Seven Visions Of God:

Seven Visions of God G. S. Irving, 2002 *7 Visions 7 Truths* David Scherbarth, 2014-07-15 *7 Visions 7 Truths* is a book that will change your life Within the book of Revelation God has recorded seven visions each containing a message about this world that you need to know *7 Visions 7 Truths* shows how the seven messages combine to explain what is happening in this world every day and to reveal your purpose within God's master plan Pastor Scherbarth wrote *7 Visions 7 Truths* to open the book of Revelation to everyone Whether you are a Bible expert or a Bible novice *7 Visions 7 Truths* will make it possible for you to read Revelation and to understand what God is revealing in this important book The seven truths of Revelation will change your life forever *Seven Visions of Christ* Stephen Kaung, 2024-08-29 Stephen Kaung goes through seven visions of Christ that are revealed in the book of Revelation All of the prophecies given are meant to bring us to the testimony of Jesus Revelation 19 10 The many and varied details are simply part of the background to the sight of Christ God also wants us to not only see Christ but to see Him in light of our current time the end of days With vision we will no longer cast off restraint Proverbs 29 18 but will instead be transformed and enabled to help bring in His kingdom **Still Here!** Braxton DeGarmo, 2021-10-26 *The Apocalypse* A code book of future events awaiting deciphering Or a picture book of current events Is there a global tyrant who will be known as the Antichrist Who or what is the Beast The False Prophet Who are the 144 000 What is Babylon and who is the Prostitute who seduces the world Understanding the Book of Revelation need not be daunting You don't have to be theological scholar to understand it After all John wrote it for the common man Yet the key to understanding lies in the Old Testament foreshadowing and types preceding it Nowhere is the phrase The Old Testament is the New Testament concealed and the New Testament is the Old Testament revealed more true And once you understand it and take a look at the world today the more you might recognize that the Apocalypse is now Hope Revealed Robert P. Vande Kappelle, 2013-08-23 *Hope Revealed* sets the record straight Revelation is not as bizarre and vindictive as many have imagined Its message is hopeful not pessimistic world affirming not world denying and thoroughly congruent with the biblical emphasis on love reconciliation and forgiveness Revelation invites us to drink deeply from its metaphors of promise and warning vision and blessing While Revelation's method and theological conceptuality are relatively different from the rest of the New Testament once they are appreciated in their own right they contribute to make this book not only one of the finest literary works in the Christian canon but also one of the greatest theological achievements of early Christianity The Apocalypse Charles H. Talbert, 1994-01-01 In this concise and clearly written commentary Charles H Talbert brings to mainline Christians a fresh reading of the book of Revelation demonstrating that it is not only accessible but relevant for the modern day Christian According to Talbert the primary causes of the marginalized status of the book of Revelation by mainline Christians are threefold the apparent inaccessibility of its meaning the seeming impossibility of its pastoral application and its demonstrated susceptibility to abuse Talbert ably demonstrates that the book of Revelation was written to

help the early Christians avoid assimilation into the larger pagan culture Talbert also gives full attention to the literature of the Greco Roman early Christian and early Jewish worlds as he examines the more mystical components of the narrative

The Grand Finale Anton Wessels,2020-07-13 We often hear that we are living in apocalyptic times Wars like those in the Middle East are just more signs that the end is near That however is a misunderstanding of the message of the Bible and the Qur an The basic meaning of apocalypse is disclosure revelation bringing to light what is happening now and what has happened throughout all of history The apocalypse is not about making predictions about the future but about determining who bears responsibility for injustice in the world In that sense all times including ours are apocalyptic though in a different way than what is usually thought Since the devastating Greek conquest of the world by Alexander the Great there have been apocalyptic insights and revelatory readings of the whole Hebrew Bible The same is true of the New Testament with Rome as the world power then The same apocalyptic message is confirmed by the Qur an when the Byzantines and the Persians fought for mastery of the world The apocalyptic message is that God will put an end to the unjust dominion of violence money and lies God s kingdom will certainly arrive but not through violence after all there is no violence in God Diognetus

Revelation: Visions for Today W.J. Dumbrell,2017-11-27 Revelation offers a new way of viewing the world When humans reject the divine order they misuse creation and thereby break the covenant with creation The results of the breach of covenant include disease suffering famine and deprivation Revelation is the unfolding of the significance of the cross through the witness of Jesus given by those who belong to him The death resurrection and ascension of the witnesses the church identify them as the covenant people of God re acting the full ministry of Jesus To each church the message is the same believers can only enter the new Jerusalem by faithfulness unto death Evil conquered by the cross will finally be eliminated from human experience New covenant believers will therefore experience the divine purpose and provision of life in a new Eden from William Dumbrell s New Covenant Commentary
