

A romantic scene set in a dark, wooded area. A man, dressed in a white shirt and a brown leather vest, is leaning over a woman. The woman is wearing a white, off-the-shoulder dress with a full skirt. They are in a close embrace, about to kiss. The background is filled with the silhouettes of trees and foliage, creating a moody and intimate atmosphere.

What Jesus Learned from Women James F. McGrath, 2021-02-26 Dehumanization has led to serious misinterpretation of the Gospels On the one hand Christians have often made Jesus so much more than human that it seemed inappropriate to ask about the influence other human beings had on him male or female On the other hand women have been treated as less than fully human their names omitted from stories and their voices and influence on Jesus neglected When we ask the question this book does what Jesus learned from women puzzling questions that have frustrated readers of the Gospels throughout history suddenly find solutions Weaving cutting edge biblical scholarship together with an element of historical fiction and a knack for writing for a general audience James McGrath makes the stories of women in the New
