[Quest for a Highlander](#) Joice Mascena, 2023-12-28 Duncan McGregor is the last bachelor in his family and is desperate to find someone to call his own, so he sees no other choice than an arranged marriage. To look for a suitor, their clan hosts the Scottish Games, and women all around Scotland and England are invited to attend. Lyra Wright didn't want to go to Scotland, but she is forced to go since the family she works for, the Chapmans, are invited to the event, and that is their last hope to marry their daughter, Missy, and to take their name out of the mud. What no one expected was that between all the women, Lyra, the English maid, would catch his eye. Little by little, between games and balls, they fell in love. But the women won't let him go that easily.

**Star Wind The Pyramid of Destiny** Francisco Angulo de Lafuente, 2024-09-25 The Secret of Zephyria In the vastness of the cosmos where stars dance their eternal waltz and planets spin in silent orbits lies a world forgotten by time. Zephyria, a name that whispers ancient secrets, an echo of civilizations lost in the dust of eons. Under the unrelenting scrutiny of two moons, their silvery light bathing the dunes in a spectral glow, stands a monument to the unknown. The Great Pyramid, an obsidian colossus that defies human comprehension, rises like a scar upon the planet's face, an enigma carved in the very stone of mystery. For countless millennia, this slumbering titan remained silent guardian of unfathomable secrets under a star-studded firmament. The first colonists, lured by rumors of unimaginable riches, arrived on its barren shores with eyes filled with greed and hearts brimming with hope. They sought Luminium, a mineral whose power it was said could fuel their ships and extend their fleeting lives beyond the limits imposed by nature. But the pyramid, impervious to their efforts, remained sealed. Its dark chambers, labyrinths of alien wisdom, resisted every attempt at desecration. The Great Pyramid waited patient as the mountains, eternal as the stars, for the chosen one to arrive. And then, like a meteor piercing the veil of night, came Elara, Dawnbringer. Young, impetuous, with a thirst for knowledge that rivaled the vastness of the cosmos, Elara was an enigma herself. She was not driven by earthly riches or the promises of power that seduced her companions. Her heart beat to the rhythm of a higher symphony, the pursuit of knowledge, the yearning to decipher the mysteries that the universe jealously guarded. And it was on the sands of Zephyria, under the imposing shadow of the Great Pyramid, that she found her destiny written in the stars.
