The Lutterworth Tapestry Lynda Jones, Roz Bailey, 2000 **The Tapestry of Early Christian Discourse** Vernon K. Robbins, 2002-11-01 This study establishes a concept of culture and then combines it with Geertz anthropological concept of thick description Subsequently the relation of texts to society and culture is discussed In this manner multiple methods of interpretation are used in an organized and programmatic way allowing the reader insights into the development of early Christianity In this study Vernon Robbins expounds and develops his system of socio rhetorical criticism bringing together social scientific and literary critical approaches to explore early Christianity This book investigates Christianity as a cultural phenomenon and treats its canonical texts as ideological constructs **The Bayeux Tapestry** John F. Szabo, Nicholas E. Kuefler, 2015-06-18 Commanding its own museum and over 200 years of examination observation and scholarship the monumental embroidery known popularly as the Bayeux Tapestry and documenting William the Conqueror s invasion of England in October 1066 is perhaps the most important surviving artifact of the Middle Ages This magnificent textile both celebrated and panned is both enigmatic artwork and confounding historical record With over 1780 entries Szabo and Kuefler offer the largest and most heavily annotated bibliography on the Tapestry ever written Notably the Bayeux Tapestry has produced some of the most compelling questions of the medieval period Who commissioned it and for what purpose What was the intended venue for its display Who was the designer and who executed the enormous task of its manufacture How does it inform our understanding of eleventh century life And who was the mysterious Aelfgyva depicted in the Tapestry s main register This book is an effort to capture and describe the scholarship that attempts to answer these questions But the bibliography also reflects the popularity of the Tapestry in literature covering a surprisingly broad array of subjects The inclusion of this material will assist future scholars who may study references to the work in contemporary non fiction and popular works as well as use of the Bayeux Tapestry as a primary and secondary source in the classroom The monographs articles and other works cited in this bibliography reflect dozens of research areas Major themes are the Tapestry as a source of information for eleventh century material culture its role in telling the story of the Battle of Hastings and events leading up to the invasion patronage of the Tapestry biographical detail on known historical figures in the Tapestry arms and armor medieval warfare strategy and techniques opus anglicanum the Anglo Saxon needlework tradition preservation and display of the artifact the Tapestry s place in medieval art the embroidery s depiction of medieval and Romanesque architecture and the life of the Bayeux Tapestry itself [Graham Sutherland](#) Rosalind Thuillier, 2015-05-28 A compelling biographical study of a leading twentieth century British artist Graham Sutherland Life Work and Ideas offers new insight into how he and his paintings developed In the culmination of her life s work Rosalind Thuillier builds on the reflections and recollections of a friendship spanning decades to craft a comprehensive study of Sutherland s life and works interweaving his perceptive responses to his own art taken from personal notes and correspondence with critical reviews and collectors musings to give

an authentic picture of the man whose work divided critics Drawing on Sutherland's personal archive the book includes an expansive collection of images that provide a fresh view of the artist Studies by Sutherland along with preparatory works for what would become renowned paintings are published for the first time Graham Sutherland's distinctive style and the emotions that shaped the paintings are here vividly explored Thuillier describes not only the inspiration he found in the windswept Pembrokeshire countryside but also his time as an official war artist and his friendships inside and outside the art world She expertly details the process behind the creation of works such as the controversial portrait of Churchill 1954 subsequently destroyed and his most famous work the huge Christ in Glory in the Tetramorph tapestry 1962 in Coventry Cathedral Graham Sutherland Life Work and Ideas is not merely a biography but a journey behind the scenes of the artist's career exploring the paintings relationships and influences that formed his vision as an artist and his undeniable contribution to art

Inventing the Middle Ages Norman Cantor, 2023-06-29 The Middle Ages in our cultural imagination are besieged with ideas of wars tournaments plagues saints and kings knights lords and ladies In his era defining work Inventing the Middle Ages Norman Cantor shows that these presuppositions are in fact constructs of the twentieth century Through close study of the lives and works of twenty of the twentieth century's most prominent medievalists Cantor examines how the genesis of this fantasy arose in the scholars' spiritual and emotional outlooks which influenced their portrayals of the Middle Ages In the course of this vigorous scrutiny of their scholarship he navigates the strong personalities and creative minds involved with deft skill Written with both students and the general public in mind Inventing the Middle Ages provided an alternative framework for the teaching of the humanities Revealing the interconnection between medieval civilisation the culture of the twentieth century and our own assumptions Cantor provides a unique standpoint both forwards and backwards As lively and engaging today as when it was first published in 1991 his analysis offers readers the core essentials of the subject in an entertaining and humorous fashion

