Urban God Talk Andre E. Johnson, 2013-08-28 *Urban God Talk* Constructing a Hip Hop Spirituality edited by Andre Johnson is a collection of essays that examine the religious and spiritual in hip hop The contributors argue that the prevailing narrative that hip hop offers nothing in the way of religion and spirituality is false From its beginning hip hop has had a profound spirituality and advocates religious views and while not orthodox or systemic nevertheless many in traditional orthodox religions would find the theological and spiritual underpinnings in hip hop comforting empowering and liberating In addition this volume demonstrates how scholars in

different disciplines approach the study of hip hop religion and spirituality Whether it is a close reading of a hip hop text ethnography a critical studies approach or even a mixed method approach this study is a pedagogical tool for students and scholars in various disciplines to use and appropriate for their own research and understanding Urban God Talk will inspire not only scholars to further their research but will also encourage publishers to print more in this field The contributors to this in depth study show how this subject is an underrepresented area within hip hop studies and that the field is broad enough for numerous monographs edited works and journal publications in the future *Island Gospel* Melvin L.

Monica Joy Cross,2016-09-22 To live authentically and with integrity in the face of a rampant oppression which daily seeks to sequester the spirit and rape the soul one must recognize themselves as one with the God and in this move each day with an authority grounded in a great mystical love which really has no words Authenticity and Imagination in the Face of Oppression is an autobiography of faith It is the life of a black transgender woman living a life of faith in the face of institutional and economic oppressions and the cultural and social stigma of racism and transgender phobia This book emerges then as a strategy for liberation by nourishing the soul through the provocative acts of prayer memory sharing and acting thus making real a sure hope grounded in the divine call of Isaiah 61 1 Authenticity and Imagination in the Face of Oppression is a hopeful discourse on mysticism in the context of loving one s God and oneself within a lived communal reality of earth embodiment and the development of a sacred space of irresistible hope *Race Critical Public Scholarship* Karim Murji,Gargi
