The Great Empires of the Ancient World Thomas

Harrison,2022-07-05 A compelling history of the world's greatest ancient powers In this highly appealing collection a distinguished team of internationally renowned scholars survey the great empires from 1600 BCE to 500 CE In ten comprehensive chapters from the ancient Mediterranean to China these experts guide readers through the empires of New Kingdom Egypt the Hittites Assyria and Babylonia Achaemenid Persia Athens Alexander the Great and his successors Parthian and early Sasanian Persia Rome India and Qin and Han China Each chapter conveys the main narrative of events their impact on ancient societies and the dominant rulers who shaped that history from Ramesses II in Egypt to Chandragupta in India from Rome's Augustus to China's Shi Huangdi Exploring the nature of empire itself The Great Empires of the Ancient World shows how profoundly imperialism in the distant past influenced our contemporary ideas of power

The Development of Royal Funerary Cult at Abydos Laurel Bestock,2009 Two of the most characteristic aspects of ancient Egyptian culture kingship and a great attention to death were present from a very early age The first kings to rule all of Egypt came to power in approximately 3000 B C and the same kings were the first to have monumental tombs and funerary temples built These early royal mortuary temples in particular are quite enigmatic but the recent discovery of two previously unknown monuments at the site of Abydos is shedding new light on their development and use Most surprisingly these temples are from the same reign suggesting that members of the royal family in addition to the king might have received funerary cult in the early First Dynasty This study documents the excavation of these two temples their provision for the dedication of offerings and the sacrificial burials that surrounded them It sets these monuments within the framework of the rise of Egyptian kingship and cult examining both continuities and innovations in royal mortuary practice during this formative period of Egyptian civilization
