

SEXUAL PRACTICES & THE MEDIEVAL CHURCH

Vern L. Bullough & James Brundage

Sexual Practices And The Medieval

TD Snyder

Sexual Practices And The Medieval:

Sexual Practices & the Medieval Church Vern L. Bullough, James A. Brundage, 1982 The book analyzes Christian assumptions about sexuality chronicles the early institutionalization of these assumptions and explores the theological debate about the meaning of marriage and the role of sex in marriage The theological conception of sex including issues such as rape seduction impotence and prostitution is then examined as it came to be developed by canon lawyers and justified by medical and scientific writers The book concludes with an overview of late medieval sex practices as seen in the literature of the period and in demographic studies

Handbook of Medieval Sexuality Vern L. Bullough, James A. Brundage, 1996 The nineteen original articles written by medieval scholars fill a gap in the field's scholarship which has ignored sexuality as a topic Building on the groundbreaking work of Michel Foucault's history of sexuality the essays consider ignored research work and bring fresh insights to the culture history and literature of the middle ages The writings focus on sexual norms homosexuality lesbianism prostitution and sexuality in the context of Christian Judaic and Islamic religious practices c Book News Inc

Sexuality in Medieval Europe Ruth Mazo Karras, 2017-01-20 Challenging the way the Middle Ages have been treated in general histories of sexuality *Sexuality in Medieval Europe* shows how views at the time were conflicted and complicated there was no single medieval attitude towards sexuality any more than there is one modern attitude Focusing on marital sexual activity as well as behavior that was seen as transgressive the chapters cover such topics as chastity the role of the church and non reproductive activity Combining an overview of research on the topic with original interpretations Ruth Mazo Karras demonstrates that medieval culture developed sexual identities that were quite distinct from the identities we think of today yet were still ancestral to our own Using a wide collection of evidence from the late antique period until the fifteenth century this fully revised third edition has been updated to include the latest scholarship throughout including expanded coverage of Islamic and Jewish cultures and new ideas on how medieval sexual violence relates to the modern world A new companion website supplements the text featuring an interactive timeline of key events links to key primary sources and references to further reading *Sexuality in Medieval Europe* is essential reading for those who study medieval history and culture

Medieval Sexuality April Harper, Caroline Proctor, 2010-04-26 *Medieval Sexuality A Casebook* is a fascinating collection featuring both new and established experts in the field The volume includes 11 original essays by Ross Balzaretti Philip Crispin Dominic Janes Hugh Kennedy A Lynn Martin Kim M Phillips Samantha J E Riches Joyce E Salisbury David Santiuste and the volume editors April Harper and Caroline Proctor The authors explore a variety of sources contributing work on a diverse range of topics including sources for sexuality in Late Lombard Italy the problematic reception of early medieval penitentials by modern readers sexuality as experienced by the desert fathers and mothers connections between saints monsters and sexuality in medieval art and hagiography the relationship between food seduction and adultery in the fabliaux sex alcohol and the late medieval stereotype of the unruly woman sex as a medical and moral

concern in medieval regimens of health ideas of sexuality in political discourse sex and scandal in festive drama debates on sexual orientation in Arabic court literature and pre colonial descriptions of sexuality in the Far East The volume concludes with a useful selection of further reading

The Bridling of Desire Pierre J. Payer,1993 The later Middle Ages saw the emergence of an integral theory of human sexuality a systematic account of its origins role and significance in the divine plan Instead of simply dismissing medieval views of sex as misogynist and guilt ridden Pierre Payer urges a re examination of medieval writers understanding of sexuality within the context of their cosmological perspective He traces the developing consensus about what was thought to be the nature purpose and morality of sex as conceived by writers and theologians during this period Concentrating on the positive dimension of medieval thought on sexuality Payer first examines views on Paradise the Fall and original sin and its transmission There follows an extended discussion of marriage as the sole outlet for legitimate sexual intercourse He then turns to the broader question of the control of sexual impulses and desires through the virtue of temperance The book concludes with a description of virginity which was seen to be the apex of temperance and the ideal of Christian living Payer has assembled a vast number of textual sources from the late medieval period presenting to the reader a variety of opinions their development and underlying presuppositions

Medieval Sexuality Joyce E. Salisbury,2019-01-17 Originally published in 1990 Well annotated bibliographical entries cover works on history religion medicine philosophy law and literature in western Europe from about the third century A D through the end of the medieval period The primary sources are organised thematically and separately from secondary sources Languages covered include English Spanish Portuguese French German Italian and Latin The focus is on sexuality and sexual attitudes not on the related topics of marriage and family Detailed indexes are also included

