Seventy Years Of Bbc Sport:

Seventy Years of BBC Sport Brian Gearing, 1999 Illustrated tribute to seventy years of BBC Sports coverage both on television and radio at home and abroad and a unique testament to a magnificent era of sporting excellence **Seventy Years of Bbc Sport.** Andre Deutsch, 2000-03-01 **British Sport: a Bibliography to 2000** Richard Cox, 2013-12-16 Volume one of a bibliography documenting all that has been written in the English language on the history of sport and physical education in Britain It lists all secondary source material including reference works in a classified order to meet the needs of the sports historian **International Sport: A Bibliography, 1995-1999** Richard William Cox, 2004-04-22 There has been an explosion in the quantity of sports history literature published in recent years making it increasingly difficult to keep abreast of developments The annual number of publications has increased from around 250 to 1 000 a year over the last decade This is due in part to the fact that during the late 1980s and 90s many clubs leagues and governing bodies of sport have celebrated their centenaries and produced histories to mark this occasion and commemorate their achievements It is also the result of the growing popularity and realisation of the importance of sport history research within academe This international bibliography of books articles conference proceedings and essays in the English language is a one stop for the sports historian to know what is new BBC Sports Report Pat Murphy, 2022-09-29 SHORTLISTED FOR THE SUNDAY TIMES SPORTS BOOK AWARDS 2023 SPORTS ENTERTAINMENT BOOK OF THE YEAR Sports Report is as much a 75 year history of sport as a BBC radio institution and Pat Murphy pays handsome tribute to a programme that is still followed affectionately by millions For nearly 75 years one BBC programme has been a constant factor in chronicling the way sport is covered in all its many facets It has been a window on the sporting world all over the globe packed tightly into every Saturday evening for the bulk of the year First broadcast in 1948 Sports Report is the longest running radio sporting programme in the world and one of the BBC s hardy perennials Pat Murphy has been a reporter on the programme since 1981 and here he sifts comprehensively through the experiences of his contemporaries and those who made their mark on Sports Report in earlier decades He hears from commentators reporters producers presenters and the production teams who regularly achieved the broadcasting miracle of getting a live programme on air without a script adapting as the hour of news reaction and comment unfolded Drawing on unique access from the BBC Archives Unit he highlights memorable moments from Sports Report details the challenges faced in getting live interviews on air from draughty noisy dressing room areas and celebrates the feat of just a small production team in the studio who somehow get the show up and running every Saturday with the clock ticking implacably on Sport and Physical Education: The Key Concepts Tim Chandler, Mike Cronin, 2002-09-11 First published in 2002 Routledge is an imprint of Taylor Francis an informa company *Desert Island Discs: 70 Years of Castaways* Sean Magee, 2012-09-13 For seventy years now Desert Island Discs has managed that rare feat to be both enduring and relevant By casting away the biggest names of the day in science business politics showbiz sport and

the arts it presents a cross sectional snapshot of the times in which we live As the decades have passed the programme has kept pace never frozen in time yet always somehow comfortingly the same Kirsty Young BBC Radio 4 s Desert Island Discs celebrates its seventieth birthday in 2012 Since the programme s deviser Roy Plomley interviewed comedian Vic Oliver in January 1942 nearly 3 000 distinguished people from all walks of life have been stranded on the mythical island accompanied by only eight records one book and a luxury Here the story of one of BBC Radio 4 s favourite programmes is chronicled through a special selection of castaways Roy Plomley inventor of the programme as well as its presenter for over forty years quizzes the young Cliff Richard about these rather frenzied movements the 1960s pop sensation makes on the stage Robert Maxwell tells Plomley s successor Michael Parkinson that I will have left the world a slightly better place by having lived in it Diana Mosley assures Sue Lawley that Adolf Hitler was extraordinarily fascinating and had mesmeric blue eyes And Johnny Vegas tugs Kirsty Young s heart strings with his account of a childhood so impoverished that family pets were fair game My dad had always claimed that rabbits were livestock but we d never eaten one before Desert Island Discs is much more than a radio programme It is a unique and enduringly popular take on our lives and times and this extensively illustrated book tells in rich detail the colourful and absorbing story of an extraordinary institution **British Sport** Richard William Cox,2003 Volume three of a bibliography documenting all that has been written in the English language on the history of sport and physical education in Britain It lists all secondary source material including reference works in a classified order to meet the needs of the sports historian **Scotland in the Seventies** Ronnie McDevitt,2019-02-02 The 1970s saw a change in the fortunes of the Scottish national side Having exited undefeated at the 1974 World Cup in West Germany the sobering trip to Argentina 78 prompted more realistic future expectations Extensively researched Scotland in the 70s examines the decade s 89 matches in depth with the help of countless star contributors **Encyclopedia of British Sport** Richard Cox,Wray Vamplew,Grant Jarvie,2000-12-05 Includes entries on individual sports from football to fencing and polo to pigeon racing the London Marathon the Grand National the Isle of Man TT races the Olympic Games the F A Cup Test Matches the Boat Race Wimbledon Wembley Stadium and much more key issues such as fair play gender racism commercialization professionalism alcohol and drugs the sociology psychology and language of sport and sport in drama film literature and the visual arts BOOK JACKET
