Sex And The Brain:

The Scientific American Book of Love, Sex and the Brain Judith Horstman, Scientific American, 2011-11-15 Who do we love Who loves us And why Is love really a mystery or can neuroscience offer some answers to these age old questions In her third enthralling book about the brain Judith Horstman takes us on a lively tour of our most important sex and love organ and the whole smorgasbord of our many kinds of love from the bonding of parent and child to the passion of erotic love the affectionate love of companionship the role of animals in our lives and the love of God Drawing on the latest neuroscience she explores why and how we are born to love how we re hardwired to crave the companionship of others and how very badly things can go without love Among the findings parental love makes our brain bigger sex and orgasm make it healthier social isolation makes it miserable and although the craving for romantic love can be described as an addiction friendship may actually be the most important loving relationship of your life Based on recent studies and articles culled from the prestigious Scientific American and Scientific American Mind magazines The Scientific American Book of Love Sex and the Brain offers a fascinating look at how the brain controls our loving relationships most intimate moments and our deep and basic need for connection

Sex and the brain Jo Durden-Smith, Diane deSimone, 1983 The relationship between the human brain and sexuality analyzes the roots and causes of male and female sexual behavior abilities pleasures and skills and discusses the nature of gender

Brain Sex Anne Moir, Ph.D., David Jessel, 1992 Why can t a woman be more like a man What is this thing called feminine intuition Why are men better at reading maps and women at other people s characters The answers lie in the basic biological differences between the male and female brain which say the authors make it impossible for the sexes to share equal emotional or intellectual qualities

Sex on the Brain Deborah Blum, 1998-07-01 Go beyond the headlines and the hype to get the newest findings in the burgeoning field of gender studies Drawing on disciplines that include evolutionary science anthropology animal behavior neuroscience psychology and endocrinology Deborah Blum explores matters ranging from the link between immunology and sex to male female gossip styles The results are intriguing startling and often very amusing For instance did you know that Male testosterone levels drop in happy marriages scientists speculate that women may use monogamy to control male behavior Young female children who are in day care are apt to be more secure than those kept at home young male children less so Anthropologists classify Western societies as mildly polygamous The Los Angeles Times has called *Sex on the Brain* superbly crafted science writing graced by unusual compassion wit and intelligence that forms an important addition to the literature of gender studies

Sex on the Brain Deborah L. Blum, 1998 Looks at the biology of gender including such topics as male and female brains sex differences in emotions sexual orientation hormones and social roles

Hooked Joe S. McIlhaney, Jr., Freda McKissic Bush, 2019-01-01 How sex is rewiring your brain for good and for bad What does a three pound brain have to do with one s sex life A lot actually *Hooked* is about what s happening to your brain when you re having sex With scientific data put in layman s terms this book demonstrates that

Sexual activity releases chemicals in the brain creating emotional bonds between partners This is great news for marriages Once formed however breaking these bonds can have damaging effects on the brain such as depression and difficulty bonding with someone else in the future The continual forming and breaking of these bonds can have permanent effects on a person s brain PLUS This updated edition also includes a brand new chapter about the effects of pornography on the brain All this data about bonding sex and pornography has important implications in a casual sex culture Regardless of what we wish were true the facts tell us safe sex isn t as safe as it seems Learn about your brain the positive effects of sex within permanently committed relationships and how you can protect yourself especially your brain from the dangers of casual sex

