narrative are inextricably intertwined in the Mishnah Narrative is central to the way in which the Mishnah transmits law and ideas about jurisprudence Furthermore the Mishnah s stories are the locus around which the Mishnah both constructs and critiques its concept of the rabbis as the ultimate arbiters of Jewish law and practice In the second half of the book Simon Shoshan applies these ideas to close readings of individual Mishnaic stories Among these stories are some of the most famous narratives in rabbinic literature including those of Honi the Circle drawer and R Gamliel s Yom Kippur confrontation with R Joshua In each instance Simon Shoshan elucidates the legal political theological and human elements of the story and places them in the wider context of the book s arguments about law narrative and rabbinic authority Stories of the Law presents an original and forceful argument for applying literary theory to legal texts challenging the traditional distinctions between law and literature that underlie much contemporary scholarship