The Liminal Loop Timothy L. Carson, 2022-02-24 Recent and current crises in health ecology society and spirituality have lent the whole arena of liminality a new urgency and relevancy Those who traverse the great transitions are rediscovering new ways of interpreting life through the liminal lens a way to make sense of the great voluntary and unchosen transitions that characterize modern life This anthology provides a unique overview of liminality as it gathers a diverse coterie of authors disciplines and contexts to explore its many facets Distinct in its interdisciplinary approach The Liminal Loop serves as an important source book for general readers teachers students artists counselors spiritual guides and social transformers From liminal poetry and musical traditions to the strange vertical world of the rock climber The Liminal Loop explores the swirling chaos on the other side of critical thresholds and suggests a pathway through the daunting middle passages of the in between With what can only be described as courage the many authors of this collection dare to look uncertainty in the eye knowing that this is a necessary journey and that it is better to travel with a common band of pilgrims than to go it alone

Hand this man over to Satan' David Raymond

Smith,2009-04-13 1 Corinthians 5 5 is a curious passage which has been variously interpreted by scholars For some it denotes a magical curse which is designed to cause the physical death of the sinner Others have found such an interpretation unpersuasive Instead they maintain that Paul s words at verse five are to be understood as a metaphor for exclusion from the Corinthian community So the errant Corinthian is not to die by a curse but is to be excluded This work argues for the former interpretation by marshalling a range of the most recent specialised magical material which has not been considered by other works in relation to 1 Corinthians 5 It fully acknowledges the weaknesses of previous magical interpretations and metaphorical approaches to the passage Instead it presents a fresh magical reading of not only 1 Corinthians 5 5 but the whole of 1 Corinthians 5 within its wider context of the apostle Paul s letter to the Corinthians *Obeah, Christ and Rastaman* Ivor Morrish,2022-10-27 This is a book about an extraordinarily rich and varied culture a culture in which most of the religio political movements of the world are to be found epitomised in some form In tracing the Jamaican people s search for an identity through these movements this book places the modern cult of Rastafarianism in the broadest of historical contexts Obeah Christ and Rastaman reflects the author s careful scholarly approach his delight in a fascinating colourful subject and his deep humane regard for a people who have over the years suffered incredible degradation and suppression

Greening the Children of God Chad Michael Rimmer,2021-01-01 Greening the Children of God uncovers the theological roots of the growing ethical imperative to reconnect children to their natural environment In their different traditions theologians environmental educators and psychologists all affirm that knowing their place in the natural environment helps a child develop an intersubjective ecological identity that nurtures virtues of mutuality and care During the Scientific Revolution this ethical harmony was threatened as science and moral theology began to adopt different epistemological methods something the Anglican priest and poet Thomas Traherne was all too aware of Traherne insisted that education should promote a child s attention to the moral dimensions woven into the tapestry of creation and professed that play wonder and a sensory relationship to diverse creatures play a pedagogical role in a child s moral formation Greening the Children of God establishes the contemporary significance of Traherne s moral theory in conversation with child psychologists educators philosophers and theologians who know that cultivating a place based relationship to the local ecology helps children perceive creation s deep mutuality and develop a moral identity in the image of a caring Creator

Crossing Thresholds Timothy L. Carson,Rosy Fairhurst,Nigel Rooms,Lisa R. Withrow,2021-01-28 We live in an age of enormous and rapid change but how do people organisations even whole cultures and societies change And where is God in such transformations For more than a hundred years anthropology has taught us that entering a chaotic awesome and fraught threshold or liminal space is fundamental to our renewal as human beings Yet none of us goes willingly into such places We need to be held in liminal movement so that it is safe enough to change Crossing Thresholds is the first interdisciplinary theological treatment of the universal phenomenon of liminality Developing practical wisdom from foundations in

the work of Victor Turner Donald Winnicott and Bruce Reed the authors explore the place of liminality in the worship mission and hermeneutics of the Church and reflect on its usefulness to a wide range of Christian practice For all those who strive to think theologically about the great transitions of life this comprehensive work offers unique insight into what it is to safely cross the threshold of chaos and embrace the future with courage **Pillars in the History of Biblical Interpretation,**

