With a synopsis of the most important events in English history** Thomas Haughton (schoolmaster.), 1876 **Empress Galla Placidia and the Fall of the Roman Empire** Kenneth Atkinson, 2020-06-01 Despite her status as one of history's most important women the story of Galla Placidia's life has been largely forgotten Though the Roman empress witnessed the decline and fall of the Roman Empire in the 5th century and lived a life of almost constant suffering her actions helped postpone the fall of Rome and had massive widespread impact on the empire that can still be felt today She watched the barbarian king Alaric and his horde of Visigoth warriors sack Rome slaughter many of the city's inhabitants and take her hostage Surviving captivity Galla Placidia became the queen of the barbarians who had imprisoned her Eventually she became the only woman to rule the Roman empire alone Soldiers obeyed her commands while Popes and Christian saints alike sought her advice Despite all obstacles and likely suffering from what we now know as PTSD she lived to an old age by the standards of the time This book uses the letters and writings of Galla Placidia's contemporaries to reconstruct in more depth and detail than has previously been attempted the remarkable story of her life and the decline and fall of the Roman Empire Blood Royal Robert Bartlett, 2020-07-09 Throughout medieval Europe for hundreds of years monarchy was the way that politics worked in most countries This meant power was in the hands of a family a dynasty that politics was family politics and political life was shaped by the births marriages and deaths of the ruling family How did the dynastic system cope with female rule or pretenders to the throne How did dynasties use names the numbering of rulers and the visual display of heraldry to express their identity And why did some royal families survive and thrive while others did not Drawing on a rich and memorable body of sources this engaging and original history of dynastic power in Latin Christendom and Byzantium explores the role played by family dynamics and family consciousness in the politics of the royal and imperial dynasties of Europe From royal marriages and the birth of sons to female sovereigns mistresses and wicked uncles Robert Bartlett makes enthralling sense of the complex web of internal rivalries and loyalties of the ruling dynasties and casts fresh light on an essential feature of the medieval world Goddess Wisdom Tanishka, 2017 Ancient civilizations worshipped female deities and women were the leaders counsellors and healers of nations However through various historical events such as the arrival of Christianity in many cultures the worship of the goddess was lost In this book author Tanishka shares the long lost ancient culture of the goddess *Goddess Wisdom Made Easy* Tanishka, 2019-01-08 Learn about the ancient goddess traditions and reconnect with your femininity your natural cycles and your intuition Ancient civilizations once worshipped female deities and women were the leaders counsellors and healers of their communities Through the ages the wisdom of the Goddess was then forgotten and people around the world lost their connection to ancient feminine wisdom In this practical guide Tanishka a leading teacher and author of women's wisdom
