Sex Love And The Person:

Sex, Love, and the Person Peter Anthony Bertocci, 1967 **Sex Matters** Osho, 2003-07-11 Sex Matters offers a vision of sex that is healthy natural innocent and free from guilt and repression Where other books offer techniques to practice and games to play Sex Matters offers insight into the psychological and spiritual dimensions of sex In responding to questions from people of all ages and from all walks of life Osho shows how we can by accepting and celebrating sex as a gift of nature begin to use it as a valuable stepping stone in a lifelong journey toward greater self awareness and joy **Sex and Self-Ownership** Jesse Wall, 2025-06-21 Since the criminal law acquits a person who mistakenly believed that another person consented to the sex that they forced upon them rape is not prohibited it is regulated to borrow Mackinnon's phrase This book is concerned with the legal category of the exculpatory mistaken belief in consent why this category ought to be narrowed and how it can be narrowed without departing from criminal law's retributive morality and principles of criminalisation The book calls for three reforms of the criminal law First sex itself should be a pro tanto wrong where consent can justify the wrong or a mistaken belief in consent can excuse the wrong Second consent ought to be defined in terms of the objective words and overt actions that express a subjective attitude Third whether the defendant had an exculpatory mistaken belief ought to be determined solely by having regard to the steps the defendant had taken to ascertain whether the complainant consented These calls are predicated on a range of philosophical inquiries including explanations of how all sex instrumentalizes and objectifies another person how consent performs of trilogy of functions by representing a choice expressing a person's interests and by empowering a person to change their normative relationship with another person how a person can be blameworthy for acting against moral reasons even when they were unaware those reasons applied to their moral situation and how we can have a justified belief in the mental state of another person *Sex for Christians* Lewis B.