Sexuality in Medieval Europe Ruth Mazo Karras,Katherine E. Pierpont,2023 Now in its fourth edition *Sexuality in Medieval Europe* provides a lively account of a society whose attitudes toward sexuality both were ancestral to and differed from contemporary ones The volume is structured not by types of sexual interactions or deviance but to reflect the difference in gendered experiences when sex is seen as an act one person does to another Sexual activity within and outside of marriage as well as sexual inactivity had different meanings based on gender social status religious affiliation and more This book considers these iterations of medieval sexuality in its effort to show there was no single medieval attitude towards sexuality With an emphasis on Christian Western Europe over the entire course of the Middle Ages it also includes comparative material on neighboring cultures at the time Alongside being reworked for further clarity and readability the fourth edition offers substantial new material on trans scholarship and methodological attempts to recoup a trans past changes in the treatment of sex work and its terminology and new material on Byzantine and Muslim culture *Sexuality in Medieval Europe* is an essential resource for all those who study medieval history medieval culture and the history of sexuality in Europe

A Cultural History of Sexuality in the Middle Ages Ruth Evans,2012-03-01 Historians of sexuality have often assumed that medieval people were

less interested in sex than we are But people in the Middle Ages wrote a great deal about sex in confessors manuals in virginity treatises and in literary texts This volume looks afresh at the cultural meanings that sex had throughout the period presenting new evidence and offering new interpretations of known material Acknowledging that many of the categories that we use today to talk about sexuality are inadequate for understanding sex in premodern times the volume draws on important recent work in the historiography of medieval sexuality to address the conceptual and methodological challenges the period presents A Cultural History of Sexuality in the Middle Ages presents an overview of the period with essays on heterosexuality homosexuality sexual variations religious and legal issues health concerns popular beliefs about sexuality prostitution and erotica *Authority and Sexuality in Early Modern Burgundy (1550-1730)* James R. Farr, 1995-01-05 A sociocultural analysis of the relationships among law religion and sexual morality in Burgundy during the Catholic Reformation this book is divided into two interrelated parts the world of prescription and the world of practice The first part examines the construction of authority focusing primarily upon Burgundy's dominant elite legal community The second part of the book examines the deployment of authority and its appropriation by French men and women The new moral order focused on sexuality and the imposition of this order involved a legal contest over the disposition of bodies both male and female be they priests courting couples victims of seduction or rape or prostitutes James Farr's book offers an unusually fertile approach to study the link between sexuality and criminality Sexuality in the Middle Ages and Early Modern Times Albrecht Classen, 2008-12-10 Sexuality is one of the most influential factors in human life The responses to and reflections upon the manifestations of sexuality provide fascinating insights into fundamental aspects of medieval and early modern culture This interdisciplinary volume with articles written by social historians literary historians musicologists art historians and historians of religion and mental ity demonstrates how fruitful collaborative efforts can be in the exploration of essential features of human society Practically every aspect of culture both in the Middle Ages and the early modern age was influenced and determined by sexuality which hardly ever surfaces simply characterized by prurient interests The treatment of sexuality in literature chronicles music art legal documents and in scientific texts illuminates central concerns anxieties tensions needs fears and problems in human society throughout times Law, Sex, and Christian Society in Medieval Europe James A. Brundage, 2009-02-15 This monumental study of medieval law and sexual conduct explores the origin and development of the Christian church's sex law and the systems of belief upon which that law rested Focusing on the Church's own legal system of canon law James A Brundage offers a comprehensive history of legal doctrines covering the millennium from A D 500 to 1500 concerning a wide variety of sexual behavior including marital sex adultery homosexuality concubinage prostitution masturbation and incest His survey makes strikingly clear how the system of sexual control in a world we have half forgotten has shaped the world in which we live today The regulation of marriage and divorce as we know it today together with the outlawing of bigamy and polygamy and the imposition of criminal sanctions on such activities as sodomy

