Review Jim Musgrave's *Jane the Grabber* is both a mystery and a war between two of the most powerful women in New York City. Musgrave's historical accuracy is again most revealing as he weaves actual history into his spell-binding plot to create a powerful read. The female characters in this mystery will be remembered long afterward. **The President's Parasite** Jim Musgrave, 2006-06-06 In *The President's Parasite* Jim Musgrave resurrects all that has gone missing in today's literature originality. The title story is a Kafkaesque piece from the point of view of an intellectual tapeworm trapped inside a moronic president and the satirical impact is worthy of Swift. The other stories range from a widower trapped inside the Clock Tower in Baghdad that he constructed to a baseball pitcher who becomes a living vegetable after a batted ball strikes his head. All in all there is something for everyone in this collection of 30 eye-popping stories from a truly gifted author. [The Angel's Trumpet](#) James Musgrave, 2020-01-01 An 1887 Handmaid Gets Her Revenge in This Superb Historical Legal Thriller and Mystery Abraham Lincoln was shot inside Ford's Theater Washington D C In 1887 the investigation team of attorney detective Clara Shortridge Foltz visits the same theater which has now been converted into an Army Medical Museum for tourists. But the same mysterious vibes are circulating among the skulls, surgical instruments and garishly frightening scenes from the Civil War battlefield. Lincoln's ghost it is rumored is also wandering about. And below the creaky floors there is a secret that cannot be revealed until the final act in this unique mystery and political satire. James Musgrave's *The Angel's Trumpet* is one of those rare historical mysteries that is both entirely plausible and yet truly original. A richly researched adventure into the complex social web of Gilded Age Washington featuring deeply realized and reimagined luminaries including actress Sarah Bernhardt and President and Mrs Cleveland the novel is also surprisingly modern in its sensibilities a compelling romp into an earlier era's struggle with addiction and vice and secrecy and race relations and most of all hidden sources of power. You will read this book in one sitting and you will be very glad that you did. A meticulously plotted gem from a master of the genre. Jacob M Appel author of the Dundee International Book Award winner *The Man Who Wouldn't Stand Up*. **Iron Maiden** Jim Musgrave, 2006-06 This alternate history takes place during the American Civil War and tells the story of eight people who come together after the battle between the USS Monitor and the CSS Virginia and escape to Easter Island. However this paradise has been transformed by the natives into a human ecological disaster and monument to pagan fertility rights and even cannibalism. **Hera** Gina Kincade, Erzabet Bishop, 2023-01-17 It's all work and no play until the denizens of the underworld have had enough of the rain. The denizens of the underworld are fed up with the rainy season so it's time to shake things up and the Goddess of Love and her toothy sidekick have just the thing to put the pep back in Hera's step.
