Sumartojo,2022-05-12 This book advocates an approach to lighting design that focuses on how people experience illumination Lighting Design in Shared Public Spaces contextualises light dark and lighting design within the settings sensations ideas and imaginaries that form our understandings of ourselves and the world around us The chapters in this collection bring a new perspective to lighting design arguing for an approach that addresses how lighting is experienced understood and valued by people Across a range of new case studies from Australia Germany Denmark and the United Kingdom the authors account for lighting design s crucial role in shaping our dynamic and messy experiential worlds With many turning to innovative ethnographic methodologies they powerfully demonstrate how feelings of comfort safety security vulnerability care and well being can configure in and through how people experience and manipulate light and dark By focusing on how lighting is improvised arranged avoided and composed in relation to the people and things it acts upon the book advances understandings of lighting design by showing how improved experiences of the built environment can result from more sensitive and context specific illumination The book is intended for social scientists who are interested in the lit or sensory world as well as designers architects urban planners and others concerned with how the experience of light dark and lighting might be both better understood and implemented in our shared public spaces *My Passion for Design* Barbra

Streisand,2010-11-16 For nearly six decades Barbra Streisand has been one of the singular figures in American entertainment From the cabaret to the Broadway stage from television and film stardom to her acclaimed work as a director from the recording studio to the concert hall she has demonstrated that the extraordinary voice that launched her career was only one of her remarkable gifts Now in her first book Barbra Streisand reveals another aspect of her talent the taste and style that have inspired her beautiful homes and collections *My Passion for Design* is her account of the creation and construction of her newest home the dream refuge she has longed for since the days when she shared a small Brooklyn apartment with her mother brother and grandparents and a culmination and reflection of her love of American architecture and design from the 18th to the 20th centuries Whether she is seeking an elusive shade of blue for the paneling in a Federal lounge tracking down a contemporary woodworker who was able to recreate the exquisite Greene Greene style or choosing the roses to harmonize with both the interior and exterior of a given room Barbra s perseverance and attention to detail are remarkable and remarkably engaging She is a wonderfully witty storyteller as well as a knowledgeable and charming guide

My Passion for Design contains not only Barbra's own photographs of the rooms she has decorated the furniture and art she has collected and the ravishing gardens she has planted on her land on the California coast but memories of her childhood and insights into the development of her own sense of style The millions of fans who have cherished her voice as a singer will find that she has an equally inimitable and compelling voice as a writer Here is a rare and intimate private tour of the world of one of our most beloved stars which will be welcomed by her fans and all lovers of the great achievements of American design

Handel Romain Rolland, 2015-12-22 Rolland's biography attempts to provide an overview of Handel's life and works from his early lessons in music to the classical context in which he is commonly placed Originally published in English in 1916 Hull's translation gives an insight into biographical facts and the musical pieces composed by Handel including his operas oratorios and chamber music This title will be of interest to students of music and musical history *Handel* Romain Rolland, 1916

Dissolve into Comprehension Jack Burnham, 2023-08-15 Influential writings by the legendary art critic and theorist Jack Burnham a pioneer in new media systems aesthetics and an early advocate of conceptualism Jack Burnham is one of the few critics and theorists alive today who can claim to have radically altered the way we think about works of art Burnham's use of the term system borrowed from theoretical biology in his 1968 essay System Aesthetics announced the relational character of conceptual art and newer research based projects Trained as an art historian Burnham was also a sculptor His first book Beyond Modern Sculpture 1968 established him as a leading commentator on art and technology A postformalist pioneer an influential figure in new media art history an early champion of conceptual and ecological art and the curator of the first exhibition of digital art Burnham is long overdue for reevaluation This book offers that opportunity by collecting a substantial and varied selection of his hard to find texts some published here for the first time Although Burnham left the art world abruptly in the 1990s his visionary theoretical ideas have only become more relevant in recent years This collection seeks to restore Burnham to his rightful place in art criticism and theory reestablishing his voice as crucial to critical conversations of the period It gathers his early writing on sculpture his essays on systems art and conceptualism his views of the New York art world and his later occult work including an unorthodox interpretation of Marcel Duchamp's work that draws on the Kabbalah

The Collected Essays and Criticism, Volume 4 Clement Greenberg, 1986 Clement Greenberg is widely recognized as the most influential and articulate champion of modernism during its American ascendancy after World War II the period largely covered by these highly acclaimed volumes of The Collected Essays and Criticism Volume 3 Affirmations and Refusals presents Greenberg's writings from the period between 1950 and 1956 while Volume 4 Modernism with a Vengeance gathers essays and criticism of the years 1957 to 1969 The 120 works range from little known pieces originally appearing in Vogue and Harper's Bazaar to such celebrated essays as The Plight of Our Culture 1953 Modernist Painting 1960 and Post Painterly Abstraction 1964 Preserved in their original form these writings allow readers to witness the development and direction of Greenberg's criticism from his advocacy of abstract expressionism to his

enthusiasm for color field painting With the inclusion of critical exchanges between Greenberg and F R Leavis Fairfield Porter Thomas B Hess Herbert Read Max Kozloff and Robert Goldwater these volumes are essential sources in the ongoing debate over modern art For each volume John O Brian has furnished an introduction a selected bibliography and a brief summary of events that places the criticism in its artistic and historical context *The National quarterly review, ed. by E.I.  1369 1562 Robert H Hobart Cust delves into the fascinating world of Sienese pavement artistry illuminating a significant yet
 often overlooked aspect of Renaissance cultural heritage Cust meticulously chronicles the evolution of pavement design in
 Siena employing a rich literary style that interweaves historical narratives with intricate analyses of artistic techniques His
 examination extends beyond mere aesthetics exploring socio political influences and the artisans roles within the fabric of
 Sienese society offering valuable insights into the period s artistic priorities and communal identities Cust a distinguished art
 historian with a profound understanding of Renaissance art brilliantly synthesizes extensive archival research with
 contemporary art historical theories His expertise in Italian cultural practices and his passionate involvement with art
 interpretation and preservation culminate in this work reflecting his commitment to elevating lesser known artists and their
 contributions to the Renaissance The author s scholarly background lends authority to his narrative making it an essential
 resource for understanding the complex interplay between art and society during this transformative era This book is highly
 recommended for students scholars and enthusiasts of Renaissance art and cultural history Cust s thorough research and
 engaging prose offer valuable perspectives not only on Sienese pavements but also the wider artistic currents of the late
 medieval and early modern periods Readers will emerge with a deeper appreciation for the artistry that paved the streets of
 Siena and enriched its cultural landscape *Cubism* Guillaume Apollinaire,Dorothea Eimert,2023-12-28 Les Demoiselles d
 Avignon five young women that changed modern art forever Faces seen simultaneously from the front and in profile angular
 bodies whose once voluptuous feminine forms disappear behind asymmetric lines with this work Picasso revolutionised the
 entire history of painting Cubism was thus born in 1907 Transforming natural forms into cylinders and cubes painters like
 Juan Gris and Robert Delaunay led by Braque and Picasso imposed a new vision upon the world that was in total opposition to
 the principles of the Impressionists Largely diffused in Europe Cubism developed rapidly in successive phases that brought
