Sex Addiction Barry Reay,Nina Attwood,Claire Gooder,2015-08-06 The concept of sex addiction took hold in the 1980s as a product of cultural anxiety Yet despite being essentially mythical sex addiction has to be taken seriously as a phenomenon Its success as a purported malady lay with its medicalization both as a self help movement in terms of self diagnosis and as a rapidly growing industry of therapists treating the new disease The media played a role in its history first with TV the tabloids and the case histories of claimed celebrity victims all helping to popularize the concept and then with the impact of the Internet This book is a critical history of an archetypically modern sexual syndrome Reay Attwood and Gooder argue that this strange history of social opportunism diagnostic amorphism therapeutic self interest and popular cultural endorsement is marked by an essential social conservatism sex addiction has become a convenient term to describe disapproved sex It is a label without explanatory force This book will be essential reading for those interested in sexuality studies contemporary history psychology psychiatry sociology media studies and studies of the Internet It will also be of interest to doctors and therapists currently working in this and related fields *Sex, Not Love* Vi Keeland,2018-01-15 From 1 New York Times Bestseller Vi Keeland comes a new sexy standalone novel My relationship with Hunter Delucia started backwards We met at a wedding him sitting on the groom s side me sitting on the bride s Stealing glances at each other throughout the night there was no denying an intense mutual attraction I caught the bouquet he caught the garter Hunter held me tightly while we danced and suggested we explore the chemistry sparking between us His blunt dirty mouth should

ve turned me off But for some crazy reason it had the opposite effect on me We ended up back in my hotel room The next morning I headed home to New York leaving him behind in California with the wrong number I thought about him often but after my last relationship I d sworn off of charming cocky gorgeous as sin men A year later Hunter and I met again at the birth of our friends baby Our attraction hadn t dulled one bit After a whirlwind trip he demanded a real phone number this time So I left him with my mother s she could scare away any man with her talks of babies and marriage and flew back home I d thought it was funny until the following week when he rang the bell at Mom s house for Sunday night dinner The crazy gorgeous man had won over my mother and taken an eight week assignment in my city He proposed we spend that time screwing each other out of our systems Eight weeks of mind blowing sex with no strings attached What did I have to lose Nothing I thought It s just sex not love But you know what they say about the best laid plans Sex and Style Elizabeth Scott-Baumann,2025-09-30 A new literary history that places women writers at the center of poetic theory and practice in English literature of the sixteenth and seventeenth centuries Many of the terms we use today to describe poetic style originated in the early modern period original ideas feminine rhyme irregular rhythm smooth verse These terms were often wielded in negative and gendered ways to write soft or irregular verses was said to be a feminine fault and to write strong or original ones a masculine virtue In *Sex and Style* Elizabeth Scott Baumann argues that the language of poetry was always gendered in ways that devalued women poets and feminine style and that women writing despite and against this sexist rhetoric were important theorists of literature Scott Baumann documents and analyzes texts by women literary theorists including Anne Southwell Lucy Hutchinson Katherine Philips Margaret Cavendish and Aphra Behn and puts their writings into dialogue with such well known early modern poets and theorists of poetry as Philip Sidney Ben Jonson Abraham Cowley and John Milton Scott Baumann situates these women in the vanguard of the poetics of this period Women who wrote theory and criticism the forms that tell readers which writers to read and value were among the leading voices defining poetic style and the place of poetry in society Examining a wealth of critical writings by women many of them newly found in prefaces and other paratextual works Scott Baumann shows that the history of style is also a history of exclusion and inclusion *The Baller's Secret Baby* Normandie Alleman,2016-07-20 He may be a player but this stud s not shooting blanks NICK I m nobody s baby daddy I don t care how many stunning women throw themselves at me looking to turn one hot night into an eighteen year paycheck I ve got way too much on the line to throw it away for one night of pleasure Ball is life and basketball is my first priority I ve got a championship to win But when I see that familiar face shaking her pom poms on the sidelines I m transported back to childhood Back to the days before a fiery plane crash ripped us apart forcing us to grow up overnight Those were the days when Eden Evans stole my heart This time I might be ready to give it right back to her EDEN I have no interest in a man who comes with groupies With a rock legend for a father I ve seen the toll fame takes on a marriage The last thing I need is a guy with more Twitter followers than Justin Beiber So when Nick Barnes dribbles his way back into my

life my heart and head go into battle I can't fight my desire for the sexy baller with his eight pack abs and panty dropping charm And when that little stick shows an unmistakable plus sign suddenly everything is on the line With a secret baby on the way will Nick realize that having the home court advantage is what he's wanted all along Note This is a standalone romance novel with a HEA and no cliffhangers Light on basketball and heavy on steamy romance this is the first book featuring members of the Barnes family
