Razor-Wire Dharma Calvin Malone,2008-09 For Calvin Malone staying true to his principles of altruism compassion and nonharming often requires he quite literally jeopardize life limb and the few small comforts available to him in order to do what s right Calvin is nearing the end of a twenty year prison sentence he s also a practicing Buddhist And remarkably it was in prison that Calvin learned about Buddhism *English in Tibet, Tibet in English* L. McMillin,2001-11-16 This book explores two kinds of self presentation in Tibet and the Tibetan diaspora that of British writers in their travel texts to Tibet from 1774 to 1910 and that of Tibetans in recent autobiographies in English McMillin contends that Tibet and the Anglophone West have had a long complex and convoluted relationship that can be explored in part through analysis of English language texts The first part of the book explores how a myth of epiphany in Tibet comes to dominate English texts of travel in Tibet while the second part considers how Tibetan autobiographers writing in English have responded and resisted Western images of them **Razor-Wire Dharm** Calvin Malone,2010-10-08 Calvin Malone has plenty to teach us all about

ideas that we rarely associate with the penal system Dignity Compassion Freedom behind bars He speaks from experience Malone is nearing the end of a 20 year prison sentence himself Razor Wire Dharma is his eloquent enlightening and utterly inspiring personal story how he found Buddhism and real transformative meaning for his life despite being in one of the world's harshest environments Some of his stories are hilarious some are harrowing but all express Buddhist wisdom as vividly as any practitioner could hope to do Malone is living it and in the unlikeliest of places For him the choice of staying true to his principles often requires that he quite literally jeopardize his life safety and the few small comforts available to him to try to do what's right Razor Wire Dharma makes it clear that if Calvin can do what's right in jail he can do it anywhere What's more it proves that we can too The Journal of the Order of Buddhist Contemplatives, 1993 *Mystics, Masters, Saints, and Sages* Robert Ullman, Judyth Reichenberg-Ullman, 2001-10-01 Organized chronologically starting with Buddha and ending with contemporary seekers this book focuses on the moment of enlightenment in the lives of saints and masters that led to their witnessing divine reality Acorns: Windows High-Tide Foghat Joshua Morris, 2013-01-23 Acorns delineates the future of humanity as a reunification of intellect with the Deep Self Having chosen to focus upon ego established securely by the time of Christ much more beta brain wave development will destroy our species and others which process has already begun We create our own realities through beliefs intents and desires and we were in and out of probabilities constantly Feelings follow beliefs not the other way around **Indestructible Truth** Reginald A. Ray, 2000 Indestructible Truth is one of the most thorough introductions to the Tibetan Buddhist world view ever published at the same time it is also one of the most accessible The author presents complex and sophisticated teachings and practices in nontechnical language using engaging stories and personal anecdotes to illustrate his points Indestructible Truth presents Tibetan Buddhism in its traditional form but also shows how the Tibetan traditions are applicable to the problems and challenges of modern life in the West In Indestructible Truth Tibetan Buddhism is introduced not as an exotic religion but rather as an expression of human spirituality that is having a profound impact on the modern world In addition it presents the point of view of meditation and the practice of the spiritual life paying special attention to contemplative practice and meditation as taught in the Kagyu and Nyingma schools **Delog** Dawa Drolma (Delog.), 1995 Красная Тара.
