Human Birth Wenda R. Trevathan, 2017-07-05 The story of human evolution has been told hundreds of times each time with a focus that seems most informative of the teller No matter how it is told the primary characters are rarely mothers and infants Darwin argued survival but today we know that reproduction is what evolution is all about Centering on this Trevathan focuses on birth which gives the study of human evolution a crucial new dimension Unique among mammals humans are bipedal The evolution of bipedalism required fundamental changes in the pelvis and resulted in a narrow birth canal Humans are also large brained animals which means that birth is much more challenging for our species than for most other animals The result of this mismatch of large head and narrow pelvis is that women are highly dependent on assistance at birth and their babies are born in an unusually undeveloped state when the brain is still small Human Birth discusses how the birth process has evolved and ways in which human birth differs from birth in all other mammals Human Birth is also concerned with mother infant interaction immediately after birth While working as a midwife trainee Trevathan carefully documented the births of more than one hundred women and recorded maternal and infant behaviors during the first hour after birth She suggests ways in which the interactions served not only to enhance mother infant bonding but also to ensure survival in the evolutionary past With clarity and compelling logic Trevathan argues that modern birth practices often fail to meet evolved needs of women and infants and suggests changes that could lead to better birth experiences This paperback edition includes a new introduction by the author

[Love Letters from God](#) Sofia Oviedo, 2022-08-01 Love Letters from God is a devotional journal that will draw you closer to the heart of God It will bring hope and encouragement and reveal the depth of God's love for you Each devotional begins with the question that the author has asked God in prayer and is followed by the response that God has impressed upon her heart She considers it a joy and wonder how close God is to our hearts and how abundantly He responds when needed The devotional includes prayers that the author has written to God that you can use as part of your own quiet time There is space for you to write your own love letter to God and share with Him all that you feel and hope throughout your journey of faith with Him If you are looking to restore fervency in your walk

of faith this devotional will lead you on a new inspired journey through the heart of God **Yeshua, My Love** Don Okolo, 2007-05-25 A blissful tale of Divine Love honor and reverence a spiritual journey like no other Mary of Magdala tells of her personal relationship with Yeshua from the time they were both twelve years old up until Yeshua's ministry began Her story begins in Magdala ending two decades later in the town of Bethany She recalls vividly the wondrous events the trips to the outer fringes of Heaven and the candid visitations past the boundaries of surrealism At seventeen Mary is smitten and her father who despises Yeshua wants him out of her life Mary ignores her father and presses on terribly missing the point She is heart broken and will wallow in self pity angry with herself for not trying hard enough This is when the romance of her soul begins the subsequent trips are unique and super extraordinary But Mary's heart will cloud the gifts she is lacking in cleanliness of spirit to comprehend the searing and beatific images of God before her She will never know the true nature of the boy she had fallen in love with until that awesome day in the desert night eighteen years later *Soak In My Love My Bride* Dr. Patricia Green, 2015-09-17 During her quest to draw closer to Yahweh and Yahshua Patricia Green received a revelation from the Holy Spirit The Spirit showed her seven ways in which God's children can soak in His love From that revelation Green understood that the bride of Christ needs to prepare for her Bridegroom as His imminent return is coming swiftly Those who are wise and have set extra oil in their lamps will be ready when the trumpet sounds and Yahshua appears in the sky Now is the time for the bride of Christ to soak in His love by becoming intimate with her Bridegroom My Child (My Angel) Should Never Cry Ganea V. Tiberiu, 2017-04-06 Ever since their daughter Angel became ill with AIDS Sam and Mary Stone's home life completely changed but it's been especially hard on Mary When their friends and family reject them Angel has to drop out of private school and Mary leaves her career as a cardiologist Even her husband Sam the one person Mary thought she could count on for love and support begins cheating on her with another woman Those who not so long ago phoned or visited the Stones most every day now don't want anything to do with them Even Angel's grandmother rejects them Without support from her husband and friends Mary does her best to protect her daughter from what has become a nightmare Mary's first instinct is to seek help at a highly touted medical center that cares for AIDS patients but she learns that the center is not what it's cracked up to be Mary takes Angel away for a new start and comes to realize that there's nothing more important than offering her love and spending time with her daughter But then another tragedy strikes This uplifting novel about illness in the family looks at the situation from the side of the caregiver as it profiles a mother who faces the pain that any parent would feel when her child is ill The Deserted Wife Emma Dorothy Eliza Nevitte Southworth, 1850 At Last My Love-This I Promise Peebee Jax, 2010-07-23 When two hearts become one both happiness and sometimes sadness will find a place in that seemingly perfect union As much happiness as we shared when I look back over our life together I was blessed that God allowed me to experience such joy and love every day with a man who not only made promises but kept those promises Even though I have also witnessed sadness to an unimaginable degree since his

unexpected death I can truly say I was still blessed to have loved and been loved to a magnitude I do not have words to describe A lifetime cannot be defined in terms of hours days years decades or century Regardless of the length of time any relationship lasts we must learn to live every minute like it is our last That is what my one true love taught me He added truth honesty love and devotion together and we had a sum total of joy and happiness divided by the number of offsprings produced by that love And we never parted in anger or unforgiveness because no one can predict what the next minute will bring Sometimes I think my love was just too wise for this world that is why God called him home to be with Him As I look back over our life together I feel enormously blessed by God to have had such a love as this in my lifetime Only God made it possible Only God allowed me to experience total bliss for a little while 29 8 years Words cannot describe the memories stored in my memory bank of our span of time together In all my days of blissful retreat the only thing I feel I did not do enough of is giving grateful praise to the Almighty for creating that soul mate just for me and I for him Life will go on and in each whisk of air against my skin as I sit and read I will remember it is you my love stopping by to see me every now and then God saw you were getting tired So He did what He knew was best He watched and waited for the exact time You were in most need of some rest You did not say to me farewell Nor even a wave good bye God took you swift and easy I dare not ask God why He gave you to me for a while I loved you with all my heart I showed you I told you daily Even in death we are not apart Rest easy Honey until I get there I will know you when I arrive We will be just two angels forever Always partners side by side

My Dwelling Place Glenda Vaughn, 2015-10-26 This book was written to exemplify the greatness of God without His loving mercy and grace I would not have survived my life experiences He has brought me through four cancer scares abuse on many levels and healed my ex husband from an inoperable brain aneurysm He has also healed all my children of serious illness including a tumor on my sons head He brought me out of severe depression addiction to prescription drugs and so many other things My Dwelling Place tells the story of the God who is the Master of my fate and in whom I have learned to put my trust Blessed be His holy name The Works of W. The Obligated Self Mara H. Benjamin, 2018-05-24 Mara H Benjamin contends that the physical and psychological work of caring for children presents theologically fruitful but largely unexplored terrain for feminists Attending to the constant concrete and urgent needs of children she argues necessitates engaging with profound questions concerning the responsible use of power in unequal relationships the transformative influence of love human fragility and vulnerability and the embeddedness of self in relationships and obligations Viewing child rearing as an embodied practice Benjamin s theological reflection invites a profound reengagement with Jewish sources from the Talmud to modern Jewish philosophy Her contemporary feminist stance forges a convergence between Jewish theological anthropology and the demands of parental caregiving **The Leviathan Songster, Containing a Choice Collection of Comic and Sentimental Songs, Etc**, 1860
