The Mutiny of the Elsinore Джек Лондон, 2021-03-16 [The Mutiny of the Elsinore](#) Jack London, 2014 Life has lost its savor for Mr Pathurst New York fame women and the arts have all become tedious Searching for excitement he books passage on a cargo vessel sailing from Baltimore to Seattle on a route that travels around the treacherous Cape Horn Pathurst encounters more than he ever expected in rough seas turbulent storms and a mutinous crew His epic struggles aboard the sailing ship Elsinore have given him a new love for life but will he survive to profit from it Everyone who remembers The Sea Wolf with pleasure will enjoy this vigorous narrative The Mutiny of the Elsinore is the same kind of tale as its famous predecessor and it has been pronounced even more stirring by those who have read it Jack London writes of scenes and types of people with which he is very familiar the sea ships and those who live in ships In addition to the adventure element of which there is an abundance of the usual London kind there is a thread of romance The play of incident on the one hand the ship s amazing crew and on the other the lovers results in a story that demonstrates anew what a master of his art the author is **The Mutiny of The Elsinore** Jack London, 2021-01-01 The present novel The Mutiny of the Elsinore was written by famous American novelist Jack London It was first published in the year 1914 After death of the captain the crew of a ship split between the two senior surviving mates *The Mutiny of the Elsinore (Esprios Classics)* Jack London, 2021-09-10 Jack London 1876 1916 was an American author and a pioneer in the then burgeoning world of commercial magazine fiction He was one of the first Americans to make a lucrative career exclusively from writing London was self educated He taught himself in the public library mainly just by reading books In 1898 he began struggling seriously to break into print a struggle memorably described in his novel Martin Eden 1909 Jack London was fortunate in the timing of his writing career He started just as new printing technologies enabled lower cost production of magazines This resulted in a boom in popular magazines aimed at a wide public and a strong market for short fiction In 1900 he made 2 500 in writing the equivalent of about 75 000 today His career was well under way Among his famous works are Children of the Frost 1902 The Call of the Wild 1903 The Sea Wolf 1904 The Game 1905 White Fang 1906 The Road 1907 Before Adam 1907 Adventure 1911 and The Scarlet Plague 1912 **The Mutiny of the Elsinore** Jack London, 2019 *The Mutiny of the Elsinore - Large Print* Jack London, 2020-10-16 From the first the voyage was going wrong Routed out of my hotel on a bitter March morning I had crossed Baltimore and reached the pier end precisely on time At nine o clock the tug was to have taken me down the bay and put me on board the Elsinore and with growing irritation I sat frozen inside my taxicab and waited On the seat outside the driver and Wada sat hunched in a temperature perhaps half a degree colder than mine And there was no tug Possum the fox terrier puppy Galbraith had so inconsiderately foisted upon me whimpered and shivered on my lap inside my

greatcoat and under the fur robe But he would not settle down Continually he whimpered and clawed and struggled to get out And once out and bitten by the cold with equal insistence he whimpered and clawed to get back His unceasing plaint and movement was anything but sedative to my jangled nerves In the first place I was uninterested in the brute He meant nothing to me I did not know him Time and again as I drearily waited I was on the verge of giving him to the driver Once when two little girls evidently the wharfinger's daughters went by my hand reached out to the door to open it so that I might call to them and present them with the puling little wretch A farewell surprise package from Galbraith he had arrived at the hotel the night before by express from New York It was Galbraith's way Yet he might so easily have been decently like other folk and sent fruit or flowers even But no his affectionate inspiration had to take the form of a yelping yapping two months old puppy And with the advent of the terrier the trouble had begun The hotel clerk judged me a criminal before the act I had not even had time to meditate And then Wada on his own initiative and out of his own foolish stupidity had attempted to smuggle the puppy into his room and been caught by a house detective Promptly Wada had forgotten all his English and lapsed into hysterical Japanese and the house detective remembered only his Irish while the hotel clerk had given me to understand in no uncertain terms that it was only what he had expected of me Damn the dog anyway And damn Galbraith too And as I froze on in the cab on that bleak pier end I damned myself as well and the mad freak that had started me voyaging on a sailing ship around the Horn By ten o'clock a nondescript youth arrived on foot carrying a suit case which was turned over to me a few minutes later by the wharfinger It belonged to the pilot he said and gave instructions to the chauffeur how to find some other pier from which at some indeterminate time I should be taken aboard the Elsinore by some other tug This served to increase my irritation Why should I not have been informed as well as the pilot An hour later still in my cab and stationed at the shore end of the new pier the pilot arrived Anything more unlike a pilot I could not have imagined Here was no blue jacketed weather beaten son of the sea but a soft spoken gentleman for all the world the type of successful business man one meets in all the clubs He introduced himself immediately and I invited him to share my freezing cab with Possum and the baggage That some change had been made in the arrangements by Captain West was all he knew though he fancied the tug would come along any time And it did at one in the afternoon after I had been compelled to wait and freeze for four mortal hours During this time I fully made up my mind that I was not going to like this Captain West Although I had never met him his treatment of me from the outset had been to say the least cavalier When the Elsinore lay in Erie Basin just arrived from California with a cargo of barley I had crossed over from New York to inspect what was to be my home for many months

of Melville Crane London Hemingway Matthiessen and ten lesser known sea writers Bert Bender argues that the tradition of American sea fiction did not end with the opening of the western frontier and the replacement of sailing ships by steamers Rather he demonstrates its continuity and vitality identifying a central vision within the tradition and showing how particular authors draw from transform and contribute to it What is most distinctive about American sea fiction Bender contends is its visionary often mystical response to the biological world and to man s perceived place in the larger universe When Melville envisioned the sea as the essential element of life indeed as life itself he changed the course of American sea fiction by introducing the relevance of biological thought But his meditations on the whale and the ungraspable phantom of life project a different reality from that envisioned by his successors In American sea fiction after Melville the influence of Origin of Species is as powerful as that of Moby Dick or the theme of sailing ships being displaced by steam The ideal of brotherhood so central to American sea fiction was severely compromised by the biological reality of a competitive warring nature Twentieth century sea fiction has continued to center on the biological world and address the possibility of democratic brotherhood but the issues were fundamentally changed by Darwin s theories This book will be a valuable source for students and scholars of American literature and will interest readers of sea fiction **The Man who Stayed at Home** Fryniwyd Tennyson Jesse, Lechmere Worrall, Joseph Edward Harold Terry, 1915 J C Williamson Ltd presents The man who stayed at home playing at the Royal Theatre Saturday June 5th 1915 *The Story of Duciehurst* Charles Egbert Craddock, 1914