Sex in the Brain Amee Baird,2019-10-25 What controls our sex lives Our brains Yet there is surprisingly little research into the ways our brains influence our sex drive Research mainly takes place when something goes wrong through brain injury or disease offering extraordinary insights into how the brain works In **Sex in the Brain** clinical neuropsychologist Amee Baird takes readers on an entertaining and informative tour of the sexiest bits of the human brain Spiced with real case studies the book reveals pathologies no longer hidden in medical journals or the bedrooms of people whose sex lives are undergoing dramatic change for better and worse In the style of popular neurology guru Oliver Sacks Baird captures the humanity and complexity of patients even when their neurological challenges have rendered them permanently or temporarily unlikeable Drawing from true stories this revealing and sometimes heartbreaking book unfolds a better understanding of the links between brain function and our sexual selves The taboo on talking about changes in sex drive and sexual behaviours following brain damage is over Neuropsychologist Amee Baird s engaging case studies exploring this topic will move as well as educate the general reader and inspire professionals to incorporate this central human need into their patient assessments and treatments Jenni Ogden author of *Fractured Minds* and *Trouble in Mind*

Sex in the Brain Amee Baird,2020-02-04 What controls our sex lives Our brains Yet there is surprisingly little research into how our brains influence one of the most fundamental of all human behaviors And there is even less understanding of what can happen to the sexuality of a person who suffers a brain injury or illness such as a stroke Parkinson s disease or dementia In **Sex in the Brain** clinical neuropsychologist Amee Baird explores fascinating case studies of dramatic changes in sexual behavior and explains what these exceptional stories have to say about human sexuality She illuminates the extraordinary insights into how the brain works that injury or disease can divulge Each chapter includes striking personal accounts many from individuals Baird has met in her clinical practice of unexpected shifts in sexuality Until now these fascinating frightening and funny stories have been hidden in medical journals or untold outside of the clinical setting This revealing and sometimes heartbreaking book unfolds a better understanding of the links between brain function and our sexual selves *Sex on the Brain* ,2019 *Sex on the Brain* Belle Rogers,2019-12-26 There s intelligence emotional intelligence and now sexual intelligence Are you a young adult who is unsure of how to approach the topic of sex because it makes you feel uneasy to talk about with others Or

alternatively are you in your later years of life fearing your relationship is suffering as a result of either you or your partner's decrease in sexual drive Are you interested in diving deeper into the psychology of sex seeking to improve your understanding of sexuality and develop a richer more meaningful connection with your loved one Sex and our ability to enjoy it changes over time not only because of age but also thanks to societal expectations and ever evolving social media Sex won't always remain static in terms of satisfaction which is why you need to be open to adapt as time goes on Easier said than done is probably what you're thinking And it's completely true But as with any new knowledge and understanding it takes time to fully establish a proper footing on the subject The reward however is more than worth it Sex will always be an inevitable constant in your life in one way or another no matter your age background or childhood upbringing With that being said do yourself the favor of getting down to the bottom of your misunderstandings once and for all and free your mind of its burdening influence In Sex on the Brain you will discover Why your sex drive changes as you age including how you can adjust and reignite that old glistening spark between you and your partner The 1 culprit affecting competency in bed and how to counter that in order to become a better lover your partner will always be coming back for more How previous experiences shape the way you perceive and approach sex as well as how you can work past this to make sex enjoyable again How to find the fine line between normal and taboo when it comes to the different types of sexual acts paving the way for greater intimacy and overall well being The key to help you not only love yourself but also become much more comfortable addressing your needs and desires for the utmost sexual experience The main reason why women tend to become sexually frustrated unhappy and suffer in their marriages and how to reverse these damaging effects The skill you need to know about that will make you 10x more attractive in your partner's eyes And much more Even if you feel like you'll never be able to completely satisfy your partner in bed and experience that sensational mythological orgasm everyone seems to talk about you will be able to find your way through the help of proper guidance and knowledge After all no one is perfect without practice And don't worry if you have many insecurities surrounding sex that seem to hold you back from exploring your sexuality that's completely normal The good thing about this is you can work on it at your own pace challenging yourself little by little as you see fit Sex is a natural human act and shouldn't be considered vulgar or indecent It's time to finally strip away at the taboo society has set on sex rediscovering the passion and value it can stand for in your life If you want to discover the truth about sex and improve the current relationship you have with it uncovering the path to your sexual fulfillment then scroll up and click the Add to Cart button right now
