Ernest Oglesby

Severed Wing:

Torn Asunder Kevin Ruesch, 2003-07 d20 combat is efficient yet abstract While the concept of hit points works well when envisioning a tense fight of sweat parrying near misses and fatigue it falls on its knees the minute your character takes a solid and brutal blow to the head How exactly are you supposed to adjudicate a broken arm a gouged eye a lacerated liver or a crushed spine *Torn Asunder* provides a complete and comprehensive system for critical hits in any d20 game The system is elegant and easy to use it does not do away with hit points or even alter the combat rules it simply provides an optional way to deal with critical hits besides piling on additional damage Critical hits are real hits disabling function mangling body parts and leaving real wounds behind *Torn Asunder* pulls no punches it provides a realistic and effective injury system for d20 covering all creatures anatomies and body types Included as well are rules for natural healing scarification and herbal treatments *Torn Asunder* also provides a wide variety of resources allowing characters to take advantage of the new system from quick and precise prestige classes to devastating weapons to powerful and essential magical devices Don't just beat your opponents into submission tear them limb from limb

A Wing and a Prayer Ernest Oglesby, 2011-03-08 In the year 40 AD angels Gabriel and Lucifer are sentenced to a long lonely life on earth Captured by Celtic Druids their wings slashed from their backs the angels can no longer survive among their kind They must do their best to live out their existence hiding among the humans By the time of World War II Gabriel is living in America The Catholic Church has for many years kept up a persistent and prolonged effort to find him needing the secrets of eternal life held within his blood Gabriel has lost touch with Lucifer but tracks him to Rome and seeks the assistance of Laura Donovan from the American Embassy to locate the missing Lucifer Donovan has managed to follow Lucifers movements upon entering Rome almost three months ago Gabriel fears Lucifer may have fallen into the hands of the Catholic Church one of many organizations that want the secret of the special life giving blood that runs through their veins Gabriel has played this deadly game before Hes prepared he has an ace up his sleeve What he doesn't know though is that the Church has two

The Fallen Carmen Kern, 2019-12-05 A demon an angel and a human hunt for a supernatural artifact what could go wrong Lucifer Morningstar aka the Devil has a lead on an ancient and powerful object one that will render his growing army virtually indestructible Unfortunately he has pressing business to attend to Fortunately he has people to do his bidding Lucifer interrupts Rucker's rigid writing schedule to vlog the evening's adventures with Fear a demon and Lucifer's right hand man and Penn his not so guardian angel as they track an ancient garment with supernatural powers What they don't expect is the attack of an ancient god king Rucker's dead father showing up artifact in hand or an unsuspecting passenger with gut issues Rucker faces a world where his father has as many secrets as the Devil an ancient king of Babylon turns into a gargoyle and angels and demons have more in common than they would admit As Lucifer's collection of supernatural weapons grows along with the rumors of an apocalyptic war Rucker secretly digs in the library archives for a way to stop it

But with little freedom limited resources and a shortlist of allies Rucker will need more than a miracle to save himself and the ones he loves even his father THE FALLEN is the third novella in The Lucifer Chronicles series **Chosen** J. Mark McDonald,2023-01-05 The richest man in the world enlists powerful allies from another plane to assume his place as emperor not realizing that even he is a pawn War rages between Bronland and Tomania threatening the foundations of both countries A new religious movement challenges the dominant Theocon for the souls of man All that stands between Androvia and ruin are a squire a servant girl and an executed criminal that has returned from the grave And that s only the beginning Worse things than the petty squabbles of men threaten the land they call home Drogen B.W. Goodwin,2018-10-04 To be a hatchling among the oldest of races causes the young to mature expeditiously Something Drogen ascertained and augmented to without hesitation battling his own self doubt and the power he inherited through blood As Drogen overhears tales of adventure from his kin about the world outside his home he wants nothing more than to have and share his own accomplishments and failures What is a hatchling to do when the future feels like a distant dream But when the gods come knocking will Drogen be ready to weather the storm and prevail in a world foreign to his own *Accident Investigation Report* ,1950 **Arcadia** A.E.M. Mueller,2025-05-30 Highschooler Avery Warren is torn from his home and into the world of Aanda by the terrifying dragon like Wurms Before they can reclaim the power in his blood stolen from them by his ancestor he s freed allegedly anyway His rescuers are human and still celebrate what his ancestor did to free them from the Wurm empire twelve hundred years ago in fact he ll be doing that again please and thank you Though the people around him are kinder than the Wurms mostly it s clear to Avery that in return for saving his life they expect him to master the power in his blood and use it to exterminate the last of the Wurms dying empire If he can actually master that power If the Wurms don t find him If the warring factions among the humans don t tear him to pieces first Avery s not the only one stuck in a web of everyone else s plans for him Back in the last surviving city of Wurms a talented alchemist named Rilus is named heir to the throne a move nobody was expecting not even Rilus He ll have to prove his worth to both himself and the disenfranchised nobility of the old Empire if he wants to survive his promotion If he wants his baby sister to ever get to see the outside world If he wants to get back what was stolen and save his kind from extinction The fate of two civilizations it seems rests in the hands of a teenage boy if he can keep those hands attached to his body long enough to use them **The Inventor of Stereo** Robert Alexander,2013-04-11 This book is the definitive study of the life and works of one of Britain s most important inventors who due to a cruel set of circumstances has all but been overlooked by history Alan Dower Blumlein led an extraordinary life in which his inventive output rate easily surpassed that of Edison but whose early death during the darkest days of World War Two led to a shroud of secrecy which has covered his life and achievements ever since His 1931 Patent for a Binaural Recording system was so revolutionary that most of his contemporaries regarded it as more than 20 years ahead of its time Even years after his death the full magnitude of its detail had not been fully utilized Among his 128 Patents

are the principle electronic circuits critical to the development of the world's first electronic television system. During his short working life, Blumlein produced patent after patent, breaking entirely new ground in electronic and audio engineering. During the Second World War, Alan Blumlein was deeply engaged in the very secret work of radar development and contributed enormously to the system eventually to become H2S blind bombing radar. Tragically, during an experimental H2S flight in June 1942, the Halifax bomber in which Blumlein and several colleagues were flying crashed and all aboard were killed. He was just days short of his 39th birthday. For many years, there have been rumours about a biography of Alan Blumlein, yet none has been forthcoming. This is the world's first study of a man whose achievements should rank among those of the greatest Britain has produced. This book provides detailed knowledge of every one of his patents and the process behind them, while giving an in-depth study of the life and times of this quite extraordinary man.
