Serving Families And Children Through Partnerships A Howtodoit Manual For Librarians

Linda S Katz

Serving Families And Children Through Partnerships A Howtooit Manual For Librarians:

Serving Families and Children Through Partnerships Sandra Feinberg, Sari Feldman, 1996 This manual explains how to forge new partnerships with agencies and organisations that focus on families and young children in order to design a family centred environment for the library Each chapter centres on different ways in which the library can best serve families and children

Resources in Education ,2000-10 *The Family-centered Library Handbook* Sandra Feinberg, 2007 Provides information on offering library services for families with young children

Learning Environments for Young Children Sandra Feinberg, Joan F. Kuchner, Sari Feldman, 1998 The vision of Learning Environments for Young Children Rethinking Library Spaces and Services is about learning families and community where the public library presents a community based educational setting in which librarians serve as educators guides coaches and facilitators of lifelong active learning access for children to enriching satisfying and developmentally appropriate resources and learning opportunities diverse collections programs and technical resources for young children and the adults in their lives programs and resources that encourage children s focused participation creativity critical thinking cooperation and problem solving and a nonjudgmental integrated and interdisciplinary approach to lifelong learning developing the whole person child or adult Included in Learning Environments for Young Children are field tested measuring instruments that you and your staff can use to conduct a qualitative assessment of your library s children s services These ready to use forms will help you collect information that will highlight the importance of early childhood services in presentations to funding sources trustees and other key stakeholders

Including Families of Children with Special Needs Carrie Scott Banks, Sandra Feinberg, Barbara A. Jordan, Kathleen Deerr, Michelle Langa, 2014 More than 6 5 million children in the US receive special education services in any given community approximately one child out of every six will get speech therapy go to counseling attend classes exclusively with other children with disabilities or receive some other service that allows him or her to learn This new revised edition is a step by step guide to serving children and youth with disabilities as well as the family members caregivers and other people involved in their lives The authors show how staff can enable full use of the library s resources by integrating the methods of educators medical and psychological therapists social workers librarians parents and other caregivers Widening the scope to address the needs of teens as well as preschool and school age children this edition also discusses the needs of Spanish speaking children with disabilities and their families looking at cultural competency as well as Spanish language resources Enhanced with checklists stories based on real experiences descriptions of model programs and resources and an overview of appropriate internet sites and services this how to gives thorough consideration to Partnering and collaborating with parents and other professionals Developing special collections and resources Assessing competencies and skills Principles underlying family centered services and resource based practices The interrelationship of early intervention special education and library service This manual will prove valuable not only to children s services librarians outreach librarians and library

administrators but also early intervention and family support professionals early childhood and special educators childcare workers daycare and after school program providers and policymakers

Selecting Materials for Library Collections
Linda S Katz, 2012-12-06 Strategies and tools to help you plan build and maintain your library collection *Selecting Materials for Library Collections* takes you step by step through the process of planning building and maintaining a quality library collection This up to date guide addresses the interests and concerns of academic and public libraries with expert advice on budgets policies and planning The book examines print non print and Internet selection resources including the OCLC WorldCat Database and ACQNET L You ll find valuable information you can apply right away to help you keep any collection relevant and up to date *Selecting Materials for Library Collections* provides the tools you need to keep your library collection current Seasoned experts share their thoughts on how to analyze your users expectations and then provide them with the materials they need The contributors also examine the selection aids that they use in their own acquisitions work and then look at how to achieve a balanced collection that efficiently serves their clients needs Supplementary reading lists and extensive bibliographies provide you with additional resources *Selecting Materials for Library Collections* presents the latest information on using print non print and Internet selection resources such as OCLC WorldCat database and ACQNET L initial collection assessment and decision making collection tool evaluations acquiring international core titles the New Thought movement approval plans set up maintenance and evaluation the newest technology for media selection specialized library collections in music art business economics health sports leisure and more

Library Services from Birth to Five Carolynn Rankin, Avril Brock, 2015-02-25 Following on from their ground breaking first book *Delivering the Best Start* Rankin and Brock return to the subject of pre school and early years library provision with contributions and case studies from innovators and experts around the world There is a growing awareness of the significance of the first five years of life for intellectual social and emotional development and early intervention is of political interest This book provides knowledge and understanding about early language and literacy development and how young children become successful through enjoyable and meaningful experiences Coverage includes an examination of the key role of library practitioners who work with young children the importance of effective interdisciplinary teamwork for professionals working with the early years a focus on involving parents and carers and valuing their culture language heritage and community practical guidance given on setting up and running pre school library services contributions and case studies from experts around the world This book will be useful reading for early years professionals and librarians those responsible for commissioning and delivering pre school library services students of library and information studies or childhood studies and practitioners undertaking practical early years qualifications

Adult Education and Literacy Resources ,1997 *Delivering the Best Start* Carolynn Rankin, Avril Brock, 2009 The Early Years Foundation Stage EYFS is now statutory in the UK for children from birth to five years and other countries are experiencing similar developments early years librarians teachers nursery nurses playgroup

leaders and childminders all require knowledge of how to promote and encourage communication language and literary skills Parental reading with young children is clearly vitally important and libraries are uniquely placed to support the development of literacy skills in pre school children This book provides an understanding of how children develop such skills through enjoyable and meaningful learning experiences and is a pioneering practical guide for library and information professionals involved in planning and delivering services in early years libraries Drawing on the authors underpinning contemporary research and examples from current best practice it will equip practitioners with a broad range of knowledge and ideas Key areas covered include take them to the library the role of the early years professional people and partnerships working across interdisciplinary boundaries and how to involve parents and carers buildings design and space the children s libraries of the future resources for early years libraries books toys and other delights reaching your audience the librarian s role planning and organizing projects and reading sessions User friendly and accessible each chapter is clearly structured and sets out the key issues for practitioners scenarios offering insights into these and practical ideas and resources for service provision The book also includes case studies of successful pre school library initiatives in a variety of global settings useful information about relevant organizations and links to helpful websites This valuable text is essential reading for all library and information professionals working with young children whether those with responsibility for the strategic planning of services or those involved in delivering them at community level Readership Essential for students of library and information studies or childhood studies and practitioners undertaking NVQ qualifications it also provides a sound background in early years literacy and provision for a range of local authority practitioners such as nursery teachers and Children s Centre managers

Create, Innovate, and Serve Kathleen Campana,J. Elizabeth Mills,2019-04-01 Emphasizing an inclusive approach to programming that incorporates research based theories and frameworks this text will be a valuable orientation tool for LIS students as well as a holistic guide for current children and youth services professionals
