Macbeth Performed By Orson Welles And The Mercury Theatre Troupe:

The Giant Youssef Daoudi, 2025-05-06 Gloriously unruly and incisive look at an artist who never recovered from the success of his youth Publishers Weekly From graphic novelist Youssef Daoudi comes a radically new look at the director of *Citizen Kane* and *Touch of Evil* legendary filmmaker Orson Welles Long after his death in 1985 the shadow of Orson Welles still looms over Hollywood By twenty three Welles had revolutionized theatre and radio with *The War of the Worlds* by twenty five he had secured his place in history with his debut film *Citizen Kane* Yet four films and less than a decade later his career suffered a spectacular collapse and Welles once the most promising director in America was written off as a would be genius a bad bet in an increasingly money conscious industry In *The Giant* Youssef Daoudi weaves together reality and mythology to create a radical new look at one of Hollywood's most legendary figures and poses a question as timeless as Orson Welles himself What happens when a true artist comes up against the rest of the world Orson Welles, Shakespeare, and Popular Culture Michael A. Anderegg, 1999 Anderegg considers Welles's influence as an interpreter of Shakespeare for twentieth century American popular audiences drawing on his knowledge of the abundant lowbrow popularity of Shakespeare in nineteenth century America Welles's three film adaptations of Shakespeare *Macbeth* *Othello* and *Chimes at Midnight* are examined The Second Century of Cinema Wheeler W. Dixon, 2000-02-28 Contemplates the future of cinema in light of emerging digital technologies and new systems of distribution **Broadcast Hysteria** A. Brad Schwartz, 2025-09-23 On the evening of October 30 1938 radio listeners across the United States heard a startling report of a meteor strike in the New Jersey countryside With sirens blaring in the background announcers in the field described mysterious creatures terrifying war machines and thick clouds of poison gas moving toward New York City As the invading force approached Manhattan some listeners sat transfixed while others ran to alert neighbors or to call the police Some even fled their homes But the hair raising broadcast was not a real news bulletin it was Orson Welles's adaptation of the H G Wells classic *The War of the Worlds* In *Broadcast Hysteria* A Brad Schwartz boldly retells the story of Welles's famed radio play and its impact Did it really spawn a wave of mass hysteria as *The New York Times* reported Schwartz is the first to examine the hundreds of letters sent to Orson Welles himself in the days after the broadcast and his findings challenge the conventional wisdom Few listeners believed an actual attack was under way But even so Schwartz shows that Welles's broadcast became a major scandal prompting a different kind of mass panic as Americans debated the bewitching power of the radio and the country's vulnerability in a time of crisis When the debate was over American broadcasting had changed for good but not for the better As Schwartz tells this story we observe how an atmosphere of natural disaster and impending war permitted broadcasters to create shared live national experiences for the first time We follow Orson Welles's rise to fame and watch his manic energy and artistic genius at work in the play's hurried yet innovative production And we trace the present day popularity of fake news back to its source in Welles's show and its many imitators Schwartz's original research gifted storytelling and

Shakespeare in America: An Anthology from the Revolution to Now (LOA #251) Various, James Shapiro, 2014-04-01. An anthology that traces how Shakespeare has shaped American history and culture, featuring pieces by Founding Fathers, Orson Welles, and other noteworthy figures. The history of Shakespeare in America, writes James Shapiro in his introduction to this groundbreaking anthology, is also the history of America itself. Shakespeare was a central inescapable part of America's literary inheritance and a prism through which crucial American issues—revolution, slavery, war, social justice—were refracted and understood. In tracing the many surprising forms this influence took, Shapiro draws on many genres: poetry, fiction, essays, plays, memoirs, songs, speeches, letters, movie reviews, comedy routines, and on a remarkable range of American writers from Emerson, Melville, Lincoln, and Mark Twain to James Agee, John Berryman, Pauline Kael, and Cynthia Ozick. Americans of the revolutionary era ponder the question to sign or not to sign; Othello becomes the focal point of debates on race; the Astor Place riots set off by a production of *Macbeth* attest to the violent energies aroused by theatrical controversies; Jane Addams finds in *King Lear* a metaphor for American struggles between capital and labor; Orson Welles revolutionizes approaches to Shakespeare with his legendary productions of *Macbeth* and *Julius Caesar*. American actors from Charlotte Cushman and Ira Aldridge to John Barrymore, Paul Robeson, and Marlon Brando reimagine Shakespeare for each new era. The rich and tangled story of how Americans made Shakespeare their own is a literary and historical revelation. As a special feature, the book includes a foreword by Bill Clinton among the latest in a long line of American presidents, including John Adams, John Quincy Adams, and Abraham Lincoln, who, as the collection demonstrates, have turned to Shakespeare's plays for inspiration.

An Ideal Theater Todd London, 2013-09-23. *An Ideal Theater* is a wide-ranging, inspiring documentary history of the American theatre movement as told by the visionaries who goaded it into being. This anthology collects over forty essays, manifestos, letters, and speeches that are each introduced and placed in historical context by the noted writer and arts commentator Todd London, who spent nearly a decade assembling this collection. This celebration of the artists who came before is an exhilarating look backward as well as toward the future and includes contributions from Jane Addams, William Ball, Julian Beck, Herbert Blau, Angus Bowmer, Bernard Bragg, Maurice Browne, Robert Brustein, Alison Carey, Joseph Chaikin, Harold
