McIntosh, 2012-05-01 A startling 85% of churches in the US are plateaued or declining a trend that has been building for the past fifty years In the face of shrinking attendance and lagging spiritual growth pastors and church leaders are understandably discouraged and demoralized But the first step to turning things around is hope Church health expert Gary McIntosh offers this hope by showing church leaders the first things they need to do to make a new start for their church God can and does restore churches to new life even as he restores individuals The street smart ideas and step by step instructions found in this book are ones that pastors and church leaders can put to use immediately in their churches to bring about solid growth and renewed hope for the future **The Trinitarian Dance** Sharon Tam, 2015-02-02 The Trinitarian Dance presents a model of leadership development based on the Holy Trinity Part one analyzes the present state of the cultural and ecclesiastical situation in Canada identifying specific trends and aspects relating to the need for development of effective leadership in the church This section sets the stage for Part two where a theology of trinitarian leadership is developed based on the dynamic of perichoresis with the motif of a dance used to present a paradigm of transformational leadership Part three offers church based strategies for leadership development concluding with a creative application of the doxological formula that captures the thrust of the entire book and leads it to a finale that includes a benediction of hope for the church through this leadership model **Setting Your Church Free Steps** Neil T. Anderson, Charles Mylander, 2005-06-15 A biblical plan to help your church achieve unity and freedom in Christ **Essentials of Spiritual Warfare** A. Scott Moreau, 2008-09-01 There s a war going on and you have what it takes to win Christians are engaged in a cosmic war between good and evil a war waged on many fronts in our hearts and minds in our churches and in our world How can we be equipped for the fight Is God still in control How did Jesus engage in spiritual warfare How powerful is Satan and how can we resist him With clarity and depth Scott Moreau answers these questions and more as he maps out a biblical overview of spiritual warfare He encourages us to put truth into action and to stand firm in our personal battles and against evil in the world [3 Crucial Questions about](#)

Spiritual Warfare (Three Crucial Questions) Clinton E. Arnold, 1997-08-01 Knowledgeable accessible answers to these provocative questions What is spiritual warfare Can a Christian be demon possessed Are we called to engage territorial spirits

Hope Greg Liston, Sarah Penwarden, 2025-10-28 In a world where the toxicity of the contemporary Western church is regularly and often justifiably highlighted this volume explores how churches can be places of hope God's plan is that churches become communities of transformation and restoration both for individuals and for wider society Gathering the voices of practitioners biblical scholars systematic theologians practical theologians and counsellors this work offers a multidisciplinary exploration of how guided by the Spirit of God we can positively create and sustain flourishing churches which nurture both individuals and the wider community

Counseling and Community Rod Wilson, 2003-04 Traditionally counseling has focused primarily on the individual overlooking the interaction between the community and the individual Wilson has created a biblically based counseling model that anchors the individual within the community The result is a perspective that encompasses all aspects of a person's life where the community becomes a helper in the counseling process The thesis of this book is tied to the assumption that we need a counseling approach that is community oriented rather than exclusively focused on the individual When this is the case we will be able to appreciate the biblical emphasis on the people of God While he prizes a relationship with individuals God's heart is with a body a fellowship a community Both pastors and private counselors need to reaffirm the priority of community and its power in the healing process Rod Wilson PhD York University is President and Professor of Counselling and Psychology at Regent College in Vancouver B C Canada He is also the author of *Exploring Your Anger and Helping Angry People*
