The Lure of Saints Jon M. Sweeney, 2005 This guide includes profiles of ancient medieval and modern figures East and West the sublime and the unusual with special chapters exploring the differences between Catholic and Protestant imaginations ancient spiritual practices of relating to saints miracles apparitions stigmata and more Butler's Lives of the Saints: Concise, Modernized Edition Bernard Bangley, 2012-01-01 There is no greater authority on the saints than Alban Butler and his enormous research has been the standard reference on the subject for the last two and a half centuries This new adaptation of Butler's multi volume *Lives of the Saints* presents a modernized text for today's reader and provides an illuminating guide to these historic symbolic and foundational Christian men and women Butler's daily readings from the lives and works of the saints offer readers of all backgrounds the opportunity to engage directly with these great figures Butler's distinctive contribution to stories about saints was to turn attention away from the superhuman miraculous themes that are prevalent in earlier works He gives us saints who are examples of Christian living who provide inspiration for our own lives in every time and circumstance As Butler writes They were once what we are now travelers on earth They had the same weaknesses we have We have difficulties so had the saints Important features of this version include mention of recently canonized saints as well as those whose path to official sainthood is still in progress Also included in the daily readings are more obscure saints whose lives and contributions to Christianity should not be forgotten **Born Again and Again** Jon M. Sweeney, 2005 With a remarkable range of experiences Sweeney writes with warmth and affection for the faith he has left behind And he offers wise reflections on those aspects of fundamentalism that all Christians might learn from

Towards a Christian Theology of African Ancestors Thomas Ochieng Otanga, 2023-04-21 This book examines the similarities and relationship between Christian saints and African ancestors Further it analyzes the deep cultural roots of African peoples and the ancestral frame as a point of departure for developing an indigenous African theology Questions dealt with include Does the conversion of Africans to Christianity require a break with their African cultural heritage Who is an African ancestor Is syncretism a good thing for an African Christian What contribution can the African church make to the universal church The author argues that rather than being antithetical to formal Christianity an African Christian theology of ancestors is an example of how an indigenous African tradition can best express Christianity as well as make considerable impact on world Christianity Ordinary Saints Stuart C. Devenish, 2017-03-08 How does God manifest himself in the world Through the righteous lives of his holy people the saints As a religion of witnesses Christianity is dependent upon its saints defined as activated disciples to testify to the grace of Christ and the kingdom of God Their lives are walking billboards of the value of Jesus teaching and authenticity of Christianity as an ancient spiritual pathway This is a book about saints who are alive now and whose everyday acts of kindness and goodness announce that God is at work in the world Like Jesus their Master they are the message the messenger and the working model of the kingdom of God in a lesser key In following Jesus

ordinary saints are willing to give away their lives in order to convey the substance of their faith to a watching world If ever there was a time when saints need to live courageously for Christ in the world it is now But it will take conviction credibility and a great deal of audacity Ordinary Saints explores what it means to be a saint in the twenty first century by exploring the depth dimensions of saints lives bodies emotions values and relationships **Spiritual Writings on Mary** Mary

Hahn,2014-05-27 Angels and saints Catholics tend to think of them as different from the rest of us They re cast in plaster or simpering on a holy card performing miracles with superhero strength or playing a harp in highest heaven Yet they are very near to us in every way In this lively book Scott Hahn dispels the false notions and urban legends people use to keep the saints at a safe distance The truth is that Jesus Christ has united heaven and earth in a close communion Drawing deeply from Scripture Dr Hahn shows that the hosts of heaven surround the earthly Church as a great cloud of witnesses The martyrs cry out from heaven s altar begging for justice on the earth The prayers of the saints and angels rise to God in the Book of Revelation like the sweet aroma of incense Dr Hahn tells the stories of several saints and several angels too in a way that s fresh and new The saints are spiritual giants but with flesh and blood reality They have strong holy ambitions and powerful temptations and opposition that must be overcome Their stories are amazing and yet familiar enough to motivate us to live more beautiful lives In this telling of their story the saints are neither otherworldly nor this worldly They exemplify the integrated life that every Christian is called to live Still their lives are as different from one another as human lives can be Dr Hahn shows the heavenly Church in all its kaleidoscopic diversity from Moses to Mary Augustine to Therese and the first century to the last century Only saints will live in heaven We need to be more like the saints if we want to live in heaven someday Dr Hahn shows us that our heavenly life can begin now It must **An Inner Step Toward God** April

French,2014-03-01 According to Father Alexander Men 1935 1990 the Russian Orthodox priest and popular spiritual teacher who was publicly martyred in 1990 in the former USSR prayer is the flight of the heart toward God This work available for the first time in English is a collection of his writings lectures and sermons on prayer You will discover both ancient and modern wisdom and you will see how one Eastern Orthodox priest taught his parishioners to pray **Alive in God** Timothy Radcliffe,2019-10-03 How can Christianity touch the imagination of our contemporaries when ever fewer people in the West identify as religious Timothy Radcliffe argues we must show how everything we believe is an invitation to live fully God says I put before you life and death choose life Anyone who understands the beauty and messiness of human life novelists poets filmmakers and so on can be our allies whether they believe or not The challenge is not today s secularism but its banality We accompany the disciples as they struggle to understand this strange man who heals casts out demons and offers endless

forgiveness In the face of death he teaches them what it means to be alive in God Then he embraces all that afflicts and crushes humanity Finally Radcliffe explores what it means for us to be alive spiritually physically sacramentally justly and prayerfully The result is a compelling new understanding of the words of Jesus I came that they may have life and have it abundantly
