

“I Love You”

In Taylor Swift Lyrics

01. I like shiny things but I'd marry you with paper rings

02. And I can't let you go, your hand print's on my soul

03. But I stay, when it's hard or it's wrong, or we're making mistakes

04. For you, I would fall from grace just to touch your face

05. All these people think love's for show, but I would die for you in secret

06. No more keepin' score now, I just keep you warm

07. And at every table, I'll save you a seat

08. I'm a fire and I'll keep your brittle heart warm if your cascade ocean wave blues come

09. You're my best friend

10. I remember how we felt sitting by the water and every time I look at you, it's like the first time

11. You can hear it in the silence. You can feel it on the way home. You can see it with the lights out

12. And I know I make the same mistakes every time, bridges burn, I never learn, at least I did one thing right

13. I want to wear his initial on a chain round my neck, chain round my neck... not because he owns me, but 'cause he really knows me

14. Squeeze my hand three times in the back of the taxi

15. Can I go where you go? Can we always be this close?

16. With your boots beneath my bed...forever is the sweetest con

17. And all at once you are the one I have been waiting for, king of my heart, body and soul

18. I hope I never lose you, hope it never ends, I'd never walk Cornelia Street again

19. I once believed love would be burning red, but it's golden

20. One single thread of gold tied me to you

21. Please don't ever become a stranger who's laugh I could recognize anywhere

22. Have I known you twenty seconds or twenty years?

23. All I know is a new found grace. All my days I'll know your face

24. Long live the walls we crashed through, I had the time of my life with you

25. My house of stone, your ivy grows, and now I'm covered in you

26. Don't want no other shade of blue but you

26. Say my name and everything just stops

27. Baby all at once this is enough

28. I'd like to hangout with you for my whole life

29. Even in my worst times, you could see the best in me

30. I had the best day with you today

31. My waves meet your shore, ever and evermore

32. I don't wanna think of anything else now that I thought of you

33. All's well that ends well to end up with you
