**John M. Headley, Hans J. Hillerbrand**

## **Luther And The German Reformation 1517 55:**

*Luther and the German Reformation, 1517-55* Keith Randell, 1993      Access to History: Luther and the German Reformation 1517-55 3ed Keith Randell, Russel Tarr, 2008-06-27 The Access to History series is the most popular and trusted series for AS and A level history students combining all the strengths of this well loved series with features that allow all students access to the content and study skills needed to achieve exam success Features include AS questions and exam tips Definitions of key terms Summaries of key historical debates This edition has been thoroughly revised to meet the needs of the 2008 AS specifications for OCR and Edexcel It examines the background to the German Reformation and the factors which led to it It then goes on to analyse the ideas and influence of Luther how his ideas spread within and beyond Germany and the political and religious context in which these changes took place Throughout the book key dates terms and issues are highlighted and historical interpretations of key debates are outlined Summary diagrams are included to consolidate knowledge and understanding of the period and exam style questions and tips written by examiners for the OCR and Edexcel exam specifications provide the opportunity to develop exam skills      **Access to History: Luther and the Reformation in Europe 1500-64 Fourth Edition** Russel Tarr, Keith Randell, 2015-07-10 Exam Board AQA Edexcel OCR WJEC Level A level Subject History First Teaching September 2015 First Exam June 2016 Give your students the best chance of success with this tried and tested series combining in depth analysis engaging narrative and accessibility Access to History is the most popular trusted and wide ranging series for A level History students This title Supports the content and assessment requirements of the 2015 A level History specifications Contains authoritative and engaging content Includes thought provoking key debates that examine the opposing views and approaches of historians Provides exam style questions and guidance for each relevant specification to help students understand how to apply what they have learnt This title is suitable for a variety of courses including AQA The Reformation in Europe c1500 1564 Edexcel Luther and the German Reformation c 1515 55 OCR The German Reformation and the rule of Charles V 1500 1559      **The Richest Man Who Ever Lived** Greg Steinmetz, 2015-08-04 A colorful introduction to one of the most influential businessmen in history The New York Times Book Review Jacob Fugger the Renaissance banker who wrote the playbook for everyone who keeps score with money Bryan Burrough author of Days of Rage In the days when Columbus sailed the ocean and Da Vinci painted the Mona Lisa a German banker named Jacob Fugger became the richest man in history Fugger lived in Germany at the turn of the sixteenth century the grandson of a peasant By the time he died his fortune amounted to nearly two percent of European GDP In an era when kings had unlimited power Fugger dared to stare down heads of state and ask them to pay back their loans with interest It was this coolness and self assurance along with his inexhaustible ambition that made him not only the richest man ever but a force of history as well Before Fugger came along it was illegal under church law to charge interest on loans but he got the Pope to change that He also helped trigger the Reformation and likely funded Magellan s circumnavigation of the globe His

creation of a news service gave him an information edge over his rivals and customers and earned Fugger a footnote in the history of journalism And he took Austria's Habsburg family from being second tier sovereigns to rulers of the first empire where the sun never set Enjoyable readable and fast paced The Wall Street Journal The Richest Man Who Ever Lived is more than a tale about the most influential businessman of all time It is a story about palace intrigue knights in battle family tragedy and triumph and a violent clash between the one percent and everybody else The tale of Fugger's aspiration ruthlessness and greed is riveting The Economist

History+ for Edexcel A Level: Religion and the state in early modern Europe Robin Bunce, Sarah Ward, Christine Knaack, 2015-09-04 Exam Board Edexcel Level AS A level Subject History First Teaching September 2015 First Exam June 2016 Endorsed for Edexcel Enable your students to develop high level skills in their Edexcel A level History breadth and depth studies through expert narrative and extended reading including bespoke essays from leading academics Build a strong understanding of the period studied with authoritative well researched content written in an accessible and engaging style Ensure continual improvement in students essay writing interpretation and source analysis skills using practice questions and trusted guidance on successfully answering exam style questions Encourage students to undertake rolling revision and self assessment by referring to end of chapter summaries and diagrams across the years Help students monitor their progress and consolidate their knowledge through note making activities and peer support tasks Provide students with the opportunity to analyse and evaluate works of real history with specially commissioned historians essays and extracts from academic works on the historical interpretations This title has complete coverage of the following units in Edexcel's specification England 1509 1603 authority nation and religion Luther and the German Reformation c1515 55 The Dutch Revolt c1563 1609

