but hated to admit she was right The aspirations of a home and getting married made him think that she was behind the job recruiter that came harassing him with a job offer When he gave in and talked to the recruiter he did not expect him to call his bluff on the pay increase he asked for The job was a simple one of driving an old man around town and taking care of the car He never expected Mr Preston to have wealth and need a driver who had no experience acting like a chauffeur Joe soon found out that working for Mr Preston was nothing that he expected as it was a constant party of girls all with the approval and watchful eyes of his wife It was a strange life that paid well and soon found himself without a girlfriend and living at the Preston mansion Mr Preston was old but acted like a bachelor in his twenties who had boundless energy for strip clubs and female escorts After months of working for such an odd man he could see that his age was catching up on him It soon became apparent that the job would be ending when Mr Preston became bed ridden There was no need for a driver when he could not get out of bed and Joe figured that he would be out of a job Not one for assuming he would be I the will he did think that he might get the expensive sports car that he used to drive Mr Preston around in On his death bed Joe found out that he was not just getting the car but a life that he never knew existed The secret that was held from him was that he was not some random hire but a member of the family who was in line to take over Joe finds himself the heir apparent to an ancient family whose blood lines date back to biblical times He must now go through the initiation of being a member of the family that was from the long lost city of Gomorrah who was known for their sexual perversions Thinking it was just the money he inherited soon ends when he finds out that there are other families to this lost city and they all want to celebrate him in being the head of a house from the lost city
