**The Service-Dominant Logic of Marketing** Robert F.

Lusch, Stephen L. Vargo, 2014-12-18 Expanding on the editors award winning article Evolving to a New Dominant Logic for Marketing this book presents a challenging new paradigm for the marketing discipline This new paradigm is service oriented customer oriented relationship focused and knowledge based and places marketing once viewed as a support function central to overall business strategy Service dominant logic defines service as the application of competencies for the benefit of another entity and sees mutual service provision rather than the exchange of goods as the proper subject of marketing It moves the orientation of marketing from a market to philosophy where customers are promoted to targeted and captured to a market with philosophy where the customer and supply chain partners are collaborators in the entire marketing process The editors elaborate on this model through an historical analysis clarification and extension of service dominant logic and distinguished marketing thinkers then provide further insight and commentary The result is a more comprehensive and inclusive marketing theory that will challenge both current thinking and marketing practice **Customer Relationship**

**Management** Francis Buttle, 2009 This title presents an holistic view of CRM arguing that its essence concerns basic business strategy developing and maintaining long term mutually beneficial relationships with strategically significant customers rather than the operational tools which achieve these aims **Hospitality and Tourism Marketing** Robert Ebo Hinson, Ishmael Mensah, George Kofi Amoako, Esi Akyere Mensah, Isaac Coffie, Eddy Khosa, 2024-04-05 Hospitality and Tourism Marketing Building Customer Driven Hospitality and Tourism Organizations is an absolutely crucial book in light of the world post COVID 19 Following the pandemic big hotel chains like the Accor Group and Marriot closed outlets but post COVID 19 the global hospitality and tourism sector is bouncing back In bouncing back though the pandemic brought to the fore the absolute need for high levels of customer centricity in a world that was gripped by fear This new Hospitality and Tourism H T Marketing book takes a customer oriented approach to discussing marketing discipline in the global H T sector With chapters spanning topics like service characteristics of hospitality and tourism marketing people management strategies for service businesses consumer behaviour designing and building brands electronic marketing internet marketing database marketing and direct marketing and relationship marketing this book has the right balance of technology and consumer oriented topics to provide the right balance for tourism marketing practitioners post pandemic
