The Open Door David W. Lewis, 2010-09-29 In the fall of 1940 Winston Churchill shared an idea with Alfred Lee Loomis In his New York Tuxedo Park laboratory and the minds including Einstein Heisenberg Bohr Franck Fermi and friend Nobel Prize winning atom smasher Ernest Lawrence Loomis personally bankrolled the radar detection systems that ultimately changed the course of World War II The Open Door takes the now well known technology into the future at the National Ground Intelligence Center This multimillion dollar classified device is about to be turned over to the National Security Agent but two parties attempt to cash in on it illegally Dr Williamson identifies a VP about to steal this sophisticated weapon He is frightened and suspects his home has been broken into He arranges a means to stop the burglar with his own intricate device but is killed before he can report his suspicions by an unexpected tampering of his idea Robert Becker and neighbor a former CIA agent induces his friends to pursue this death An FBI agent an accomplice in this heist gets too eager forcing the VP to share the problem with his Chinese contact So through a twisted arrangement via an imported specialist from San Pedro Sula Honduras the FBI is burned to death before he gets his share of the pay off Two international terrorists over hear and learn of this multimillion dollar weapon system and agree to steal it from a physicist traitor This man has contributed immensely to the development of the magnetron but feels that he deserves a better retirement plan He and his wife will exchange one unit for six million dollars in a New York City hotel The plan would have succeeded were it not for two Iranian women who are well armed and spoil the interchange Unfortunately several FBI agents are killed in the cross fire The VP is caged in that the trackers lose Dr Julian Wicker as he heads for his meeting in Baltimore It is too bad that two innocent people are kidnapped and ultimately taken apart to learn more about the possible magnetron exchange Wicker is outsmarted in spite of having the help of private investigators and commits suicide falling through the glass ceiling of a restaurant Were the lives lost really necessary But the story ends with a twist with the six million dollar pay off

The Open Doors of Satan Bill Vincent, 2022-04-11 This will be a typical Sunday morning sermon That was a joke of course It ought to be This title was bestowed upon me by God When I heard that I felt a shiver run down my spine The Open Doors of Satan We should all be aware that we frequently give way to an open door We occasionally open something in our lives without even realizing it To break in all you need is access access to something otherworldly I m not referring to the supernatural or celestial realms I m referring to Satan s supernatural world When you talk about the supernatural you re talking about the realm of the unknown That s not only good but also bad Our souls can be accessed through a door There is a door and the enemy can enter through it It makes no difference whether it s merely a crack All you need is a crack in your door and he ll be able to come in Between light and darkness this door is slightly open Our adversary is confined to the world of darkness by God s holy decree He doesn t have access to light The law will not be changed by the Bible Jesus triumphed and that power remains in our midst Is it necessary for us to know whether or not we can still open the door I m sure there are a few of you who are perfect and because you re so holy you ll be going to Heaven soon You ve never had anything wrong with you You never sin and I know that but for the rest of us there is an open door that occasionally appears and it occurs as a result of something we do I m going to discuss a specific aspect of one problem that is linked to a slew of other issues I know you re going to be excited so take a deep breath and relax so you can stay focused We are free of these wicked forces but if the door is left open Satan and his henchmen get legal access Their goal is to keep the places that open the door under control Because all they need is access and once they have access they have legal rights We have granted the adversary legal rights because we have given them to them Have you ever felt as if the enemy was deliberately targeting you Let s face it I ve been there You re the one who opened the door God stated one day Have you ever received a word from God and then requested a different one Hallelujah Access by the enemy invariably leads to death destruction and the loss of freedom It could even be your life on the line In Matthew 16 18 Jesus refers to these doors as gates The gates of hell he said precisely Are these the gates of hell Any Christian should be aware that the adversaries have had access to a large portion of the Body of Christ at times and the Body of Christ has just shrugged it off as normal Do you realize there are a lot of folks who don t believe in the demon realm don t believe in fighting a good faith struggle yet still attend church Do you recall what a prophet once told me If the enemy isn t stirring things up against you if he isn t coming for you then you re on the wrong track he says God be praised Hallelujah Right now I can confidently state that I am on the right track I used to have a good season but not anymore

Heaven Pentecostal Church Incorporated ministry started in the 1950s and continues to thrive and grow It was started by a group of young people and a minister by the name of Minister Lena Thomas They faithfully stepped out of the boat and decided they could walk on water At Jesus command they took a leap of faith and as a result many people have come to know Jesus Christ as their personal savior Backsliders have restored their rightful place in Jesus heart Demons have been cast out Lives have been permanently changed for the better All things were not perfect but where repentance grace mercy and love abide so does growth and surrender and the peace that passes all understanding and a life that is more abundant **The Open Door Manuscript** S. L. Koestler,2013-08 For several months starting February 1 2011 I committed myself to sitting at my computer once each day after meditation for the purpose of opening my mind and energy to receive information I had no way of knowing what would come through these sessions or where the information would lead me But I felt compelled body mind and spirit to commit myself to this endeavor The Open Door Manuscript is the result of that focus **OPEN AND CLOSED HEAVENS AND DOORS** GODSWORD GODSWILL ONU, *Opening Doors* Robert Loring Allen,1991 Open Door Rapture: Do the Pope's Holy Doors point to an Imminent Return of Christ? JB Roosevelt,2025-02-27 The Rapture ushers in the last world order Entire populations disappear at dawn in sub Saharan Africa particularly in East Africa Two of every three people in Rwanda and Uganda are taken In Kenya only half of the population is left In Europe early morning disappearances are reported at migrant shelters throughout the United Kingdom and France Emergency calls begin to trickle in across Germany and Russia as people report overnight disappearances of their family members But populations seem intact in many European nations as hordes of people commute to work Across the Atlantic the disappearances begin to make late night news in some media houses and all over social media In America the tag rapture appears all over Sirens are sounded to wake up people across cities on the east coast Fox News headlines scream out with estimates that one in five Americans are missing In Canada the estimates are one in ten The same pattern is reported in Mexico and across South America where it is clear that many people have been left behind Across Asia the disappearance makes no sense In India China and Bangladesh people go about their afternoon chores with little attention to the changing world But reports begin to come in from Australia Philippines and South Korea suggesting that one in ten people have disappeared That afternoon the Pope goes live with an address from the Vatican and announces a form of christianity based on a treaty with Islam and for the sake of christianity s survival He calls it THE FAITH OF ABRAHAM The next twenty four hours see mass conversions as millions in the Western nations of Europe and North America cross to the new faith Those who hold to the old form of christianity have two choices receive a tiny implant as a special citizen in a Western nation or a one way ticket to shelters in sub saharan Africa The final world order has begun
