My Babysitter:

My Babysitter is a Vampire Ann Hodgman, 2012-03-06 MY BABYSITTER IS A VAMPIRE SUMMER VACATION TURNS BATTY Moose Island doesn't have many babysitters so Meg and Trevor Swain figure they'll have to put up with what they get. But when weird Vincent Graver shows up at their front door they know they're in for big trouble. Whoever heard of a babysitter who has pointy little teeth, carries a mysterious red liquid around in a bottle, and doesn't like pizza? When Meg discovers Vincent's fascination with sinking his teeth into other people's necks, she and her friend Jack decide what Vincent really is. If they don't act quickly to stop him, Moose Island will turn into Vampire Island before their very eyes. Hodgman's writing style is excellent, building suspense chapter after chapter. This is a good read and kids will love it. School Library Journal

My Portugal George Mendes, 2014-10-07 With crisp, toothsome images of the dishes and postcard-worthy shots of Portugal, Mendes's collection is an inspired, loving tribute to the country. Publishers Weekly starred review. Chef restaurateur George Mendes introduces us to the world of Portuguese cuisine, offering 125 mouthwatering recipes that showcase the wide range of dishes that come from this coastal country. The collection balances Mendes's recipes from his Michelin-starred New York restaurant, Aldea, such as his signature Duck Rice and Garlic-Seared Shrimp, with his takes on classic Portuguese dishes such as Salt Cod, Potato and Egg Casserole, Mozambique Shrimp, and Okra with Piri Piri Eggs. Baked with Peas, Linguine, and Bacon Butter Cookies, and more. His stories illustrate the wealth of culinary resources in Portugal: fresh seafood, savory meats, and crisp vegetables. With delicious recipes and stunning photographs of the country, *My Portugal* takes us on an unforgettable journey. His cuisine is filled with the intensely satisfying flavors of a casual Portuguese feast, updated with a beautifully modern presentation and technique du jour. Daniel Boulud

My Choice Sage Young, 2020-02-16 Rafael Moretti's first encounter with Muri Sato was consoling her after she lost her best friend. Since that day, he has not been able to shake the indelible impression she made on him. First, it was the sadness in her eyes; he wanted to comfort her so that pain would not be etched across her face again. As they continued to come into contact with each other at family gatherings, Rafael's thoughts of her began to intensify. Muri had a sweet personality and was incredibly sexy. It was hard for Rafael to concentrate whenever they were in the same room. As Rafael's feelings grew stronger with every encounter, so did his apprehension to approach her. The major hindrance was their age difference. He was fifteen years her senior. A tragic event brought unknown family members to light, which unearthed more questions about his family. But through it all,

Muri remained the one constant in his life She was not only someone he could talk to but she also provided comfort for Rafael and his boys when they needed it most While the family turmoil brought them closer together Rafael continued to hold his feelings at bay and kept Muri at arm s length because of his unwillingness to move past their age difference But when Rafael takes a business trip to Vegas it yields a chance encounter an unexpected wedding and the entire family asking how and why Find out the answers in My Choice Rafael s Story The Moretti Brothers Series Book Three *Already Doing It* Michael Gill,2015-03-27 Why is the sexuality of people with intellectual disabilities often deemed risky or inappropriate by teachers parents support staff medical professionals judges and the media Should sexual citizenship depend on IQ Confronting such questions head on *Already Doing It* exposes the sexual ableism that denies the reality of individuals who despite the restrictions they face actively make decisions about their sexual lives Tracing the history of efforts in the United States to limit the sexual freedoms of such persons using methods such as forced sterilization invasive birth control and gender segregated living arrangements Michael Gill demonstrates that these widespread practices stemmed from dominant views of disabled sexuality not least the notion that intellectually disabled women are excessively sexual and fertile while their male counterparts are sexually predatory Analyzing legal discourses sex education materials and news stories going back to the 1970s he shows for example that the intense focus on stranger danger in sex education for intellectually disabled individuals disregards their ability to independently choose activities and sexual partners including nonheterosexual ones who are frequently treated with heightened suspicion He also examines ethical issues surrounding masturbation training that aims to regulate individuals sexual lives challenges the perception that those whose sexuality is controlled or rejected should not reproduce and proposes recognition of the right to become parents for adults with intellectual disabilities A powerfully argued call for sexual and reproductive justice for people with intellectual disabilities *Already Doing It* urges a shift away from the compulsion to manage deviance better known today as harm reduction because the right to pleasure and intellectual disability are not mutually exclusive In so doing it represents a vital new contribution to the ongoing debate over who in the United States should be allowed to have sex reproduce marry and raise children *All About Janet, the Murder of my Guardian Angel* Forrest Canutt,2017-01-25 In October of 1956 my twelve year old newly adopted orphan babysitter Janet Cash and I were staying the night alone on my uncles northern California ranch During the night we were attacked by three men two of them were us navy sailors Janet was beaten and gang raped by the three men throughout the night and I was tortured and assaulted In the morning Janet was taken to an area called the flats and viciously murdered by the two us navy sailors They then buried Janet in a clandestine grave on my uncle s ranch For over twenty five years I have been looking for Janet I haven t found her yet but I have found two major news organizations and three government agencies that have conspired to cover up her disappearance murder and even her very existence Throughout those years I have been stonewalled been refused any information that might lead me to her But in spite of their efforts I have gathered enough proof

and information to lead me to believe that my babysitter Janet wasn't just some sweet beautiful and courageous young girl from a broken home but quite possibly an important young girl maybe a very important young girl and if the right people knew about her back then her mere existence might have changed some important people's lives and or even changed history I am determined now more than ever to find her and learn as much as I can about her You see she saved my life several times during this tragic ordeal so I owe her my life and I feel that finding her is the very least I can do to repay her and exposing the truth about what happened to her is just as important I believe that the path to the truth to this tragic mystery lies waiting in an unmarked grave in her bones in her DNA My Babysitter Has Fangs Ann Hodgman,1992 Eleven year old Meg is not happy that her mother insists on hiring a babysitter for her and her younger brother especially one with pointed teeth and a fondness for biting people's necks **Let Go My Gargoyle** Tami Lund,2023-06-06 Four years ago Sofia had an affair with a gargoyle The next morning he disappeared leaving her with an infant Now he's back and Sofia is afraid he wants to claim the child she's been raising as her own Griffin isn't back because he wants the child What Sofia doesn't know is that the kid isn't even his He's back because his boss told him to protect Sofia and the baby A task he doesn't think he's capable of doing Unfortunately the more time he spends with Sofia and her adopted daughter Penelope the less he wants to leave And the more danger he's putting them in Taming the Dragon series Each book has its own happily ever after however it is recommended they be read in the following order Dragon His Heels Hungry Like a Dragon Dragon in Denial Bewitching the Dragon Let Go My Gargoyle **A Day With My Baby Sitter Cindy** D.