fellatio cunnilingus and bestiality are all based in large measure upon ideas and beliefs about sexual morality that became law in Christian Europe in the Middle Ages Brundage's book is consistently learned enormously useful and frequently entertaining It is the best we have on the relationships between theological norms legal principles and sexual practice Peter Iver Kaufman Church History *Constructing Medieval Sexuality* Karma Lochrie, Peggy McCracken, James Alfred Schultz, 1997 This collection brings together essays from various disciplinary perspectives to consider how the Middle Ages defined regulated and represented sexual practices and desires Considering sexuality in relation to gender the body and identity the essays explore medieval sexuality as a historical construction produced by and embedded in the cultures and institutions of the period 17 photos [Sex in the Middle Ages](#) Joyce E. Salisbury, 2019-01-17 Originally published in 1991 Covering courtship disclosure diversity and public implications the essays here discuss topics such as erotic magic nakedness physicians attitudes about sex boy love saints and sex and the politics of sodomy as they were manifested in medieval Europe and the Middle East *Sexuality and Culture in Medieval and Renaissance Europe* Philip M. Soergel, 2005 **The Sexual Culture of the French Renaissance** Katherine Crawford, 2010-04-22 An examination of how Renaissance textual practices and new forms of knowledge transformed notions of sex and sexuality in France **Allegory and Sexual Ethics in the High Middle Ages** N. Guynn, 2007-03-05 Guynn offers an innovative new approach to the ethical cultural and ideological analysis of medieval allegory Working between poststructuralism and historical materialism he considers both the playfulness of allegory and its disciplinary force **A Cultural History of Sexuality in the Middle Ages** Ruth Evans, 2012-03-01 Historians of sexuality have often assumed that medieval people were less interested in sex than we are But people in the Middle Ages wrote a great deal about sex in confessors manuals in virginity treatises and in literary texts This volume looks afresh at the cultural meanings that sex had throughout the period presenting new evidence and offering new interpretations of known material Acknowledging that many of the categories that we use today to talk about sexuality are inadequate for understanding sex in premodern times the volume draws on important recent work in the historiography of medieval sexuality to address the conceptual and methodological challenges the period presents A Cultural History of Sexuality in the Middle Ages presents an overview of the period with essays on heterosexuality homosexuality sexual variations religious and legal issues health concerns popular beliefs about sexuality prostitution and erotica **Same-sex Sexuality in Later Medieval English Culture** Tom Linkinen, 2025-10-01 This volume investigates the state of same sex relations in later medieval England drawing on a remarkably rich array of primary sources from the period that include legal documents artworks theological treatises and poetry Tom Linkinen uses those sources to build a framework of medieval condemnations of same sex intimacy and desire and then shows how same sex sexuality reflected and was inflected by gender hierarchies approaches to crime and the conspicuous silence on the matter in the legal systems of the period *Sex and Society in the World of the Orthodox Slavs 900-1700* Eve Levin, 2018-09-05 In this pioneering book Eve Levin explores

sexual behavior among the peoples of Serbia Bulgaria and Russia from their conversion to Christianity in the ninth and tenth centuries until the end of the seventeenth century By ranging across all these societies Levin is able to fulfill three basic aims to delineate the general character of sexuality among the Orthodox Slavs to enrich that account by drawing our attention to regional variations in the sexual mores of these peoples and to draw suggestive comparisons between the world of the medieval Orthodox Slavs and their contemporaries in the Latin West Levin begins with a study of the ecclesiastical image of sexuality as expressed in didactic and literary texts showing that the Orthodox Church was deeply suspicious of sexuality Her second chapter on canon law and marriage examines the conditions for marriage divorce and remarriage the obligation of the conjugal relationship and the impact of these rules on social order Levin looks at church regulations concerning sexual relations among relatives by blood marriage spiritual kinship and adoption in Chapter Three and she devotes Chapter Four to prohibited sexual practices both inside and outside of marriage In the fifth chapter she studies Russian and South Slavic responses to rape and demonstrates that these societies simultaneously censured violence against women and sanctioned the attitudes and social structures that justified it Chapter Six deals with the rules on sexual conduct for the clergy whose job it was to enforce sexual precepts Throughout her work Levin argues that despite its conviction that sexual expression was diabolical the medieval Orthodox Church approached sexual matters in a surprisingly practical way its official sexual ethic corresponded to a great degree with popular views Historians of the Slavic world both medieval and modern will welcome this accessible study It should also attract comparativists who work in such fields as church history the history of women and the family and the history of sexuality

Sexuality, Law and Legal Practice and the Reformation in Norway Anne Riisøy, 2009-02-23 Based on legislation and legal practice from the period c 1250 1600 the book takes issue with the most important viewpoints in earlier research by early modernists that the Reformation represented a watershed in a development characterized by greater criminalisation of sexual acts increase in the severity of sentences and deterioration of the position of women According to this study in principle all or mostly all factors were already in place in the Middle Ages In Norwegian historiography the period investigated is characterized by paucity of sources and the period has tended to fall between two stools respectively the medievalist and the early modernist The ambition of this book has been to bridge the gap

When people should go to the book stores, search introduction by shop, shelf by shelf, it is truly problematic. This is why we provide the books compilations in this website. It will completely ease you to look guide **Sexual Practices And The Medieval** as you such as.

By searching the title, publisher, or authors of guide you really want, you can discover them rapidly. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Sexual Practices And The Medieval full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based

access to a wide range of Sexual Practices And The Medieval eBooks, including some popular titles.

FAQs About Sexual Practices And The Medieval Books

What is a Sexual Practices And The Medieval PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Sexual Practices And The Medieval PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Sexual Practices And The Medieval PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Sexual Practices And The Medieval PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Sexual Practices And The Medieval PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
