Aztec Gary Jennings, 2016-04-12 Gary Jennings s *Aztec* is the extraordinary story of the last and greatest native civilization of North America Told in the words of one of the most robust and memorable characters in modern fiction Mixtli Dark Cloud *Aztec* reveals the very depths of Aztec civilization from the peak and feather banner splendor of the Aztec Capital of Tenochtitlan to the arrival of Hern n Cort s and his conquistadores and their destruction of the Aztec empire The story of Mixtli is the story of the Aztecs themselves a compelling epic tale of heroic dignity and a colossal civilization s rise and fall At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied

The Values of Precision M. Norton Wise, 2020-09-01 The *Values of Precision* examines how exactitude has come to occupy such a prominent place in Western culture What has been the value of numerical values Beginning with the late eighteenth century and continuing into the twentieth the essays in this volume support the view that centralizing states with their increasingly widespread bureaucracies for managing trade taxation and armies and large scale commercial enterprises with their requirements for standardization and mass production have been the major promoters of numerical precision Taking advantage of the resources available scientists and engineers have entered a symbiotic relationship with state and industry which in turn has led to increasingly refined measures in ever widening domains of the natural and social world At the heart of this book therefore is an inquiry into the capacity of numbers and instruments to travel across boundaries of culture and materials Many of the papers focus attention on disagreements about the significance and the credibility of particular sorts of measurements deployed to support particular claims as in the measures of the population of France the electrical resistance of copper or the solvency of insurance companies At the same time they display the deeply cultural character of precision values Contributors to the volume include Ken Alder Graeme J N Gooday Jan Golinski Frederic L Holmes Kathryn M Olesko Theodore M Porter Andrea Rusnock Simon Schaffer George Sweetnam Andrew Warwick and M Norton Wise

LITTER FREE Guiding Your Cat's Elimination Behaviors Claude Bois,2020-01-02 Litter Free is the most complete book of Claude Bois s collection on cat litters cat cleanliness and cat training Like the three others Understanding and Guiding Cats Elimination Behaviors Toward Zero Waste Cats I Toward Zero Waste Cats II it starts with information about cats behavior when they choose an elimination place It then explains cats learning capacity Then combining those two sets of knowledge Claude presents a unique technique to guide cats making sure they will use the litter you want or a water litter Claude explains how to make a water litter at low cost or your home toilet Litter Free contains everything cat lovers need to know about cat litter alternatives Whether you re looking for a lightweight cat litter low dust cat litter no dust cat litter low tracking cat litter no tracking cat litter natural cat litter ecological cat litter odor control cat litter low price cat litter cat litter you can flush cat litter you don t have to change All cat owners will find the perfect solution to their specific needs in this book Sifting cat litter box cat softwood pellet litter and cat vegetal pellet litter alfalfa are analyzed With Claude s exclusive information you will learn how to save lots of money with a variety of permanent cat litter that you can fabricate at a low cost You will also get a unique step by step improved and simplified cat toilet training method Cat uncleanliness prevention and solution are the main reason the author wrote this book Of course cat litter cleaning and cat litter hacks are also covered What you get is detailed information followed by unique accessible solutions to litter challenges Litter Free will make you realize the options are much wider than you ever thought possible From the Back Cover What would you rather have your cat use to pee and poo What about reducing the ecological footprint and waste production with something more eco friendly than most cat litter Do you want to stop carrying heavy bags of litter and spend less time cleaning Have you seen videos showing cats peeing and pooping in the toilet and wish

your cat could do the same This book explains cats elimination behaviors It gives you basic knowledge about how cats learn and can be trained The author then explains an exclusive method and keys to success with four step by step examples of litter changes Finally you will combine what you will have learned to achieve your specific goals The book includes very specific instructions on how to train a cat to pee and poo while standing on the toilet With this method you don t have to be an expert trainer or buy an expensive cat toilet training kit A word from the author Claude Bois I developed a new way to deal with litter and feces I called it a permanent sand litter No product on the market offers all the advantages this permanent sand litter has I also developed another way to deal with cat feces It is perfect for people whose bathroom is too crowded for toilet training Like the permanent sand litter it can be re created at a low cost and maintenance costs are nearly zero I call it a water litter One evening while I was watching cat videos on YouTube I wound up watching some about cats being toilet trained What I saw made me worry that cat owners would try this without the necessary information to succeed which would inevitably produce unclean cats I then went on Amazon and searched for books on the subject I read their descriptions and readers comments Then I browsed through those on Kindle Unlimited All that got me even more worried Knowing that uncleanliness is the main reason for cats being abandoned I felt the urge to intervene I therefore decided to set aside my other book projects to write this one Litter Free One thing that bothered me is that the procedure they use still has the same flaws as the one I used back in the eighties Sure this procedure can work but it is prone to all sorts of problems Moreover it is very demanding for the cat and very difficult and inconvenient for the owner What I present here is an improved method I discuss everything to consider to reduce the risk of problems I present specific strategies to prevent inappropriate elimination I explain my unique method to ensure that the cat recognizes the toilet as the right place to go I describe my strategy to guide the cat to place himself properly on the seat I removed unnecessary error prone steps I reorder the steps so that when he moves to the real toilet the cat knows how to pee and poo right into the bowl without making any accidents on the seat There is no cat toilet training kit to remove from the seat and reinstall to allow people to use the toilet No litter grain will ever fall into the toilet bowl It allows for a much smoother progression in learning than any of the cat toilet trainers currently available To view videos and figure out which book of the collection is best to reach your goals visit PetFriendsFreedom.com pets cats cleanliness To buy the numeric version in PDF format directly from the author website visit www.petfriendsfreedom.com produit litter free

Light on Snow Anita Shreve, 2004-10-01 What makes a family That s what twelve year old Nicky Dillon wonders after she and her widowed father discover a wailing abandoned baby in the snow filled woods near their New Hampshire home Through the days that follow the Dillons and an unexpected visitor who soon turns up at their door a young woman evidently haunted by her own terrible choices face a thicket of decisions each seeming to carry equal possibilities of heartbreak and redemption Writing with all the emotional resonance that has drawn millions of readers around the world to her fiction Anita Shreve unfolds in *Light on Snow* a tender and surprising novel about love and
