Lowji Discovers America:

Lowji Discovers America Candace Fleming, 2008-06-23 Dear Jamshed America is not so different from what we thought I told you I wouldn't see a single cowboy riding across the plain and I haven't I have not even seen a plain Still there are some silver linings They are Trapper and King the cat and dog who live in the apartment building They are cuddly and waggy I am not allowed to play with them though because they are supposed to catch mice and keep burglars away Ironman He owns a pig and talks to me a lot But he is a grown up Kids I can hear them playing outside Too bad they do not want to play with me I wish you were here Do you wish I was in India Write back soon Your friend Lowji [Lowji Discovers America](#)
