Anderson, Kenneth W. McDonald, 2019-05-15 Pursuing the Honorable argues that our modern understanding of honor as seen through example of today's military training is deficient To remedy this the book returns to an understanding of the honorable good especially manifested for philosophers like Aristotle and Cicero in a life of the human virtues However because honor as defined by the honorable good needs to be applicable to the 21st Century occidental world of liberal democratic values the study includes careful attention to those conditions under which honor can once again become a live option While special attention is given to military training including concrete proposals for its renewal what the study discovers extends to many forms of human life **The Greatest Navy SEAL Stories Ever Told** Laurence J. Medieval Greece Michael Heslop, 2020-11-29 Medieval Greece brings together twelve articles by historian Michael Heslop showcasing his long standing interest in the medieval castles of Greece Ten of the articles in this volume focus on the Dodecanese islands mainly Rhodes at the time of their rule by the Hospitallers during the period 1306-1522 Scholarly and popular interest in the military orders has grown substantially over the last twenty years but comparatively little has been written about the Hospitaller Dodecanese What distinguishes this work is the author's use of hitherto unpublished documents from the Hospitaller archives in Malta and his assiduous field work on the island sites discussed Heslop's work on the Hospitallers on the island of Rhodes has also enabled him to put together an important gazetteer of place names in the countryside of Rhodes published here for the first time The remaining two chapters of the collection summarize ground breaking detective work to locate Villehardouin's lost castle of Grand Magne in the Mani and present a wider study of Byzantine fortifications in medieval Greece This book will appeal to scholars and students of medieval history and to all those interested in the history of the Hospitallers CS1093 Opening
