of Roaring Camp and Other Tales with Condensed Novels Spanish and American Legends and Earlier Papers, by Bret Harte... Francis Bret Harte, **The Luck of Roaring Camp and Other Tales** Bret Harte, 2017-11-19 He has been repeatedly cautioned kindly and unkindly intelligently and unintelligently against his alleged tendency to confuse recognized standards of morality by extenuating lives of recklessness and often criminality with a single solitary virtue He might easily show that he has never written a sermon that he has never moralized or commented upon the actions of his heroes that he has never voiced a creed or obtrusively demonstrated an ethical opinion He might easily allege that this merciful effect of his art arose from the reader's weak human sympathies and hold himself irresponsible But he would be conscious of a more miserable weakness in thus divorcing himself from his fellow men who in the domain of art must ever walk hand in hand with him So he prefers to say that of all the various forms in which Cant presents itself to suffering humanity he knows of none so outrageous so illogical so undemonstrable so marvelously absurd as the Cant of Too Much Mercy When it shall be proven to him that communities are degraded and brought to guilt and crime suffering or destitution from a predominance of this quality when he shall see pardoned ticket of leave men elbowing men of austere lives out of situation and position and the repentant Magdalen supplanting the blameless virgin in society then he will lay aside his pen and extend his hand to the new Draconian discipline in fiction But until then he will without claiming to be a religious man or a moralist but simply as an artist reverently and humbly conform to the rules laid down by a Great Poet who created the parable of the Prodigal Son and the Good Samaritan whose works have lasted eighteen hundred years and will remain when the present writer and his generation are forgotten And he is conscious of uttering no original doctrine in this but of only voicing the beliefs of a few of his literary brethren happily living and one gloriously dead who never made proclamation of this from the housetops From the Introduction CONTENTS PUBLISHERS NOTE GENERAL INTRODUCTION THE LUCK OF ROARING CAMP THE OUTCASTS OF POKER FLAT MIGGLES TENNESSEE S PARTNER THE IDYL OF BED GULCH BROWN OF CALAVERAS MUCK A MUCK SELINA SEDILIA THE NINETY NINE GUARDSMEN MISS MIX MR MIDSHIPMAN BEEZY GUY HEAVYSTONE OR ENTIRE JOHN JENKINS FANTINE LA FEMME THE DWELLER OF THE THRESHOLD N N NO TITLE HANDSOME IS AS HANDSOME DOES LOTHAW THE HAUNTED MAN TERENCE DENVILLE MARY MCGILLUP THE HOODLUM BAND M LISS HIGH WATER MARK A LONELY RIDE THE MAN OF NO ACCOUNT NOTES BY FLOOD AND FIELD WAITING FOR THE SHIP A NIGHT AT WINGDAM THE LEGEND OF MONTE DEL DIABLO THE RIGHT EYE OF THE COMMANDER THE LEGEND OF DEVIL S POINT THE ADVENTURE OF PADRE VICENTIO THE DEVIL AND THE BROKER THE OGRESS OF SILVER LAND THE CHRISTMAS GIFT THAT CAME TO RUPERT **LUCK OF ROARING CAMP AND OTHER TALES** BRET. HARTE, 2018 **The Luck of Roaring Camp and Other Tales** Bret Harte, 2015-11-26 The opportunity here offered Footnote By the appearance in England several years ago of an edition of the author's writings as then collected to give some account of the genesis of these Californian sketches and the conditions under which they were

conceived is peculiarly tempting to an author who has been obliged to retain a decent professional reticence under a cloud of ingenious surmise theory and misinterpretation He very gladly seizes this opportunity to establish the chronology of the sketches and incidentally to show that what are considered the happy accidents of literature are very apt to be the results of quite logical and often prosaic processes The author s first volume was published in 1865 in a thin book of verse containing besides the titular poem The Lost Galleon various patriotic contributions to the lyrics of the Civil War then raging and certain better known humorous pieces which have been hitherto interspersed with his later poems in separate volumes but are now restored to their former companionship This was followed in 1867 by The Condensed Novels originally contributed to the San Francisco Californian a journal then edited by the author and a number of local sketches entitled Bohemian Papers making a single not very plethoric volume the author s first book of prose But he deems it worthy of consideration that during this period i e from 1862 to 1866 he produced The Society upon the Stanislaus and The Story of M liss the first a dialectical poem the second a Californian romance his first efforts toward indicating a peculiarly characteristic Western American literature He would like to offer these facts as evidence of his very early half boyish but very enthusiastic belief in such a possibility a belief which never deserted him and which a few years later from the better known pages of The Overland Monthly he was able to demonstrate to a larger and more cosmopolitan audience in the story of The Luck of Roaring Camp and the poem of the Heathen Chinees But it was one of the anomalies of the very condition of life that he worked amidst and endeavored to portray that these first efforts were rewarded by very little success and as he will presently show even The Luck of Roaring Camp depended for its recognition in California upon its success elsewhere Hence the critical reader will observe that the bulk of these earlier efforts as shown in the first two volumes were marked by very little flavor of the soil but were addressed to an audience half foreign in their sympathies and still imbued with Eastern or New England habits and literary traditions Home was still potent with these voluntary exiles in their moments of relaxation Eastern magazines and current Eastern literature formed their literary recreation and the sale of the better class of periodicals was singularly great Nor was the taste confined to American literature The illustrated and satirical English journals were as frequently seen in California as in Massachusetts and the author records that he has experienced more difficulty in procuring a copy of Punch in an English provincial town than was his fortune at Red Dog or One Horse Gulch An audience thus liberally equipped and familiar with the best modern writers was naturally critical and exacting and no one appreciates more than he does the salutary effects of this severe discipline upon his earlier efforts

The Luck of Roaring Camp Bret Harte, 2000-01-01 Reading level 2 yellow

This is likewise one of the factors by obtaining the soft documents of this **Luck Of Roaring Camp Other Tales** by online. You might not require more era to spend to go to the books introduction as well as search for them.
