Planning Ahead A Positive Act Of Love For Family And Friends:

Planning Ahead Beverly Peace, Philip Peace, 1992-06 Pastors are using this workbook as a vital way to deal with a difficult but inevitable area of ministry within congregations Peace incorporates theological perspectives and practical suggestions relating to death dying and planning funerals Living the Good Life Betty Shaffer, 2019-11-29 Writing this book I wanted the reader of *Living the Good Life* to see what areas in their life they might want to focus on and improve I am daily trying to restore and better my own relationship with God Some days I feel as if I have failed and failed miserably I am writing this at a time in my life when I feel alone and abandoned Striving forward each day I hope to embrace new and different areas in my life to broaden the spectrum of my journey The main goal is to keep trying with the help of those around me and God I have tried to keep this book very short and to the point As busy as our lives seem to continue you will be able to read it in a brief setting I guess you could call it a drive through book The seven areas I focused on are an ongoing process You can not do everything each day of your life but you can strive to work at the process as the day begins Some days it is an effort to just keep yourself alive and moving forward Believe me I have had more of those days Love for Family, Friends, and Books
