Operation Cyanide Peter Hounam, 2003 A gripping account of the real causes of the 6 Day War Uncover the true reasons for the bombing of the USS Liberty Reveals that the world was on the brink of nuclear conflict and why it was kept quiet Based on released official documents and interviews with ex government officers and the crew of the USS Liberty Of international importance The USS Liberty was sailing off the Egyptian coast when unmarked planes and torpedoes mounted an attack killing 34 of the American crew The Six Day War was raging between Israel and its Arab enemies and it was thought that Egypt or the USSR was responsible When Israel owned up a row between the allies seemed inevitable but LBJ ordered a cover up to the shock and anger of the surviving crew by Operation Cyanide was a clandestine plan between the CIA and Mossad to park the Six Day War and guarantee victory for Israel The plans for the operation were hidden in the safe of the USS Liberty That the Operation nearly sparked a nuclear war is only one of the revelations in this appraisal of the background to current conflicts in the Middle East

Operation Cyanide Peter Hounam, 2001 The USS Liberty was sailing off the Egyptian coast during the six day war when unmarked planes and torpedo boats attacked killing 34 of the American crew At first Washington thought Egypt or the Soviet Union was responsible When Israel admitted responsibility a row between the two allies seemed inevitable So why did US President Lyndon Baynes Johnson order a massive cover up Hidden in the Liberty's safe were top secret orders for Operation Cyanide a CIA and Mossad plan to guarantee victory for Israel