**The Devil's Doctor** Philip Ball, 2006-04-18 A vibrant original portrait of a man of contradictions the Renaissance era Swiss father of modern medicine Publishers Weekly starred review Philippus Aureolus Theophrastus Bombast von Hohenheim who called himself Paracelsus stands at the cusp of medieval and modern times A contemporary of Luther an enemy of the medical establishment a scourge of the universities an alchemist an army surgeon and a radical theologian he attracted myths even before he died His fantastic journeys across Europe and beyond were said to be made on a magical white horse and he was rumored to carry the elixir of life in the pommel of his great broadsword His name was linked with Faust who bargained with the devil Who was the man behind these stories Some have accused him of being a charlatan a windbag who filled his books with wild speculations and invented words Others claim him to be the father of modern medicine Philip Ball exposes a more complex truth in The Devil's Doctor one that emerges only by entering Paracelsus's time He explores the intellectual political and religious undercurrents of the sixteenth century and looks at how doctors really practiced at how people traveled and at how wars were fought For Paracelsus was a product of an age of change and strife of renaissance and reformation And yet by uniting the diverse disciplines of medicine biology and alchemy he assisted almost despite himself in the birth of science and the emergence of

the age of rationalism Praise for The Devil's Doctor An enlivening portrait that will spark interest in Paracelsus's role in the rise of science Booklist A true iconoclast Paracelsus inhabited an ideological landscape somewhere between the medieval and the modern Ball effectively places Paracelsus in the larger context of Renaissance magic and philosophy and of a turbulent period Worth the effort Kirkus Reviews

**Islam in its International Context** Chris Flood, Stephen Hutchings, Galina Miazhevich, 2011-05-25 Changing attitudes to Islam profoundly influence political cultures and national identities as well as policies regarding immigration security and multiculturalism Given that the majority of relevant scholarly works have either adopted monocultural perspectives or approached Islam in its general non nation specific dimension the need for in depth multi nation studies is urgent Islam itself and responses to its rise are becoming increasingly internationalised It is therefore important that analyses of Islam related phenomena are sensitive to the particular cultures in which they are encountered This volume does precisely that Contributions some explicitly comparative others implicitly so cover perspectives from across Europe the USA and the Middle East along with new treatments of the rich diversity to be found in Islamic art and discussions of inter faith exchanges They also represent a range of disciplinary approaches Among the many issues addressed are the challenges posed by the rise of Muslim radicalism to multicultural societies various media treatments of the War on Terror the national specificities of Islamophobic xenophobia contemporary visual arts in Islamic societies differing attitudes to the translation of religious texts The authors include authoritative international experts balanced by promising younger scholars

**History of the Christian Church: The Reformation, 1517-1648** George Herbert Dryer, 1903 A History of the Reformation: The reformation in Germany from its beginning to the religious peace of Augsburg Thomas Martin Lindsay, 1906

**A History of Modern Europe from the Capture of Constantinople by the Turks to the Treaty of Berlin, 1878** Sir Richard Lodge, 1890

**Antifraternalism and Anticlericalism in the German Reformation** Geoffrey Dipple, 2016-12-05 Many of the leading figures of the Reformation and many of their most able opponents came from among the ranks of the Franciscan Order This Order became the focus of attack in a pamphlet war waged against it in 1523 by converts to the Reformation These criticisms were based on arguments by Luther in his Judgement on Monastic Vows and the pamphlets provided an important channel for these views Luther's arguments were also reinforced by criticisms of the mendicant orders drawn from medieval polemical and satirical literature The campaign of 1523 brought together both Reformation and pre Reformation anticlerical themes In this book Geoffrey Dipple looks at the perception of the Franciscan order in the 15th and 16th centuries placing the attacks firmly in the context of late medieval inter clerical rivalries He looks particularly at the anticlerical polemics of one of the primary participants Johann Eberlin von G nzburg the most vocal of the Franciscan's critics

**The Routledge History of the Devil in the Western Tradition** Richard Raiswell, Michelle D. Brock, David R. Winter, 2025-05-29 Covering a period of 2000 years this book offers an interdisciplinary exploration of the devil's role in the Western tradition and draws from history religion art literature media

studies and anthropology to provide a multifaceted view of the devil over time The Routledge History of the Devil in the Western Tradition examines topics such as the devil s scriptural origins medieval development and role in witch hunting and possession cases as well as the influence of the demonic on contemporary issues like terrorism political polarisation and digital culture Collectively this volume demonstrates that the demonological imagination has served as part of the glue holding Western societies together While contexts misfortunes and anxieties have shifted according to time and place many of the dynamics that underlie the devil s construction and detection have important continuities This book then provides an innovative history of the anti West the West as seen through its anxieties fears and attempts to define and police itself and its boundaries With contributions from 28 leading scholars in the field this volume is of interest to all students and scholars of the devil in the Western world      **Modern Christianity. The German Reformation** Philip Schaff,1910

