documents altogether In this thought provoking and original volume *Sex Is as Sex Does* reveals the hidden logics that have governed sex classification policies in the United States and shows what the regulation of transgender identity can tell us about society's approach to sex and gender writ large Ultimately Currah demonstrates that because the difficulties transgender people face are not just the result of transphobia but also stem from larger injustices an identity based transgender rights movement will not by itself be up to the task of resolving them Sex, Gender, and Sexuality Abby L.
