Luke On The High Seas

Tim LaHaye, Jerry B. Jenkins

Luke On The High Seas:

Luke's Story Tim F. LaHaye, Jerry B. Jenkins, 2009 Recounts the life story of the author of the Gospel of Luke from his life as a slave to his university studies as a medical student at Tarsus from his acquaintance with Saul Paul of Tarsus to his ultimate discipleship and decision to write the story of Christ

Luke's Story Tim LaHaye, Jerry B. Jenkins, 2009-02-19 Millions of readers made the Left Behind series bestsellers Now the third in the authors bestselling Jesus Chronicles is available in trade paperback This biblically inspired novel third in the bestselling Jesus Chronicles tells the story of Luke the Gospel writer whose belief was built on the power of faith alone Luke who hadn't met Jesus is skeptical of His miracles until events in his own life irreversibly change him Pledging himself to Christ he begins a Gospel based on the conversion stories of believers and interviews with those who knew Him best the disciples who spent three years with Jesus and most important His mother Mary The result would be a Scripture rich in the miraculous stories of the Lord's divinity intended to appeal to women nonbelievers and the disenfranchised and that would speak to the heart of Christians all over the world

Luke's Portrait of Paul John Clayton Lentz, 1993 The purpose of this book is to seek a fuller understanding of how the characterisation of Paul in Acts would have been perceived by those who first read or heard the Lucan narrative As the author makes clear the careful reader of Acts should be amazed at the way St Paul is portrayed therein Dr Lentz demonstrates through a careful examination of particular texts the great improbability that a Jew of strict Pharisaic background would have held let alone been proud of Roman citizenship and citizenship of the city of Tarsus By investigating the social and legal expectations of the first century the author shows that Paul is seen to be deferred to in matters of legal minutiae by those in positions of authority He is given high social status and abundant moral virtue in order to attract to Christianity the high ranking citizen who would recognise in Paul the classical cardinal virtues

The Other Lola Ripley Jones, 2024-03-12 The sequel to Ripley Jones's unforgettable YA thriller Missing Clarissa The Other Lola is about what happens when the people you love the most are the people you can trust the least In the months after Cam and Blair broke their small hometown's legendary missing girl story and catapulted to accidental fame they vowed never to do it again No more mysteries no more podcasts and no more sticking their heads where they don't belong Until Mattie Brosillard a freshman at their high school shows up on their doorstep begging Cam and Blair for help Mattie's sister Lola disappeared mysteriously five years ago No trace of her was ever found Now she's back but Mattie is convinced the girl who returned is an impostor Nobody believes Mattie's wild story not Mattie's brother not Mattie's mother and not even Cam and Blair But something is definitely wrong in the Brosillard family And Blair has her own reasons for wanting to know what really happened to Lola while she was gone With Cam and Blair still struggling with the aftermath of their first mystery and with new secrets swirling between them the stakes are higher than ever in this can't miss sequel to Missing Clarissa

Lions in the Balance Craig Packer,2015-09-15 From the author of the memoir *Into Africa* a fast paced unsentimental sequel about the Serengeti lions and the politics of protecting them Discover If you are a morani warrior you have your spear at the ready you could be the hero but you will have to wait until the morning light before you can go out and prove yourself If it is a lion you want to be the first to spear it and if the lion turns on you make sure it mauls you on your chest or stomach

on your face shines or throat Any place where you can show your scars with pride show the incontrovertible evidence of courage A scar on your back would be a permanent reminder of cowardice an ineradicable trace of shame Monsters take many forms from man eating lions to the people who hunt them from armed robbers to that midnight knock at the door of a cheap hotel room in Dar es Salaam And celebrated biologist Craig Packer has faced them all Head on With Lions in the Balance Packer takes us back into the complex tooth and claw world of the African lion offering revealing insights into both the lives of one of the most iconic and dangerous animals on earth and the very real risks of protecting them A sequel to his prize winning Into Africa which gave many readers their first experience of fieldwork in Africa of cooperative lions on dusty savannas and political kidnappings on the shores of Lake Tanganyika this new diary based chronicle of cutting edge research and heartbreaking corruption will both alarm and entertain Packer s story offers a look into the future of the lion one in which the politics of conservation will require survival strategies far more creative and powerful than those practiced anywhere in the world today Packer is sure to infuriate millionaires politicians aid agencies and conservationists alike as he minces no words about the problems he encounters But with a narrative stretching from far flung parts of Africa to the corridors of power in Washington DC and marked by Packer s signature humor and incredible candor Lions in the Balance is a tale of courage against impossible odds a masterly blend of science adventure and storytelling and an urgent call to action that will captivate a new generation of readers Praise for Lions in the Balance Lions in the Balance mixes episodes of spy novel intrigue with detailed descriptions of scientific studies and PowerPoint presentations New York Times One of the top books of the year This candid volume is sure to divide opinion but it is far more than a chronicle of Packer s campaigns There are also dozens of surprising facts about the book s heroes the lions and measured commentary on a host of complex issues The book will make you think Geographical **Marine Conservation and International Law** Sarah Louise

Lothian,2022-07-22 This book provides a blueprint for an International Legally Binding Instrument ILBI for the conservation and sustainable use of marine biodiversity beyond national jurisdiction BBNJ The development of an ILBI could signify a pivotal turning point in the law of the sea by addressing regulatory governance and institutional gaps and deficiencies in the existing international law framework for BBNJ This book analyses the essential components an ILBI will require to effectively conserve and sustainably use BBNJ focusing on marine genetic resources areabased management tools environmental impact assessments capacity building and marine technology transfer It investigates potential areas of compromise as the success of an ILBI will rely upon the support of a powerful bloc of maritime States principally the United States the United Kingdom Russia the Netherlands France and Japan The participation of major maritime powers will be critical as it is their nationals corporations and flag vessels that have the financial and technical wherewithal to undertake activities beyond national jurisdiction This bloc of States has historically been the strongest proponent of the Grotian doctrine of freedom of the seas as it aligns with their predominant interest to preserve navigational freedom for their merchant and military fleets Accordingly

this book assesses the extent to which the Grotian doctrine continues to exert influence on the development of the law of the sea and the development of an ILBI Providing a comprehensive overview of this important development in international law this book will be of interest to students lecturers and academics of law of the sea international environmental law and biodiversity law
