Roaring Silence:

Music in the Late Twentieth Century Richard Taruskin, 2006-08-14 The universally acclaimed and award winning Oxford History of Western Music is the eminent musicologist Richard Taruskin's provocative erudite telling of the story of Western music from its earliest days to the present Each book in this superlative five volume set illuminates through a representative sampling of masterworks the themes styles and currents that give shape and direction to a significant period in the history of Western music Music in the Late Twentieth Century is the final installment of the set covering the years from the end of World War II to the present In these pages Taruskin illuminates the great compositions of recent times offering insightful analyses of works by Aaron Copland John Cage Milton Babbitt Benjamin Britten Steve Reich and Philip Glass among many others He also looks at the impact of electronic music and computers the rise of pop music and rock n roll the advent of postmodernism and the contemporary music of Laurie Anderson John Zorn and John Adams Laced with brilliant observations memorable musical analysis and a panoramic sense of the interactions between history culture politics art literature religion and music this book will be essential reading for anyone who wishes to understand this rich and diverse period

The Dharma Bums Jack Kerouac, 1971-05-27 Jack Kerouac's classic novel about friendship the search for meaning and the allure of nature In *On the Road* Kerouac's heroes were sensation seekers now they are seekers after truth the novel often attains a beautiful dignity Chicago Tribune First published in 1958 a year after *On the Road* put the Beat Generation on the map *The Dharma Bums* stands as one of Jack Kerouac's most powerful and influential novels The story focuses on two ebullient young Americans mountaineer poet and Zen Buddhist Japhy Ryder and Ray Smith a zestful innocent writer whose quest for Truth leads them on a heroic odyssey from marathon parties and poetry jam sessions in San Francisco's Bohemia to solitude and mountain climbing in the High Sierras

The New York Schools of Music and the Visual Arts Steven Johnson, 2012-11-12 Musicians and artists have always shared mutual interests and exchanged theories of art and creativity This exchange climaxed just after World War II when a group of New York based musicians including John Cage Morton Feldman Earle Brown and David Tudor formed friendships with a group of painters The latter group now known collectively as either the New York School or the Abstract Expressionists included Jackson Pollock Willem deKooning Robert Motherwell Mark Rothko Barnett Newman Clyfford Still Franz Kline Phillip Guston and William Baziotes The group also included a younger generation of artists particularly Robert Rauschenberg and Jasper Johns that stood somewhat apart from the Abstract Expressionists This group of painters created what is arguably the first significant American movement in the visual arts Inspired by the artists the New York School composers accomplished a similar feat By the beginning of the 1960s the New York Schools of art and music had assumed a position of leadership in the world of art For anyone interested in the development of 20th century art music and culture *The New York Schools of Music and Art* will make for illuminating reading

John Cage Rob Haskins, 2013-02-15 American writer composer artist and philosopher John Cage 1912-92 is best known

for his experimental composition 4 33 a musical score in which the performer does not play an instrument during the duration of the piece The purpose Cage said was for the audience to listen to the sounds of the environment around them while the piece was performed Groundbreaking pieces such as 4 33 as well as Sonatas and Interludes not only established Cage as a leading figure in the postwar avant garde movement but also cemented the enduring controversy surrounding his work In this new biography Rob Haskins explores Cage s radical approach to art and aesthetics and his belief that everyday life and art are one and the same Scrutinizing Cage s emphasis on chance over intention which rejected traditional artistic methods and caused an uproar among his peers Haskins elucidates the ideas that lay behind these pillars of Cage s work Haskins also demystifies the influence of Eastern cultures particularly Zen Buddhism on Cage including his use of the Chinese text I Ching as his standard composition tool in all his work after 1951 Adding to our understanding of the art music and ideas of the twentieth century this book provides an engaging look at a man who continues to challenge and inspire artists worldwide

Wrestling with God Steven T. Katz, Shlomo Biderman, Gershon Greenberg, 2007-01-04 This volume presents a wide ranging selection of Jewish theological responses to the Holocaust It will be the most complete anthology of its sort bringing together for the first time 1 a large sample of ultra orthodox writings translated from the Hebrew and Yiddish 2 a substantial selection of essays by Israeli authors also translated from the Hebrew 3 a broad sampling of works written in English by American and European authors These diverse selections represent virtually every significant theological position that has been articulated by a Jewish thinker in response to the Holocaust Included are rarely studied responses that were written while the Holocaust was happening

Experimentations Branden Wayne Joseph, 2016-08-11 The first detailed exploration of avant garde composer John Cage s interactions with art and architecture as a means of understanding the aesthetic and political stakes of his career

Poetic Thinking. Now Marko Pajević, 2023-09-15 This book presents my concept of poetic thinking in the context of debates around the anthropological question that is what is being human building on thinking language and dialogical thinking developing a poetological anthropology It evokes political and social issues to demonstrate why poetics is of general relevance for our times The chapters relate these questions to insights of quantum physics and neurosciences and discuss aspects of contemporary technology media and medicine employing notions such as atmospheres immanent transcendence silence and presence from contemporary thinkers Poetic thinking considers the world in its togetherness offering an alternative to the opposition of subject and object It demonstrates the transformative power in the interaction of the form of language and the form of life Poetic thinking takes place when a subject constitutes itself in creative and dialogical language transforming its ways of feeling and thinking in short its way of perceiving the world

