Lower Than The Angels Questions Raised By Genesis 111:

Christianity and the Rights of Animals Andrew Linzey, 2016-03-03 Christian concern about how we treat animals has increased strikingly in recent years More and more Christians are deciding that our attitudes toward animals must change Here is a book that presents for the first time a comprehensive and well argued theological case for the rights of animals and offers a challenging critique of our existing insensitivity toward animal life Everyone who cares about the rights of animals particularly clergy and ministers who are constantly being asked for answers on the issue will welcome this new and important book

The Solomonic Corpus of 'Wisdom' and Its Influence Katharine J. Dell, 2020-09-04 Solomon is the figurehead who holds the family of wisdom texts together In this study Katharine Dell argues that a core of Proverbs and Ecclesiastes forms the inner sanctum of the Solomonic wisdom corpus with the Song of Songs as a close relative but Job at one remove Proverbs Ecclesiastes and the Song contain attributions to Solomon and demonstrate key wisdom connections Solomon is also portrayed as an idealized character in the narratives about him in 2 Sam 24 1 Kings 11 He is the embodiment of wisdom thus linking both the narrative portrayal and canonical memory of his significance His connections with Egypt and Sheba shed light on how Solomon gained his reputation for wisdom as do the roles in his court for scribes sages and seers Formative wisdom themes notably that of God as creator characterize the book of Proverbs and also influenced certain wisdom psalms and the prophets Isaiah and Jeremiah texts which share links to wisdom ideas and contexts For these prophets criticism of the wise is a key concern Dell introduces an intertextual method to open up fresh possibilities of ranging together different texts alongside the Solomonic corpus without the constraints of probing literary or historical linkages Ruth is considered with Proverbs Genesis 1 11 with Ecclesiastes and the wider theme of gardens and water in the Hebrew Bible with the Song of Songs While Solomon probably had very little to do with such readerly text play Dell's argument in *The Solomonic Corpus of Wisdom and Its Influence* is that he is the lynch pin that holds wisdom in its core texts and wider family together
