place in where she hadn't known Did people still hear God's voice Was Sasha losing her mind Sasha would soon find out that losing what she called her life would be the only way to gain a perspective on what dying was really like Sasha would be faced with the demons of her family's past and present in order to save the future of what yet didn't exist Witness her journey in the battle of her flesh and see who would come out victorious Was the bible real Did God exist beyond what the world had taught her about him God had called her but would she answer Sasha was given a way out by a god in who she didn't know She would have to face hell in order to make it to heaven Let's read and see if dying could actually save a person's life