Revolutions in American Music Michael Broyles, 2024-02-20 The story of how unexpected connections between music technology and race across three tumultuous decades changed American culture How did a European social dance craze become part of an American presidential election Why did the recording industry

become racially divided Where did rock n roll really come from And how do all these things continue to reverberate in today s world In *Revolutions in American Music* award winning author Michael Broyles shows the surprising ways in which three key decades the 1840s the 1920s and the 1950s shaped America s musical future Drawing connections between new styles of music like the minstrel show jazz and rock n roll and emerging technologies like the locomotive the first music recordings and the transistor radio Broyles argues that these decades fundamentally remade our cultural landscape in enduring ways At the same time these connections revealed racial fault lines running through the business of music in an echo of American society as a whole Through the music of each decade we come to see anew the social cultural and political fabric of the time Broyles combines broad historical perspective with an eye for the telling detail and presents a variety of characters to serve as focal points including the original Jim Crow a colorful Hungarian dancing master named Gabriel de Korponay Empress of the Blues Bessie Smith and the singer Johnnie Ray whom Tony Bennett called the father of rock n roll Their stories and many others animate Broyles s masterly account of how American music became what it is today

The Toymaker of Nuremberg Austin Strong,1921 *Just Beyond Listening* Michael C. Heller,2023-11-14 *Just Beyond Listening* asks how we might think about encounters with sound that complicate standard accounts of aurality In a series of essays Michael C Heller considers how sound functions in dialogue with a range of sensory and affective modalities including physical co presence textual interference and spectral haunting The text investigates sound that is experienced in other parts of the body altered by cross wirings of the senses weaponized by the military or mediated and changed by cultural practices and memory Building on recent scholarship in sound studies and affect theory Heller questions not only how sound propagates acoustically but how sonic presences temper our total experience of the world around us

Conceptual Revolutions in Twentieth-Century Art David W. Galenson,2009-09-28 Galenson combines social scientific methods with qualitative analysis to produce a new interpretation of modern art **At Night, the Lanterns Cry** Gustav Jacobsen,2023-11-10 As the relentless war draws to a close Oulyia s fate hangs in the balance With one final chance to repel the Covenant and save their land from the invading hordes Oulyia rallies its last remaining army But what if they fail The weight of uncertainty looms heavy as their ultimate destiny teeters on the brink Pesan understands the slim odds and the painful reality that he was denied the chance to join the fight unlike his brother Yet regardless of the war s outcome he knows he cannot remain with a family that neglects him and life itself As the war for Oulyia nears its conclusion Pesan s own journey is about to unfold with its own trials and tribulations In the gripping narrative of *At Night the Lanterns Cry* the ceaseless escalation of conflict unveils the profound impact of rulers pursuits on nations and their people Allegiances are tested friendships strained and ideologies challenged as the characters navigate a world pushed to its limits Prepare for an enthralling tale where the stakes are high and the consequences of personal ambitions reverberate through the lives of nations

Lou Harrison Bill Alves,Brett Campbell,2017-04-10 A biography on the legendary gay American composer of contemporary classical music

American composer Lou Harrison 1917 2003 is perhaps best known for challenging the traditional musical establishment along with his contemporaries and close colleagues composers John Cage Aaron Copland Virgil Thomson and Leonard Bernstein Living Theater founder Judith Malina and choreographer Merce Cunningham Today musicians from Bang on a Can to Björk are indebted to the cultural hybrids Harrison pioneered half a century ago His explorations of new tonalities at a time when the rest of the avant garde considered such interests heretical set the stage for minimalism and musical post modernism His propulsive rhythms and ground breaking use of percussion have inspired choreographers from Merce Cunningham to Mark Morris and he is considered the godfather of the so called world music phenomenon that has invigorated Western music with global sounds over the past two decades In this biography authors Bill Alves and Brett Campbell trace Harrison's life and career from the diverse streets of San Francisco where he studied with music experimentalist Henry Cowell and Austrian composer Arnold Schoenberg and where he discovered his love for all things non traditional Beat poetry parties and men to the competitive performance industry in New York where he subsequently launched his career as a composer conducted Charles Ives's Third Symphony at Carnegie Hall winning the elder composer a Pulitzer Prize and experienced a devastating mental breakdown to the experimental arts institution of Black Mountain College where he was involved in the first happenings with Cage Cunningham and others and finally back to California where he would become a strong voice in human rights and environmental campaigns and compose some of the most eclectic pieces of his career Lou Harrison's avuncular personality and tuneful music coaxed affectionate regard from all who knew him and that affection is evident on every page of Alves and Campbell's new biography Eminently readable it puts Harrison at the center of American music he knew everyone important and was in touch with everybody from mentors like Henry Cowell and Arnold Schoenberg and Charles Ives and Harry Partch and Virgil Thomson to peers like John Cage to students like Janice Giteck and Paul Dresher He was larger than life in person and now he is larger than life in history as well Kyle Gann author of Charles Ives's Concord Essays After a Sonata

John Cage David W. Patterson, 2013-10-28 John Cage seeks to explore the early part of the composer's life and career concentrating on the pre chance period between 1933 and 1950 that is crucial to understanding his later work The essays consider Cage's influences his evolving aesthetic and his movement toward ideology that would later shape his work

Terrible Freedom Amy C. Beal, 2024-04-23 From her childhood in Detroit to her professional career in New York City American composer Lucia Dlugoszewski 1925 2000 lived a life of relentless creativity as a poet and writer composer for dance theater and film and eventually choreographer Forging her own path after briefly studying with John Cage and Edgard Varèse Dlugoszewski tackled the musical issues of her time She expanded sonic resources invented instruments brought new focus to timbre and texture collaborated with artists across disciplines and incorporated spiritual psychological and philosophical influences into her work Remembered today almost solely as the musical director for the Erick Hawkins Dance Company Dlugoszewski's compositional output writings on aesthetics creative

relationships and graphic poetry deserve careful examination on their own terms within the history of American experimental music
