Luc Tuymans Heimat:

Luc Tuymans Eva Meyer-Hermann, 2017-01-01 Belgian painter Luc Tuymans b 1958 has over the course of his remarkable career created a distinctive vernacular and is widely credited with having contributed to the revival of painting in the 1990s This second volume in a planned three volume catalogue raisonné of Tuymans's paintings surveys nearly two hundred works featuring some of his most iconic canvases including from his seminal exhibition Mwana Kitoko Beautiful White Man 2000 derived from the fraught history of Belgian colonial rule of the Democratic Republic of the Congo and The Secretary of State 2005 a portrayal of Condoleezza Rice which conjures the history of racial and sexual prejudice in the United States Brilliant color reproductions of each painting from this period are accompanied by an illustrated chronology with archival images and installation views of the works in the volume This catalogue raisonné is a testament to Tuymans's persistent assertion of the relevance and importance of painting a conviction that he maintains even in today's digital world

Luc Tuymans Luc Tuymans, 2009 Published on the occasion of an exhibition held at Wexner Center for the Arts Columbus Ohio and four other institutions between Sept 17 2009 and May 8 2011 Concepts on the Move, 2016-10-11 In order to give an impetus to the production of an apparatus of aesthetic concepts in line with Deleuze and Guattari's claim to create new concepts for a changing world this volume publishes statements and discussions of ten Concept on the Move workshops as well as texts and discussions of the concluding Concept on the Move symposium The integral outcome of the workshops the symposium and the discussions does not however present some sort of blueprint for the future of visual art and aesthetics If one wished to designate the Concepts on the Move publication in one notion at all that definitively could only be TOOLKIT A TOOLKIT in the sense of a great collection of ideas topics issues notions and concepts emerging in the 21st century world of visual art and theory They indeed could serve as an impetus for the construction and production of a body of theoretical work fit to understand today's technological theoretical and artistic developments in the art world Are concepts on the move Yes they are and they always will be on the great journey visual art takes them **La Biennale di Venezia**

Arsenale di Venezia, 2001 **Images Performing History** Katarzyna Ruchel-Stockmans, 2015-09-18 The operative role of the photographic media in making and remaking history History is increasingly made in images not only because its records are largely photographic but also because our ideas about the past are formed in visual terms This book offers a discussion of contemporary art practices which question the received notions of historical representations after the pivotal changes of 1989 in Europe These art practices reveal in different ways the operative role of the photographic media in making and remaking history Not limited to a particular artistic medium they demonstrate how history is forged through enacting or re-enacting its past forms while on the other hand they indicate how copying and quoting can contribute to creating a new operative aesthetics By foregrounding a performative character of images art is shown to construct an alternative knowledge of the past Among others the works of the following artists are discussed in this book Zofia Kulik Yael Bartana Harun Farocki
