarship as well as contemporary themes in business including topics such as the normative foundations of capitalism the applicability of Kantian ethics virtue ethics and pragmatism in normative business ethics meaningful work managerial ethics the ethics of high leverage finance capitalism business ethics and corporate social responsibility and responsibility for the natural environment the contributors to this volume include both scholars sympathetic to Bowie s Kantian business ethics and scholars critical of that perspective As one of the foundational figures in the establishment and legitimization of the study of business ethics as a field of scholarship Bowie casts a long shadow over the field Over the last thirty years he has applied a distinctive Kantian approach to the analysis of problems in business ethics and his work has had a substantial impact on a wide range of theory and scholarship in the field Bowie argues in his work that economic value is not the only value that should inform managers executives and policy makers when making both business policy decisions and everyday management decisions He utilizes a Kantian framework to support the position that additional values such as human dignity and rational consistency should inform business practice and influence managerial decision making He also shows that business practices that include these additional values are consistent with sound management theory and that such businesses can be financially successful This volume of scholarly essays will be of considerable interest to students and scholars working in business ethics corporate social responsibility and organization studies

Everyday Ethics Jean P. Kirnan, 2018-06-04 This book expands the current discussion on ethics addressing the gap between headline ethics cases which are often extreme and taken from a business context and the everyday ethical challenges that we all face in school work relationships and communities Case studies throughout demonstrate concepts and provide opportunities for readers to apply theory as they consider everyday issues such as the temptation to lie about an arrest on a job application peer pressure to steal or drink and the implications of ratting out a classmate who is cheating or a co worker who is stealing By including a broad array of ethical challenges this book makes ethics more accessible to the reader Drawing from several academic disciplines including social psychology and organizational behavior this book explores the personal and environmental factors that influence our ethical decision making The book is appropriate for ethics courses in an array of disciplines as well as anyone interested in ethical challenges

The Wealth Dragon Way John Lee, Vincent Wong, 2015-04-14 Stop procrastinating and become financially free by building asset based wealth and creating passive income The Wealth Dragon Way The Why the When and the How to Become Financially Free is a practical guide to becoming financially free through building asset based wealth and creating passive income Part motivational part informational this guide will change your whole perspective on wealth and your personal growth potential The book discusses both moral and

monetary wealth and looks at how we are easily misled and influenced by media driven myths surrounding money debunking notions such as the idea that there is no truly moral way to become wealthy or the belief that the state will provide for us in retirement and more You ll discover new truths surrounding the subject of wealth and get to the root of your own procrastination over planning for your financial future You will learn how to tackle your fears and overcome the issues holding you back You will also read real life examples of how two property entrepreneurs built their significant portfolios using alternative strategies such as using lease options and structuring and securing deals at below market value Along the way you ll learn what it means to become a Wealth Dragon and the key principles to live by if you re ready to work towards achieving real financial freedom You are far more likely to achieve personal wealth if you are one hundred percent clear as to why you want it This book explores the psychology of our relationship with money and offers a practical advice for anyone who is determined to meet their goals and realize their dreams Bust the myths surrounding the subject of wealth Start taking control of your financial future Adopt the key Wealth Dragon principles Discover your full potential for financial and personal growth The importance of taking control of your financial future cannot be overstated especially in these economically uncertain times Whether you want to quit the rat race build some assets as security or develop a branded business that will provide you with a passive income The Wealth Dragon Way is your guide to building wealth and becoming financially free
