Mantras Sacred Words Of Power:

Mantras John Blofeld, 2025-08-29 First published in 1977 in this unique and beautifully illustrated book called Mantras John Blofeld an acknowledged authority on Buddhist yogic contemplation explains the significance and operation of the sacred words of power With the dramatic growth of interest in the religions and mysticism of the East more and more people have become fascinated by mantras the sacred formulae memorised for meditation in India China and Tibet Their precise meaning and exactly how they work have understandably long been surrounded by an aura of secrecy in order to guard against distortion and abuse Meditators chant them sonorously and rhythmically or repeat them inwardly and often visualise the syllables as emanating rays of gloriously coloured light The efficacy of mantras as an aid to meditation is beyond doubt but many people believe that the syllables themselves are imbued with marvellous or miraculous powers John Blofeld explores these more controversial aspects with great insight and sensitivity Much of his knowledge is derived from first hand experience and from lips of monks and lamas encountered during a lifetime in the East This is an interesting read for scholars and researchers of religion Buddhism and Hinduism Healing Mantras: Sacred Words of Power M.N.
