Wizards Spell Magic in the Legends of Mere Leander G. M. Rowntree, 2010-02-10 When four children stumble upon the magic of the lost dark obsidian gemstone in the grounds of an old haunted castle their adventure has only just begun To their amazement the magical gemstone mysteriously gifts them with extraordinary supernatural magical powers Upon opening the vortex of the magical dark obsidian gemstone on midnight of Halloween into the magical realm of Mere Leander the children befriend forgetful wizards Meldrick and Albright dragons unicorns elves and all manner of supernatural creatures With the help of the wizards ancient magical manuscript The Legends of Mere Leander they search for the last remaining magical entities before the dark wizard Delverasteon and his phantom familiar the changeling Seith discover them and use their magic to destroy the enchanted magical realm of Mere Leander and beyond *Legends of Shree Jagannath*

Dr. Shikha Bhatnagar, 2023-10-09 The book narrates interesting and amazing legends of Lord Jagannath The mythical historical metaphysical philosophical and cultural paradigms intertwine leading to an open ended interpretation as questions arise in the seeker's mind get the corresponding answers based on their perception and intellect blurring the lines between illusion and reality Here faith replaces reason heralding a miraculous transformation of the soul A true makeover revealing the essence of the self removing imprints of past Samskaras as one takes a dip in the ocean of Bhakti It is in this mode that one should read these legends of the Lord It is this esoteric experience which each quest for divinity signifies Numerous accounts have been written numerous experiences abound yet it is one's experience of the divine which defines and transforms one's vision of the real and surreal I leave the decision to the readers to experience their own version of reality as the ultimate goal which matters is Sharanagati to obtain Kaivalya a superior form of Liberation or moksha here the power of the pure consciousness settles in its own pure nature Kaivalya Pada Sutra 34 of Patanjali's Yogasutras *I Am Legend*