**Confessionalization in Europe, 1555-1700** John M. Headley,Hans J. Hillerbrand,2017-03-02 Confessionalization in Europe 1555 1700 brings together a closely focused set of essays by leading scholars from the USA UK and Europe in memory of Bodo Nischan They address what historians of the Early Modern period have recently come to define as the pre eminent issue in the history of the Reformation as they turn their emphases from the earlier part of the 16th century to the relatively neglected latter half of the century By the time of his death Bodo Nischan had distinguished himself as a significant contributor to this central problem of confessionalization The concept involves the practice of confession building which in relation to that of social disciplining promoted interrelated processes contributing decisively to the formation of confessional churches greater social cohesion and the emergence of the Early Modern absolute state Many religious practices earlier considered as adiaphora indifferent matters now became treated as marks of demarcation between the emerging Protestant confessional churches and at the same time politicized as the early modern state sought to impose greater social control Through the analysis of such liturgical ritual and ceremonial practices Nischan helped show the way towards a better understanding of the Reformation s engagement with the people These are the themes treated in this volume      **History of the Christian Church: Modern Christianity: the German reformation, 1517-1530** Philip Schaff,1910      History of the Christian Church Philip Schaff,1888      Pocket Dictionary of the Reformed Tradition Kelly M. Kopic,Wesley Vander Lugt,2013-05-02 The Pocket Dictionary of the Reformed Tradition offers brief and accurate definitions of approximately three hundred key people movements and ideas that make up the Reformed tradition Beginners will find here a friendly guide through the thicket of terms and ideas encountered in Reformed theology and history      Pastors and Parishioners in Württemberg During the Late Reformation, 1581-1621 Bruce Tolley,1995 In recent decades research on the impact of the Reformation on popular religious life in Germany has sparked a controversy challenging the traditional assumption that Protestantism had a deep and lasting effect on all levels of sixteenth century life This study uses previously neglected archival sources the records of the Wurttemberg church visitations over a forty year period to investigate various areas of

church life touched on by the debate The author examines the social and cultural nature of the pastorate as a professional group areas of conflict and agreement between representatives of the official church and the parishioners the nature of the church visitations and the standards and expectations of the visitors concerning lay religious life and discipline Church visitations were conducted to inform higher ecclesiastical authorities about the conditions of religious life in individual parishes The visitors interviewed and reported on members of the community from all walks of life pastor mayor schoolmaster folk healer shepherd and in some cases village drunk The visitations were used to discipline the clergy and laity through exhortations warnings fines and in rare cases imprisonment The author shows that the system of penalties sanctions and persuasions had only mixed success in inhibiting un-Christian behavior When the church's interest in discipline coincided with the interest of village groups in restraining profligacy or laxity the church had greater success The Wurttemberg records reveal that parishioners showed only moderate zeal in attending the principal Sunday morning service and that weekday and Sunday afternoon services were poorly attended For communion many of the laity seem to have felt that an annual participation at Easter services fulfilled their religious obligation Young people and single adults appeared most often negligent in their attendance at church sometimes because of the demands of seasonal agriculture but more often because of general indifference to the church or active resistance to the church's efforts to discipline such festive pastimes as dancing and berry picking In the process of investigating the relationship between parishioners and the state church the author presents information on the clergy's social and geographic origins education and culture and economic conditions He analyzes the attitudes and behavior surrounding popular religious practices and evaluates the church's attempts to reform and regulate family life and social mores

*The Survival of Dulles* Michael M. Canaris, 2021-08-17 This collection marking the centenary of Avery Dulles's birth makes an entirely distinctive contribution to contemporary theological discourse as we approach the second century of the cardinal's influence and the twenty first of Christian witness in the world Moving beyond a festschrift the volume offers both historical analyses of Dulles's contributions and applications of his insights and methodologies to current issues like immigration exclusion and digital culture It includes essays by Dulles's students colleagues and peers as well as by emerging scholars who have been and continue to be indebted to his theological vision and encyclopedic fluency in the ecclesiological developments of the post conciliar Church Though focused more on Catholic and ecumenical affairs than interreligious ones the volume is intentionally outward facing and strives to make clear the diverse and pluralistic contours of the cardinal's nearly unrivaled impact on the North American Church which truly crossed ideological denominational and generational boundaries While critically recognizing the limits and lacunae of his historical moment it serves as one among a multitude of testaments to the notion that the ripples of Avery Dulles's influence continue to widen toward intellectually distant shores

**A History of the Reformation** Thomas Martin Lindsay, 1906
