of the Crime Steve Braunias, 2015-11-01 Twelve extraordinary tales of crime and punishment a collection of true crime writing by New Zealand's award winning master of non fiction A court is a chamber of questions Who when why what happened and exactly how these are issues of psychology and the soul they're general to the human condition with its infinite capacity to cause pain A brutal murder of a wife and daughter A meth fuelled Samurai sword attack A banker tangled in a hit and run scandal A top cop accused of rape A murder in the Outback A beloved entertainer's fall from grace In the hands of award winning journalist and author Steve Braunias these and other extraordinary cases become more than just courtroom dramas and sensational headlines They become a window onto another world the one where things go badly wrong where once invisible lives become horrifyingly visible where the strangeness just beneath the surface is revealed Acutely observed brilliantly written and with the Mark Lundy case as its riveting centrepiece this collection from the courts and criminal files of the recent past depicts a place we rarely enter but which exists all around us *Report of the Chief of Engineers U.S.*