Volume 1 Stanley E. Porter, Sean A. Adams, 2016-08-17 This two volume set is part of a growing body of literature concerned with the history of biblical interpretation The ample introduction first sets key players into the story of the development of the major strands of biblical interpretation since the Enlightenment identifying how different theoretical and methodological approaches are related to each other and describing the academic environment in which they emerged and developed Volume 1 contains fourteen essays on twenty two interpreters who were principally active before 1980 and volume 2 has nineteen essays on twenty seven of those who were active primarily after this date Each chapter provides a brief biography of one or more scholars as well as a detailed description of their major contributions to the field This is followed by an often new application of the scholar s theory By focusing on the individual scholars and their work the book recognizes that interpretive approaches arise out of certain circumstances and that scholars are influenced by and have influences upon both other interpreters and the times in which they live This set is ideal for any class on the history of biblical interpretation and for those who want a greater understanding of how the current field of biblical studies developed [Archaeologies of the Middle East](#)

Susan Pollock, Reinhard Bernbeck, 2009-02-09 Archaeologies of the Middle East provides an innovative introduction to the archaeology of this fascinating region and a window on both its past and present Written by some of the top archaeologists of the Middle East scholars from diverse backgrounds with a wide range of interests and intellectual approaches Coverage spans 100 000 years from the Paleolithic to Hellenistic times Explores the connections between modern day politics and the social context of archaeological practice and various underutilized approaches to archaeological interpretation Designed for student use **Pillars in the History of Biblical Interpretation, Volume 2** Stanley E.

Leadership and Calling Through the Prism of Scripture Fred Wantante Settuba-Male,Gia R. Tatone,2023-10-28 This volume offers phenomenological studies that examine the lived experiences of biblical leaders emphasizing external summons and a prosocial intention while offering suggestions for future research Part 1 focuses on various aspects of divine calling and leadership covering topics such as the calling of biblical prophets like Jeremiah and Samuel and the downfall of Solomon Part 2 explores successful biblical leadership and followership from a qualitative phenomenological lens analyzing the experiences of Abraham Paul and Samson Part 3 presents both positive and negative portrayals of biblical leadership demonstrating how both types can lead to social justice outcomes Presenting a Christian perspective of the relationship between the leaders and their sense of calling this book employs a phenomenological approach to investigate the significance of various aspects of God s calling such as the leader s discernment of the calling predictors of a leader s calling the social cultural influences of the calling the relationship between personality traits and calling and the evolution of a leader s calling This book will contribute to scholarly discussions related to meaningful work workplace satisfaction employee engagement and responsible leadership

First work in English: grammar and composition taught by a comparative study of equivalent forms Alexander Falconer Murison,1875

Jesus and the Temple Simon J. Joseph,2016-01-08 Most Jesus specialists agree that the Temple incident led directly to Jesus arrest but the precise relationship between Jesus and the Temple s administration remains unclear Jesus and the Temple examines this relationship exploring the reinterpretation of Torah observance and traditional Temple practices that are widely considered central components of the early Jesus movement Challenging a growing tendency in contemporary scholarship to assume that the earliest Christians had an almost uniformly positive view of the Temple s sacrificial system Simon J Joseph addresses the ambiguous inconsistent and contradictory views on sacrifice and the Temple in the New Testament This volume fills a significant gap in the literature on sacrifice in Jewish Christianity It introduces a new hypothesis positing Jesus enactment of a program of radically nonviolent eschatological restoration an orientation that produced Jesus conflicts with his contemporaries and inspired the first attributions of sacrificial language to his death

The Rhetorical Function of the Book of Ezekiel Thomas Renz,2014-09-03 This study analyses the book of Ezekiel as a tool of communication arguing that the book was designed to shape the self understanding of the exilic community A discussion of the historical context precedes a chapter that deals with the basic thrust and literary arrangement of Ezekiel A detailed examination of individual rhetorical techniques use of the watchman motif legal traditions emotional language and others and of crucial passages especially 24 15 27 and 37 1 14 follows The final chapter explores the book s suitability for the

situation for which it was designed This work gives readers the opportunity to study the book of Ezekiel as a whole and to explore some of its intricacies Its methodology is an example of the fruitful integration of traditional critical methods and more recent literary and sociological approaches This publication has also been published in paperback please click here for details
