Hamblin, 2010-06 Since being written the end time prophecies of the Bible have been shrouded in mystery Our world is now inundated with book after book on the subject of end time interpretation Often the most important aspects of the Bible s prophecies are twisted or changed to fit the needs of a Hollywood movie Expertly sifting through the modern fog covering these important prophecies David Hamblin takes an exhaustive yet thoroughly readable approach to the study of the end times Using the proven techniques of the scientific method David put together a system of prophecy analysis that would allow for extremely complex theories to be tested against the many and varying passages of end times prophecy Beginning with a solid faith in the Bible as the infallible Word of God he now presents his findings in God s Prophetic Timeline Never before has there been such a clear and concise presentation of God s timeline for the future along with many passages that David admits we cannot yet understand Written for the minister and layperson alike it begins by explaining the church age and progresses through each of Revelation s seven phases ending with new heaven and new earth His approach details even

subtle prophetic material including Israel's future wealth the world war it triggers and Jesus coronation Don't be puzzled any longer by confusion on the subject of prophecy Leave behind the many contradictory theories propagated by the misinformed Follow along as God's Prophetic Timeline shows you in detail the tested validated and unified understanding of the Bible's prophecies

The Seventh-Day Sabbath and Its Redemptive Function in God's Everlasting Covenant of Grace A. M. Simataa, 2012-05-10 This special and remarkable book The Seventh day Sabbath and its Redemptive Function in God's Everlasting Covenant of Grace by A M Simataa addresses topical issues in the Bible quite pertinent to the 21st Century Christianity The author takes a defensive approach of the gospel and brings to the surface some of the least understood teachings of the Bible Although written from a Seventh day Adventists perspective people of differing religious background and persuasions will find this book very instructive If you have been looking for a book that pains takingly discusses the Gospel seriously and biblically this is the book you have been searching for Some of the topics featured in the book include The Truth about the Bible Sabbath The Judgment of the Living Heavenly New Jerusalem The Marriage Supper of the Lamb and the Rapture The Remnant Church in the Parables Mr A M Simataa teaches at a High School in Windhoek Namibia He likes sharing the Gospel with others and spends some of his spare time witnessing to others The central role of the Seventh day Sabbath in the Redemption of our race is the least understood topic in the Bible today Most believers have even dismissed its relevance to today's Christianity However the truth is that the Sabbath is at the heart of Christ's work to save human beings in accordance with God's plan The Sabbath is so central to the work of atonement that Christ is referred to in the Bible as the Lord of the Sabbath The issue of the Sabbath will become pertinent as we near the End and every human being will be required to take a stand in the conflict involving the Sabbath question This book will plant your feet on a solid foundation
