A Dictionary of the Holy Bible John Brown,1833 **The Works** William Laud,1857 *Malachi Then and Now* Allen P. Ross,2018-11-30 A rich and satisfying commentary on Malachi that unfolds its powerful message Since Malachi deals with topics such as money marriage worship and the love of God contemporary Christians can learn much from this ancient book In addition to commenting on the book of Malachi this volume shows how to develop biblical expositions from a solid exegetical analysis of the text I have chosen the book of Malachi writes the author because it is short and can be easily expounded in a short series and because it has a good variety of forms and constructions that provide test cases for a practicum in exegesis But most of all because the messages recorded here are needed just as much today as in Malachi's day
