Martin Herzog was one of those people who adamantly opposed any notion of a spiritual life until the day he got a very timely surprise visit by an angel named Dominic. The angel saves his life and takes him on a tour of the spiritual realm and makes it possible for him to see the earth just as angels see it. Martin discovers a world that was twice as crowded a world where angels and demons lived side by side with humans and worked through them to get their work accomplished. Much to his surprise though he finds a world that is heavily dominated by evil forces. He builds up a strong hatred toward demons and accepts to return Dominic's favor by taking on a mission to stop a large development near the village of Estes Park in the state of Colorado. Throughout the eight-month tenure his mission becomes more adventurous. Danger creeps up and surrounds him like a fiery maze. With a threat against his life and the likelihood of being drawn into a nasty war against brutal and viciously organized crime families, will Martin Herzog decide to stay and fight the demons and their human allies or will he return home and leave his mission unfinished?
